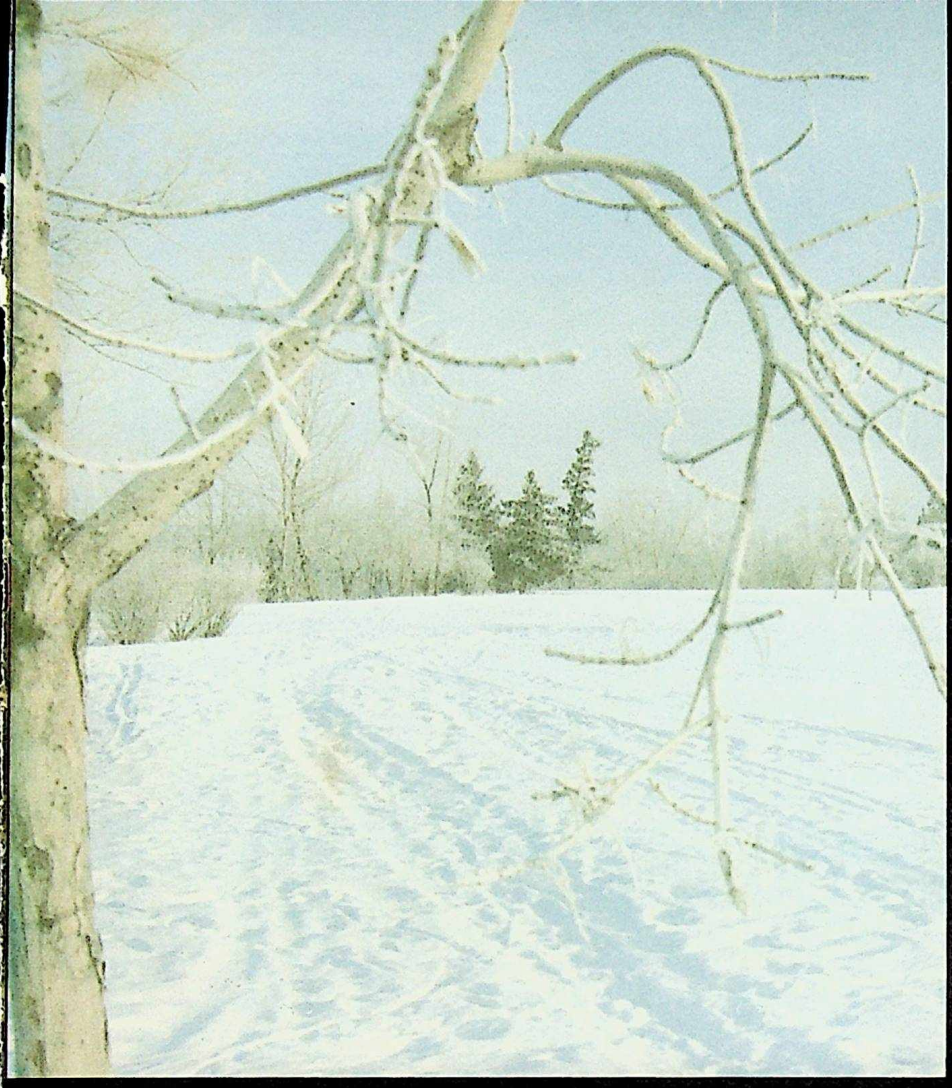
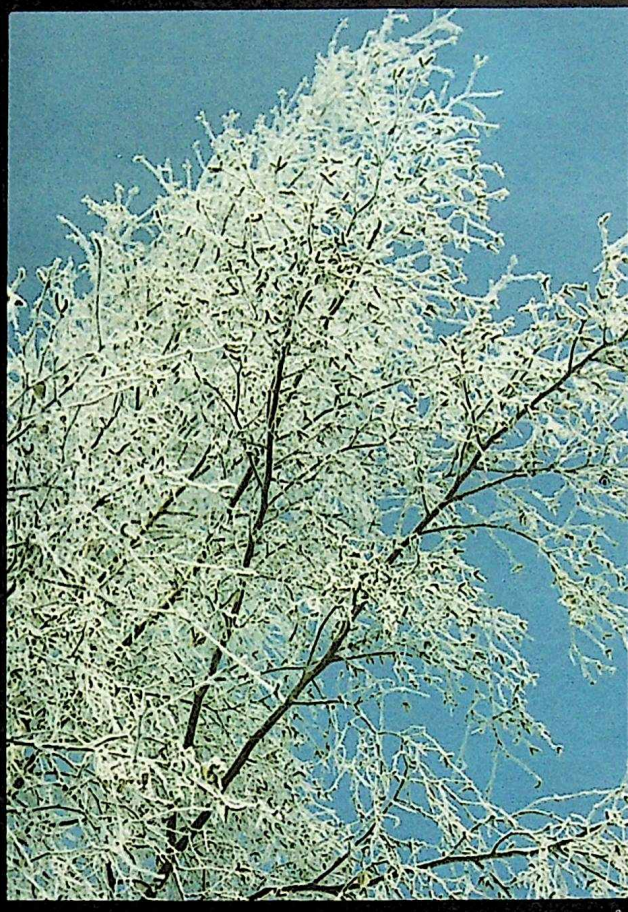
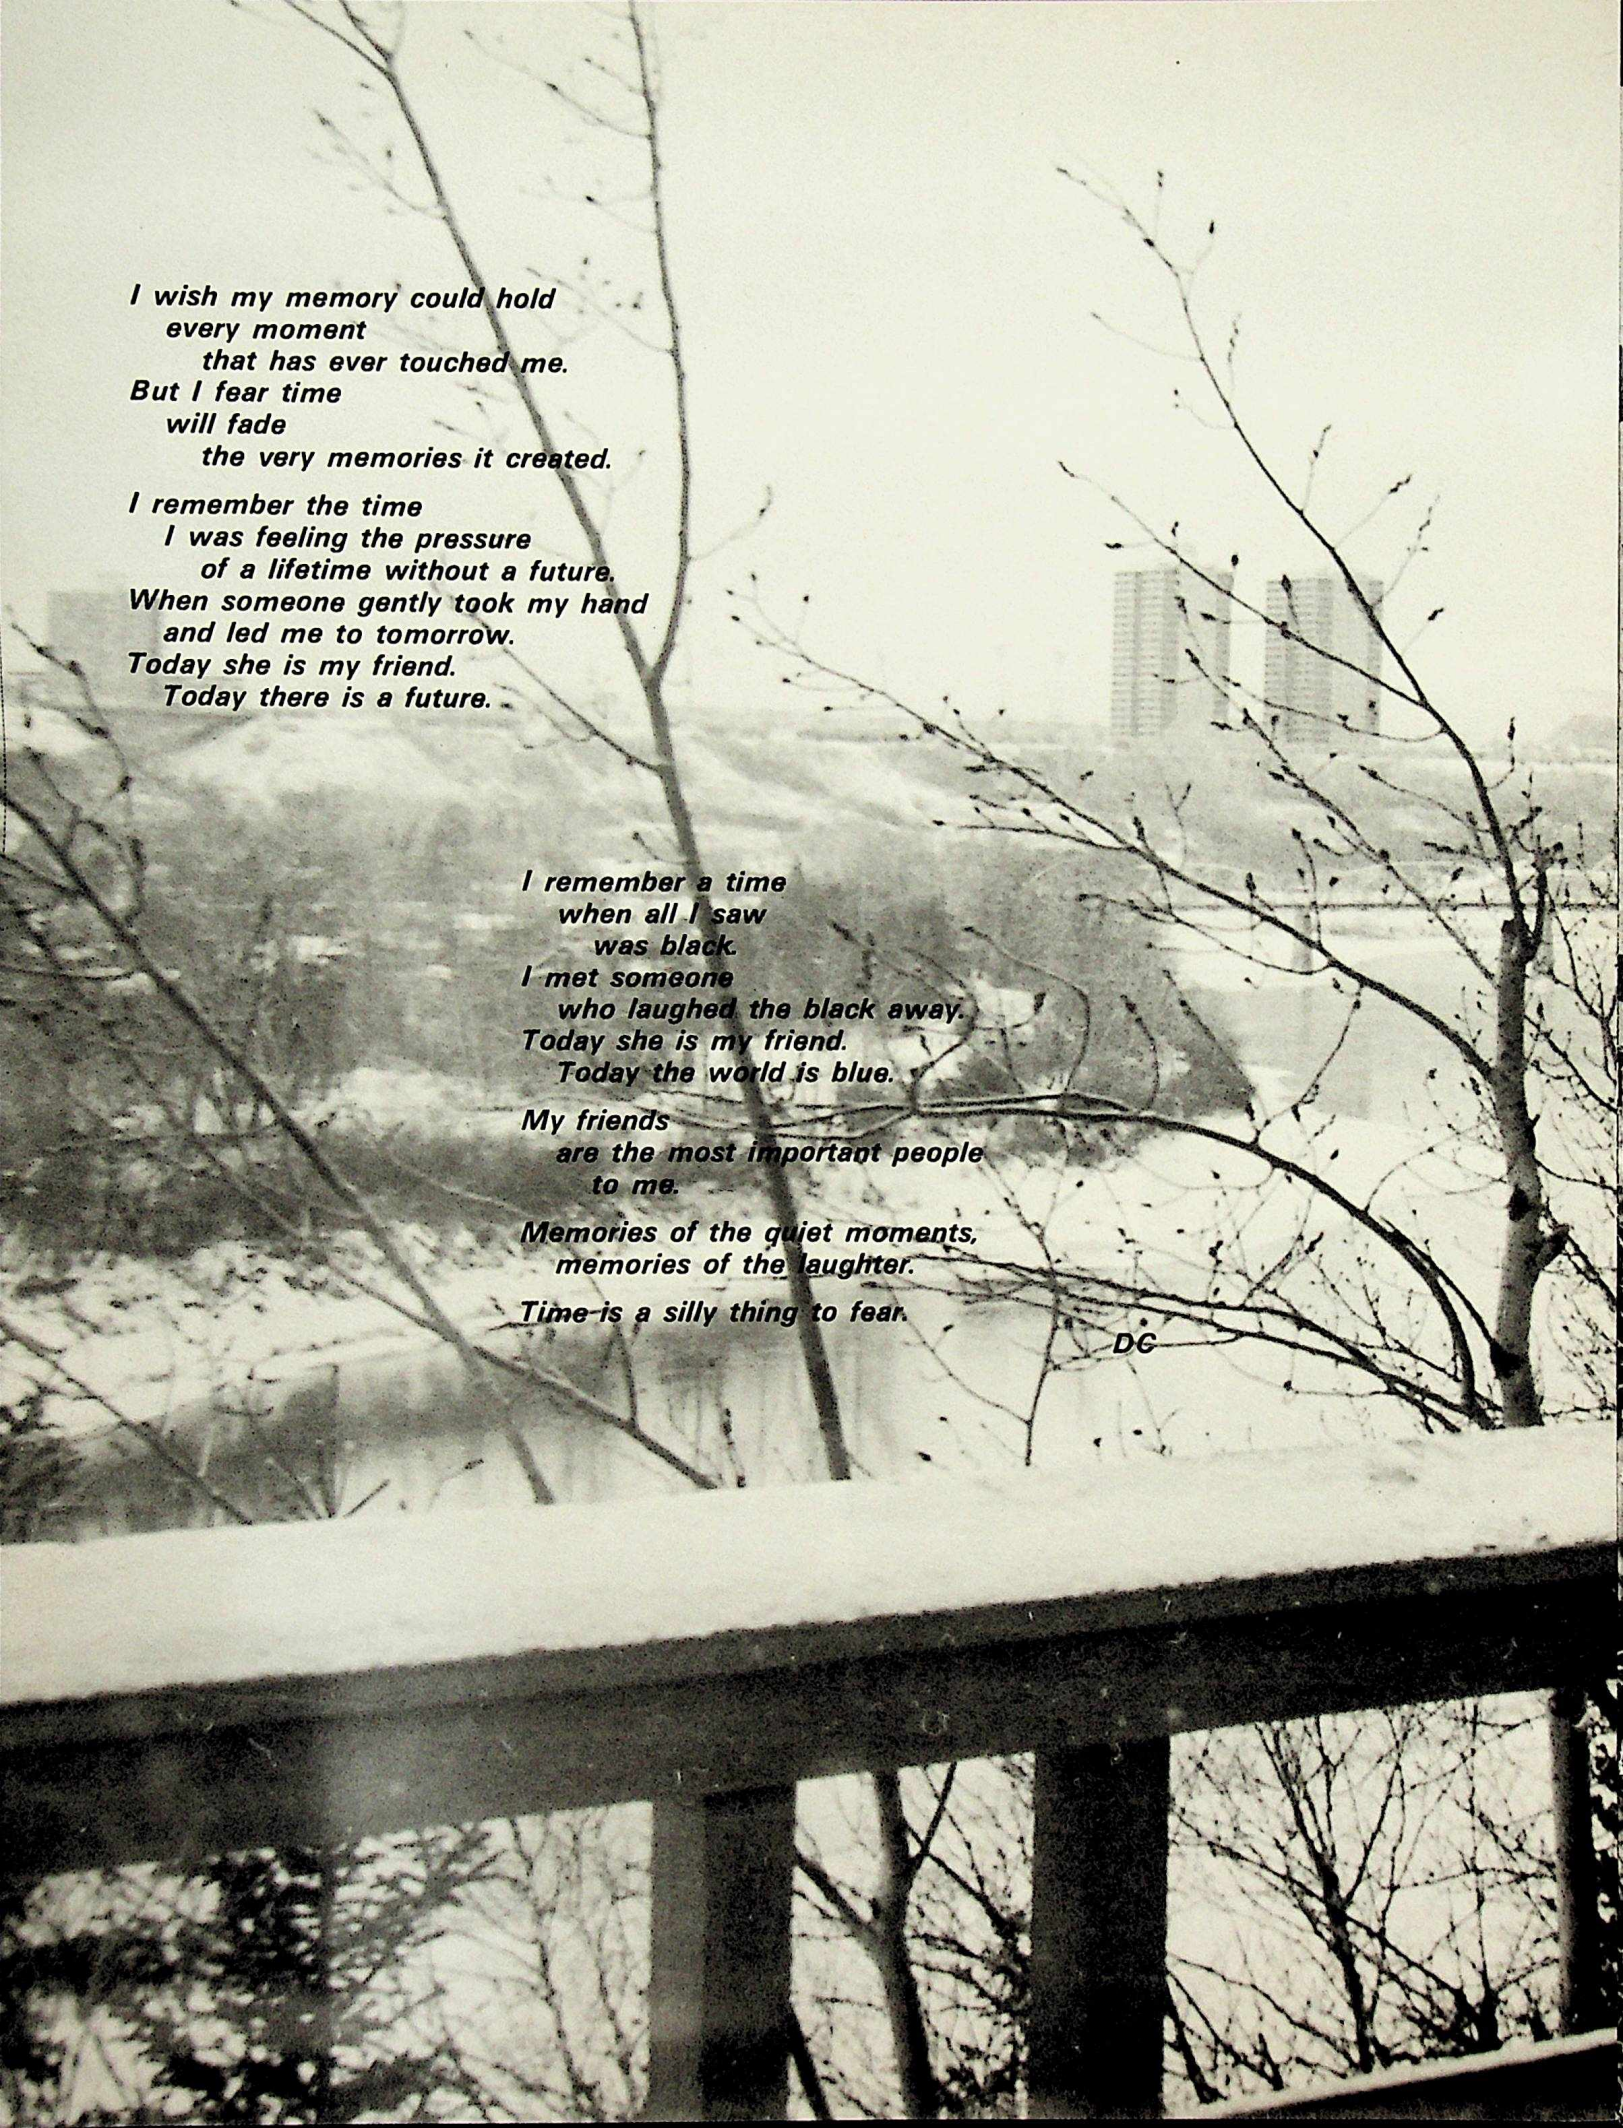
Time is a Silly Thing to Fear 145







I wish my memory could hold
every moment
that has ever touched me.
But I fear time
will fade
the very memories it created.

I remember the time
I was feeling the pressure
of a lifetime without a future.
When someone gently took my hand
and led me to tomorrow.
Today she is my friend.
Today there is a future.

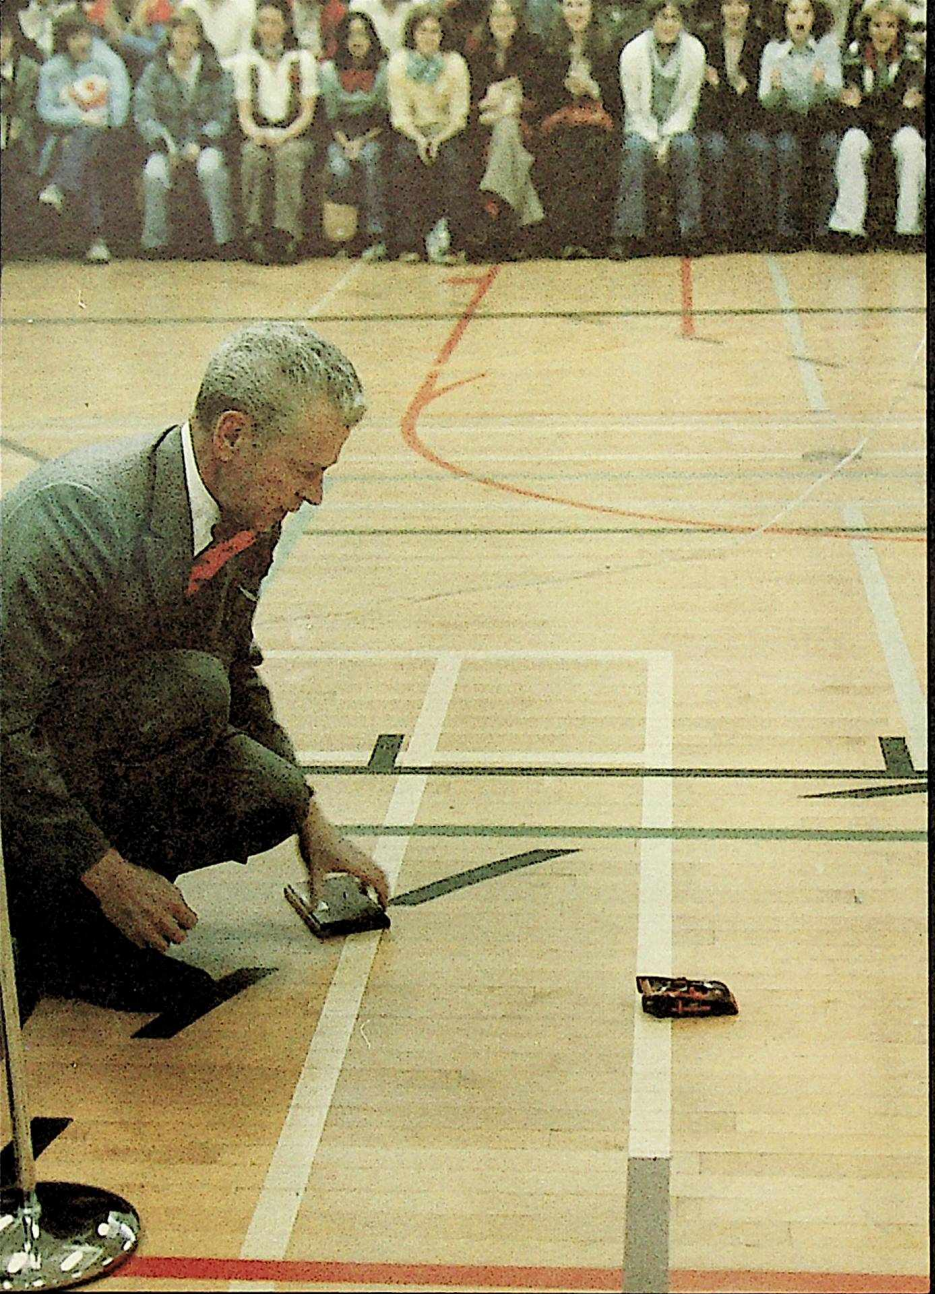
I remember a time
when all I saw
was black.
I met someone
who laughed the black away.
Today she is my friend.
Today the world is blue.

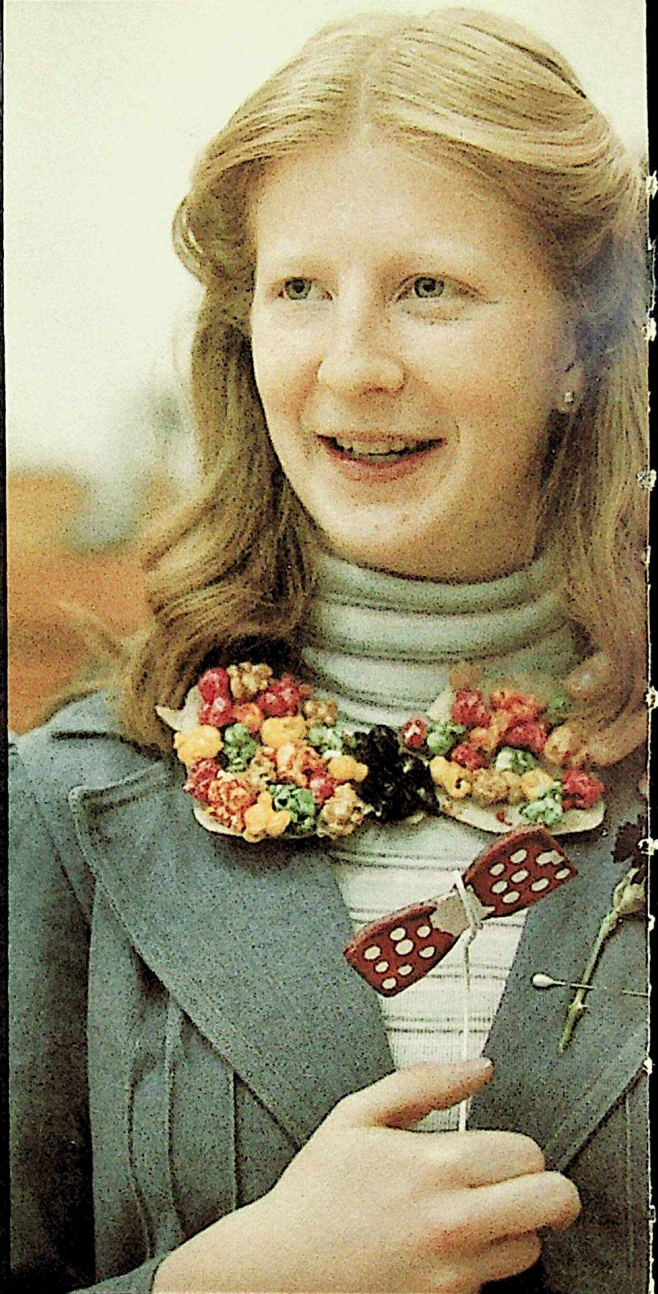
My friends
are the most important people
to me.

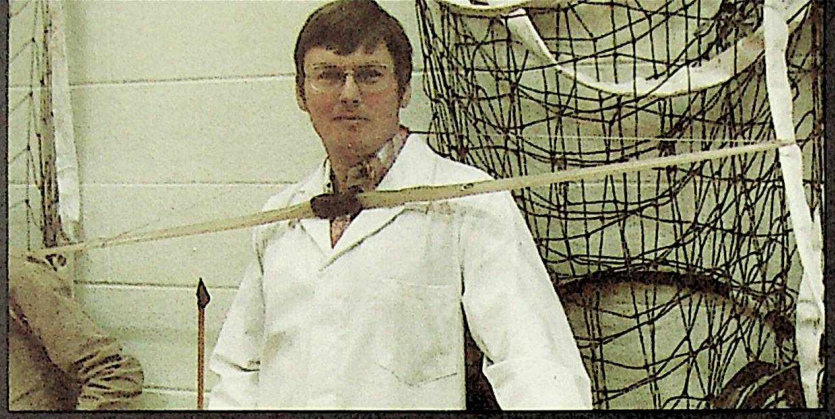
Memories of the quiet moments,
memories of the laughter.

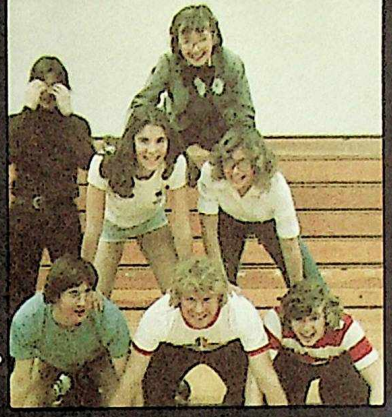
Time is a silly thing to fear.

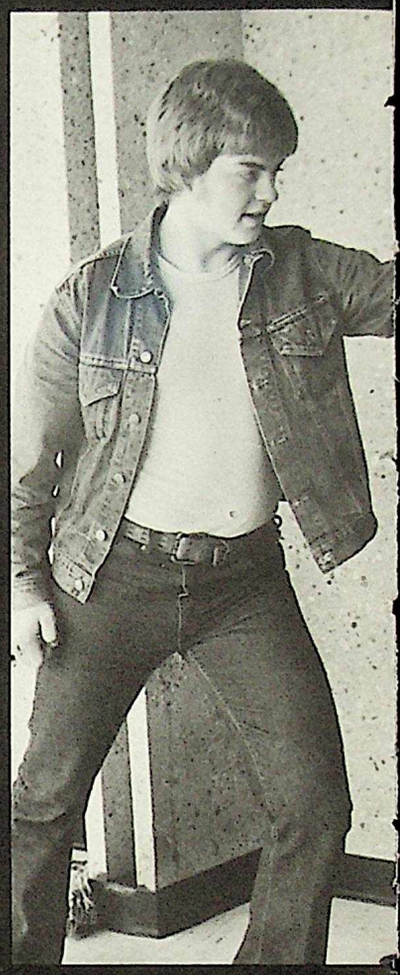
DC











This school year has been filled to the brim with memories and friends. Memories of classes and classmates, and of serious moments (like when a passing mark is in jeopardy).

And, of course, everyone remembers the not-so-sane moments of horsing around and just having fun.

Think back to the quiet moments, times when you took a break to walk through the park areas surrounding McNally . . .

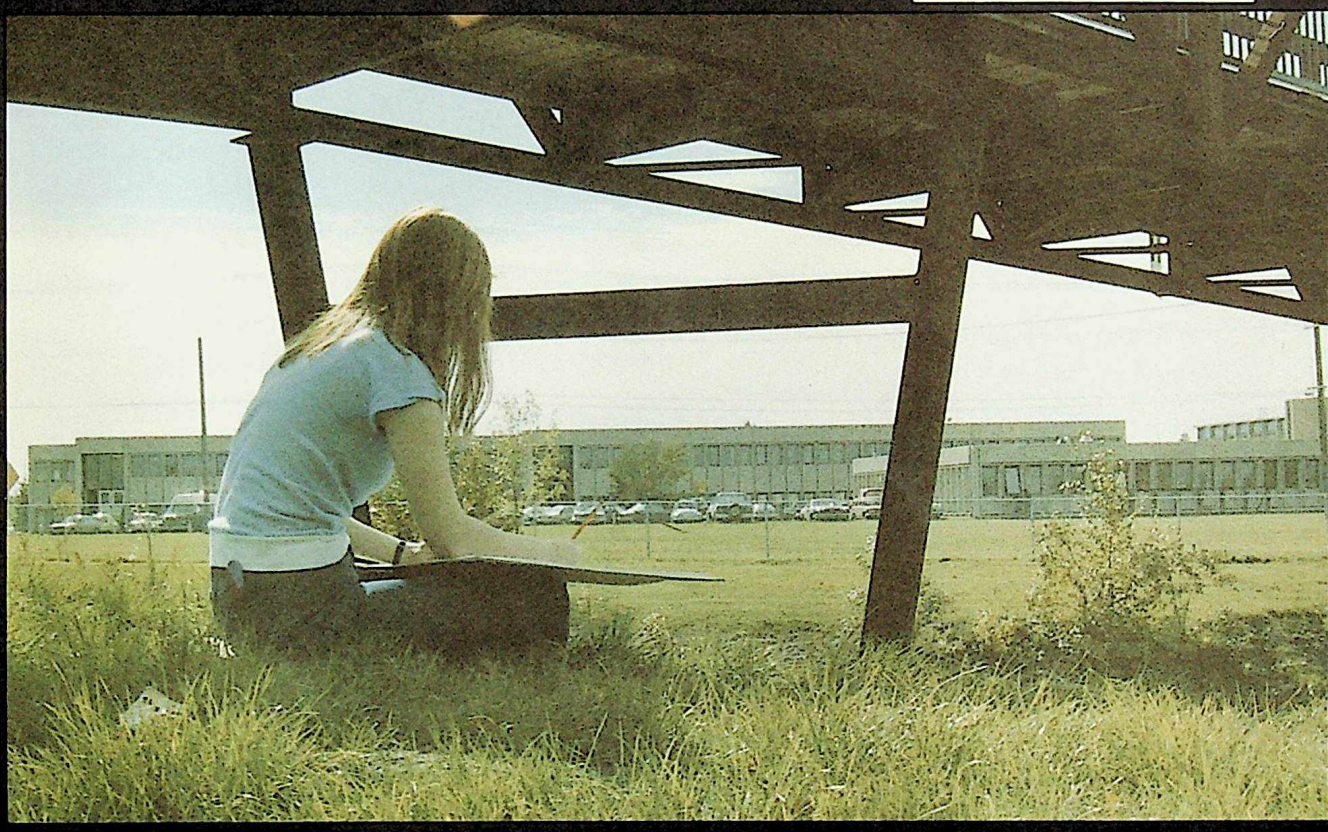
OCEANIC
WATCH YOUR STEP

Moments of quiet reflection looking out over the river or observing people in front of the school.

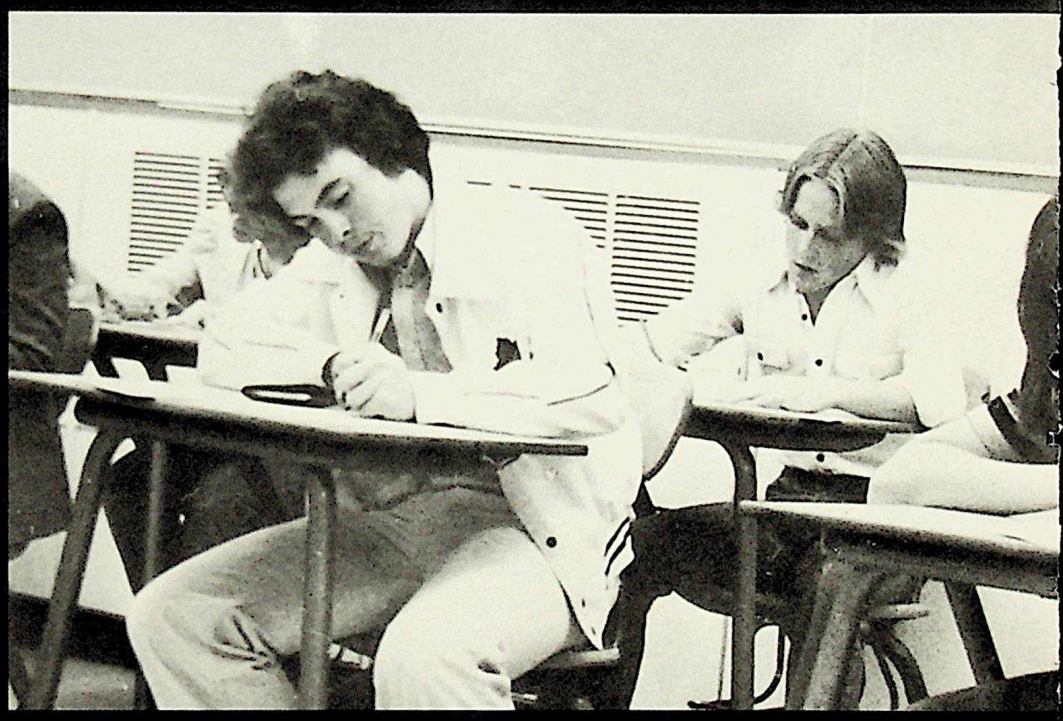


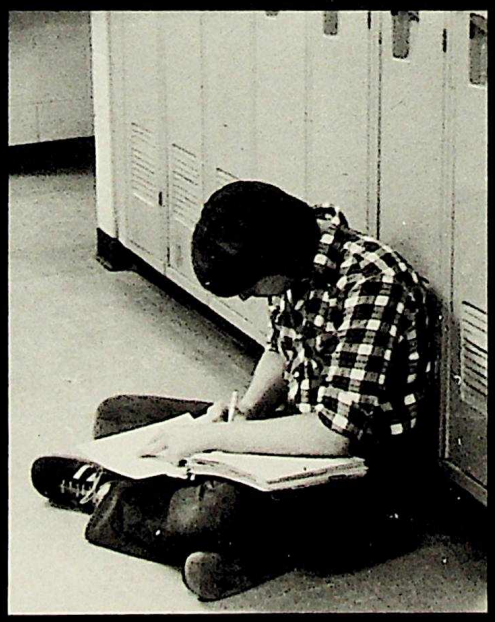
Out here in the woods or on the lawn there is a sense of solitude — for awhile you are away from the crush of people in the halls . . . for awhile you are alone.

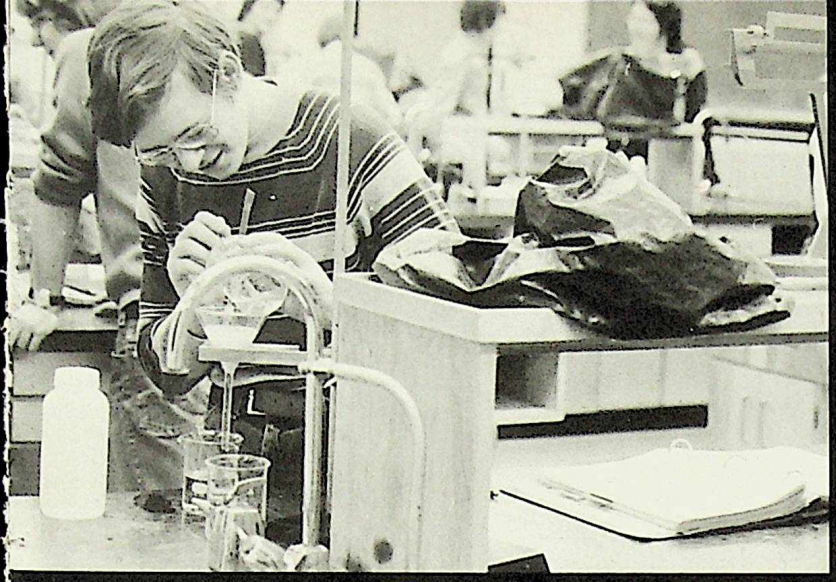
Aloneness can be being alone; but it can also be when you're engrossed in your work, or it can be being out of step.

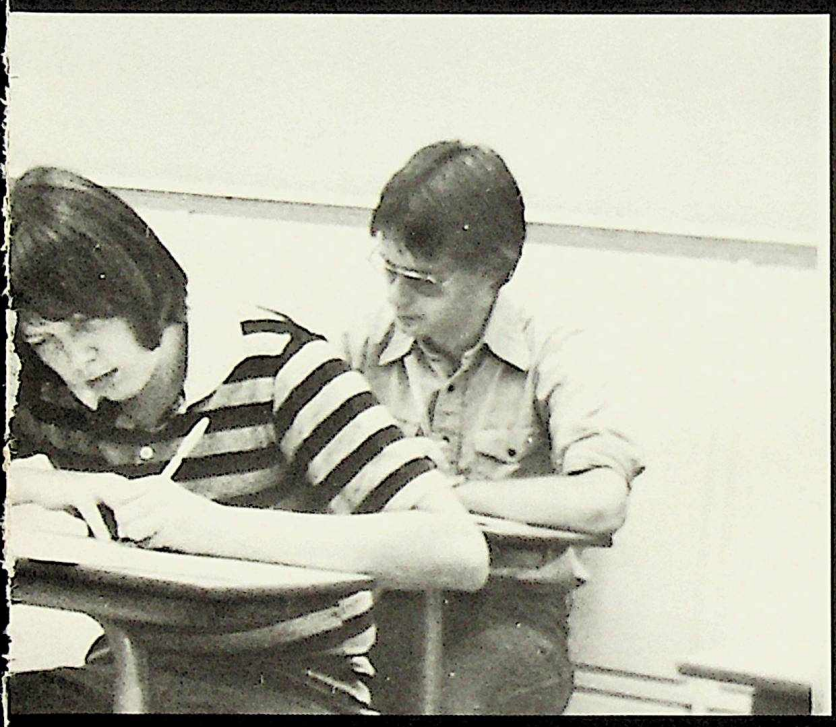
What is more alone than writing a test . . . or sometimes just studying for one?

Alone can be in the midst of a crowd, wishing your friends were there.

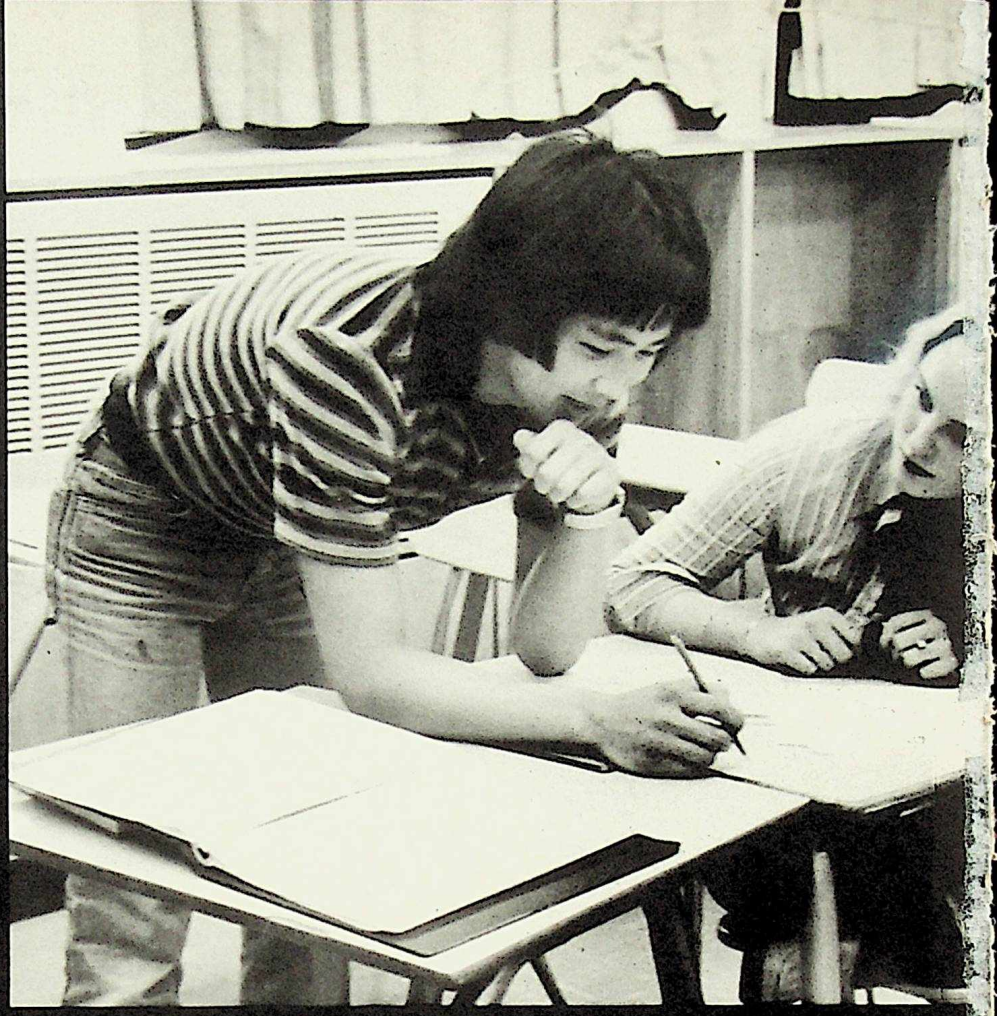








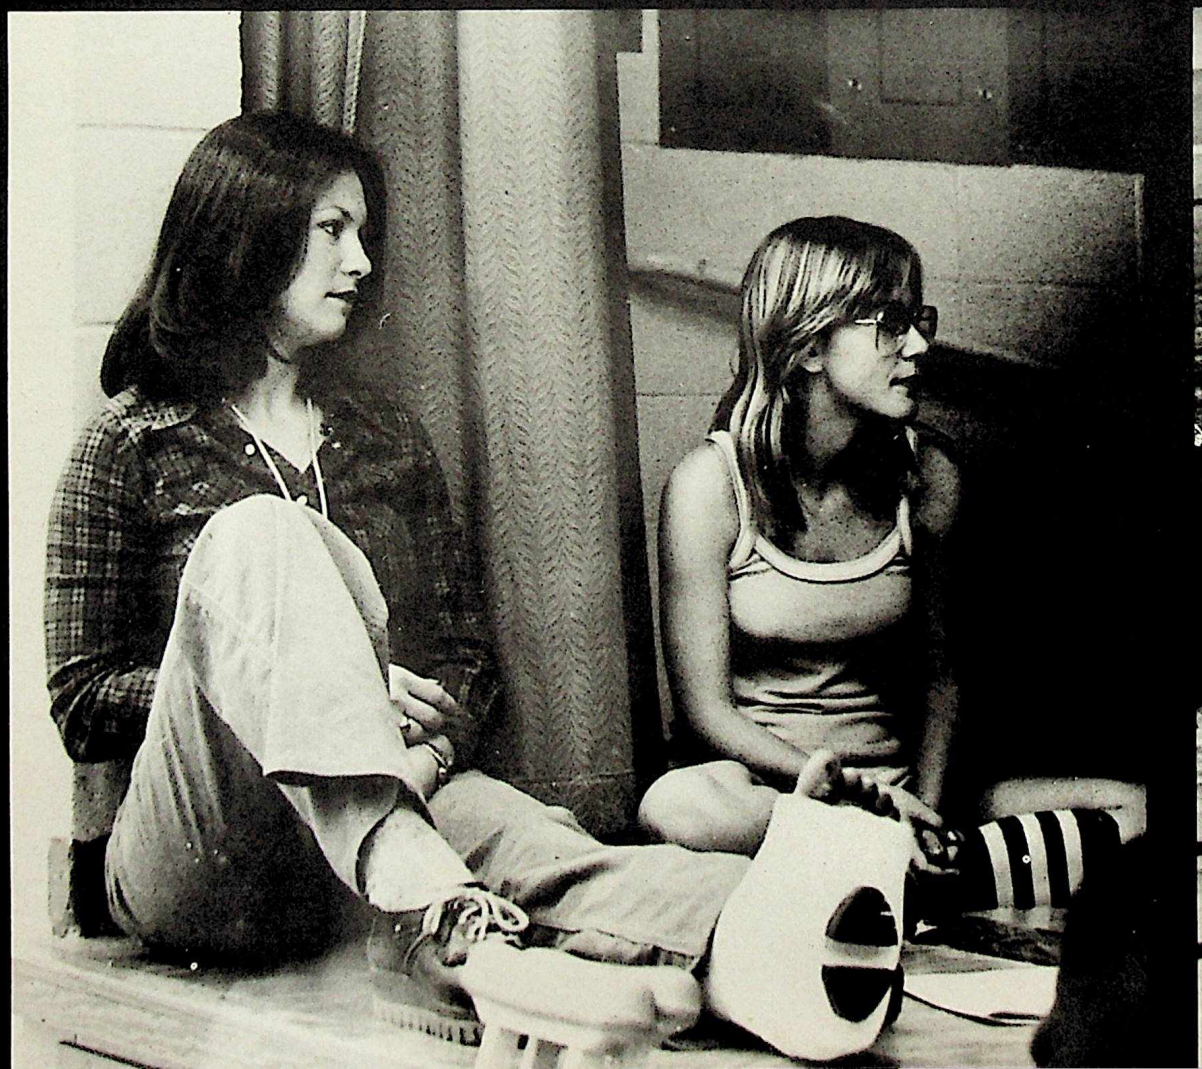
Aloneness is many different situations . . . but one small gesture from a friend, and "alone" is replaced by "together", "I" replaced by "we" and "us".

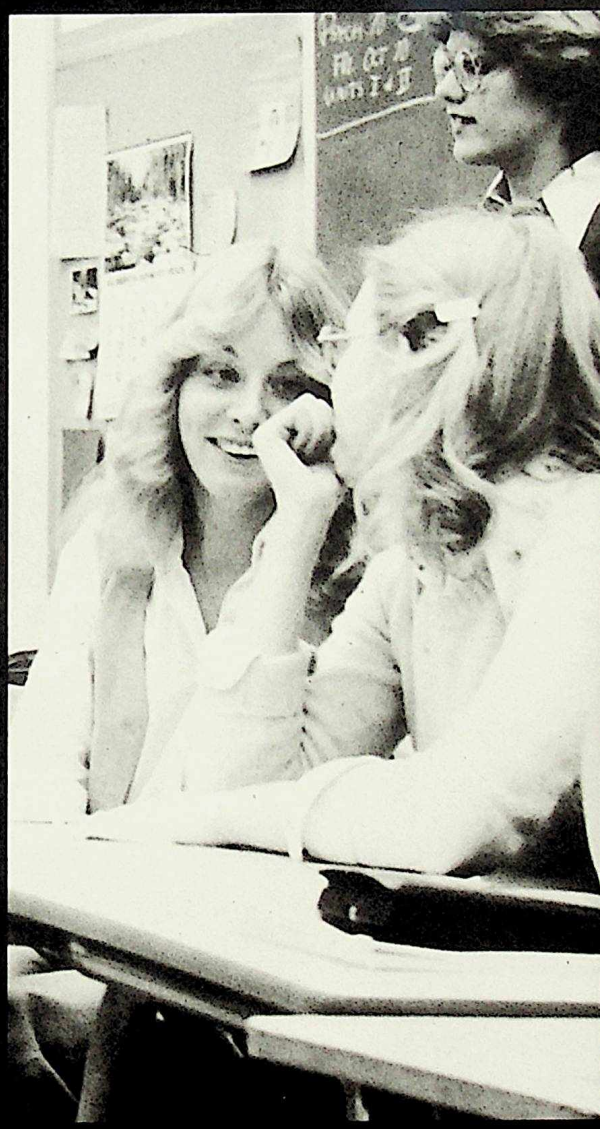


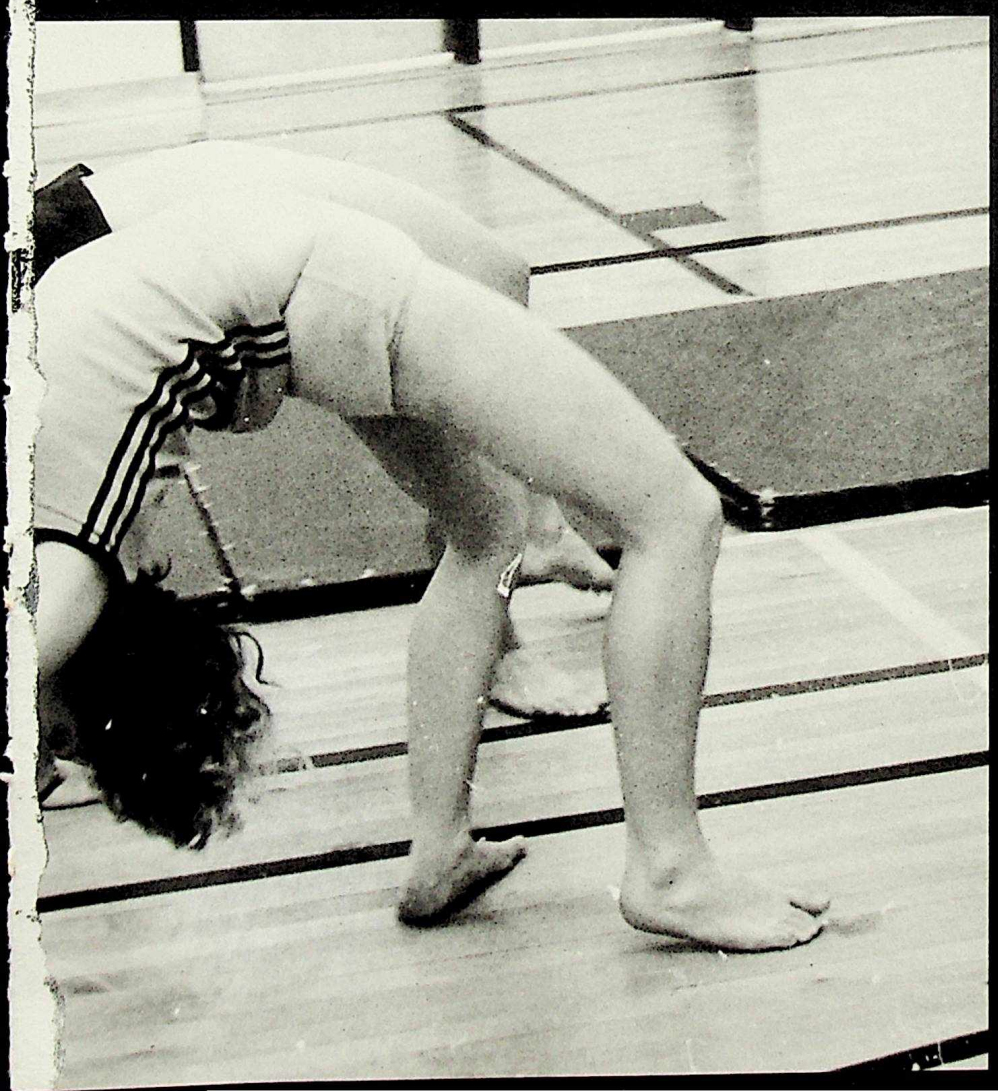
Friends together . . .

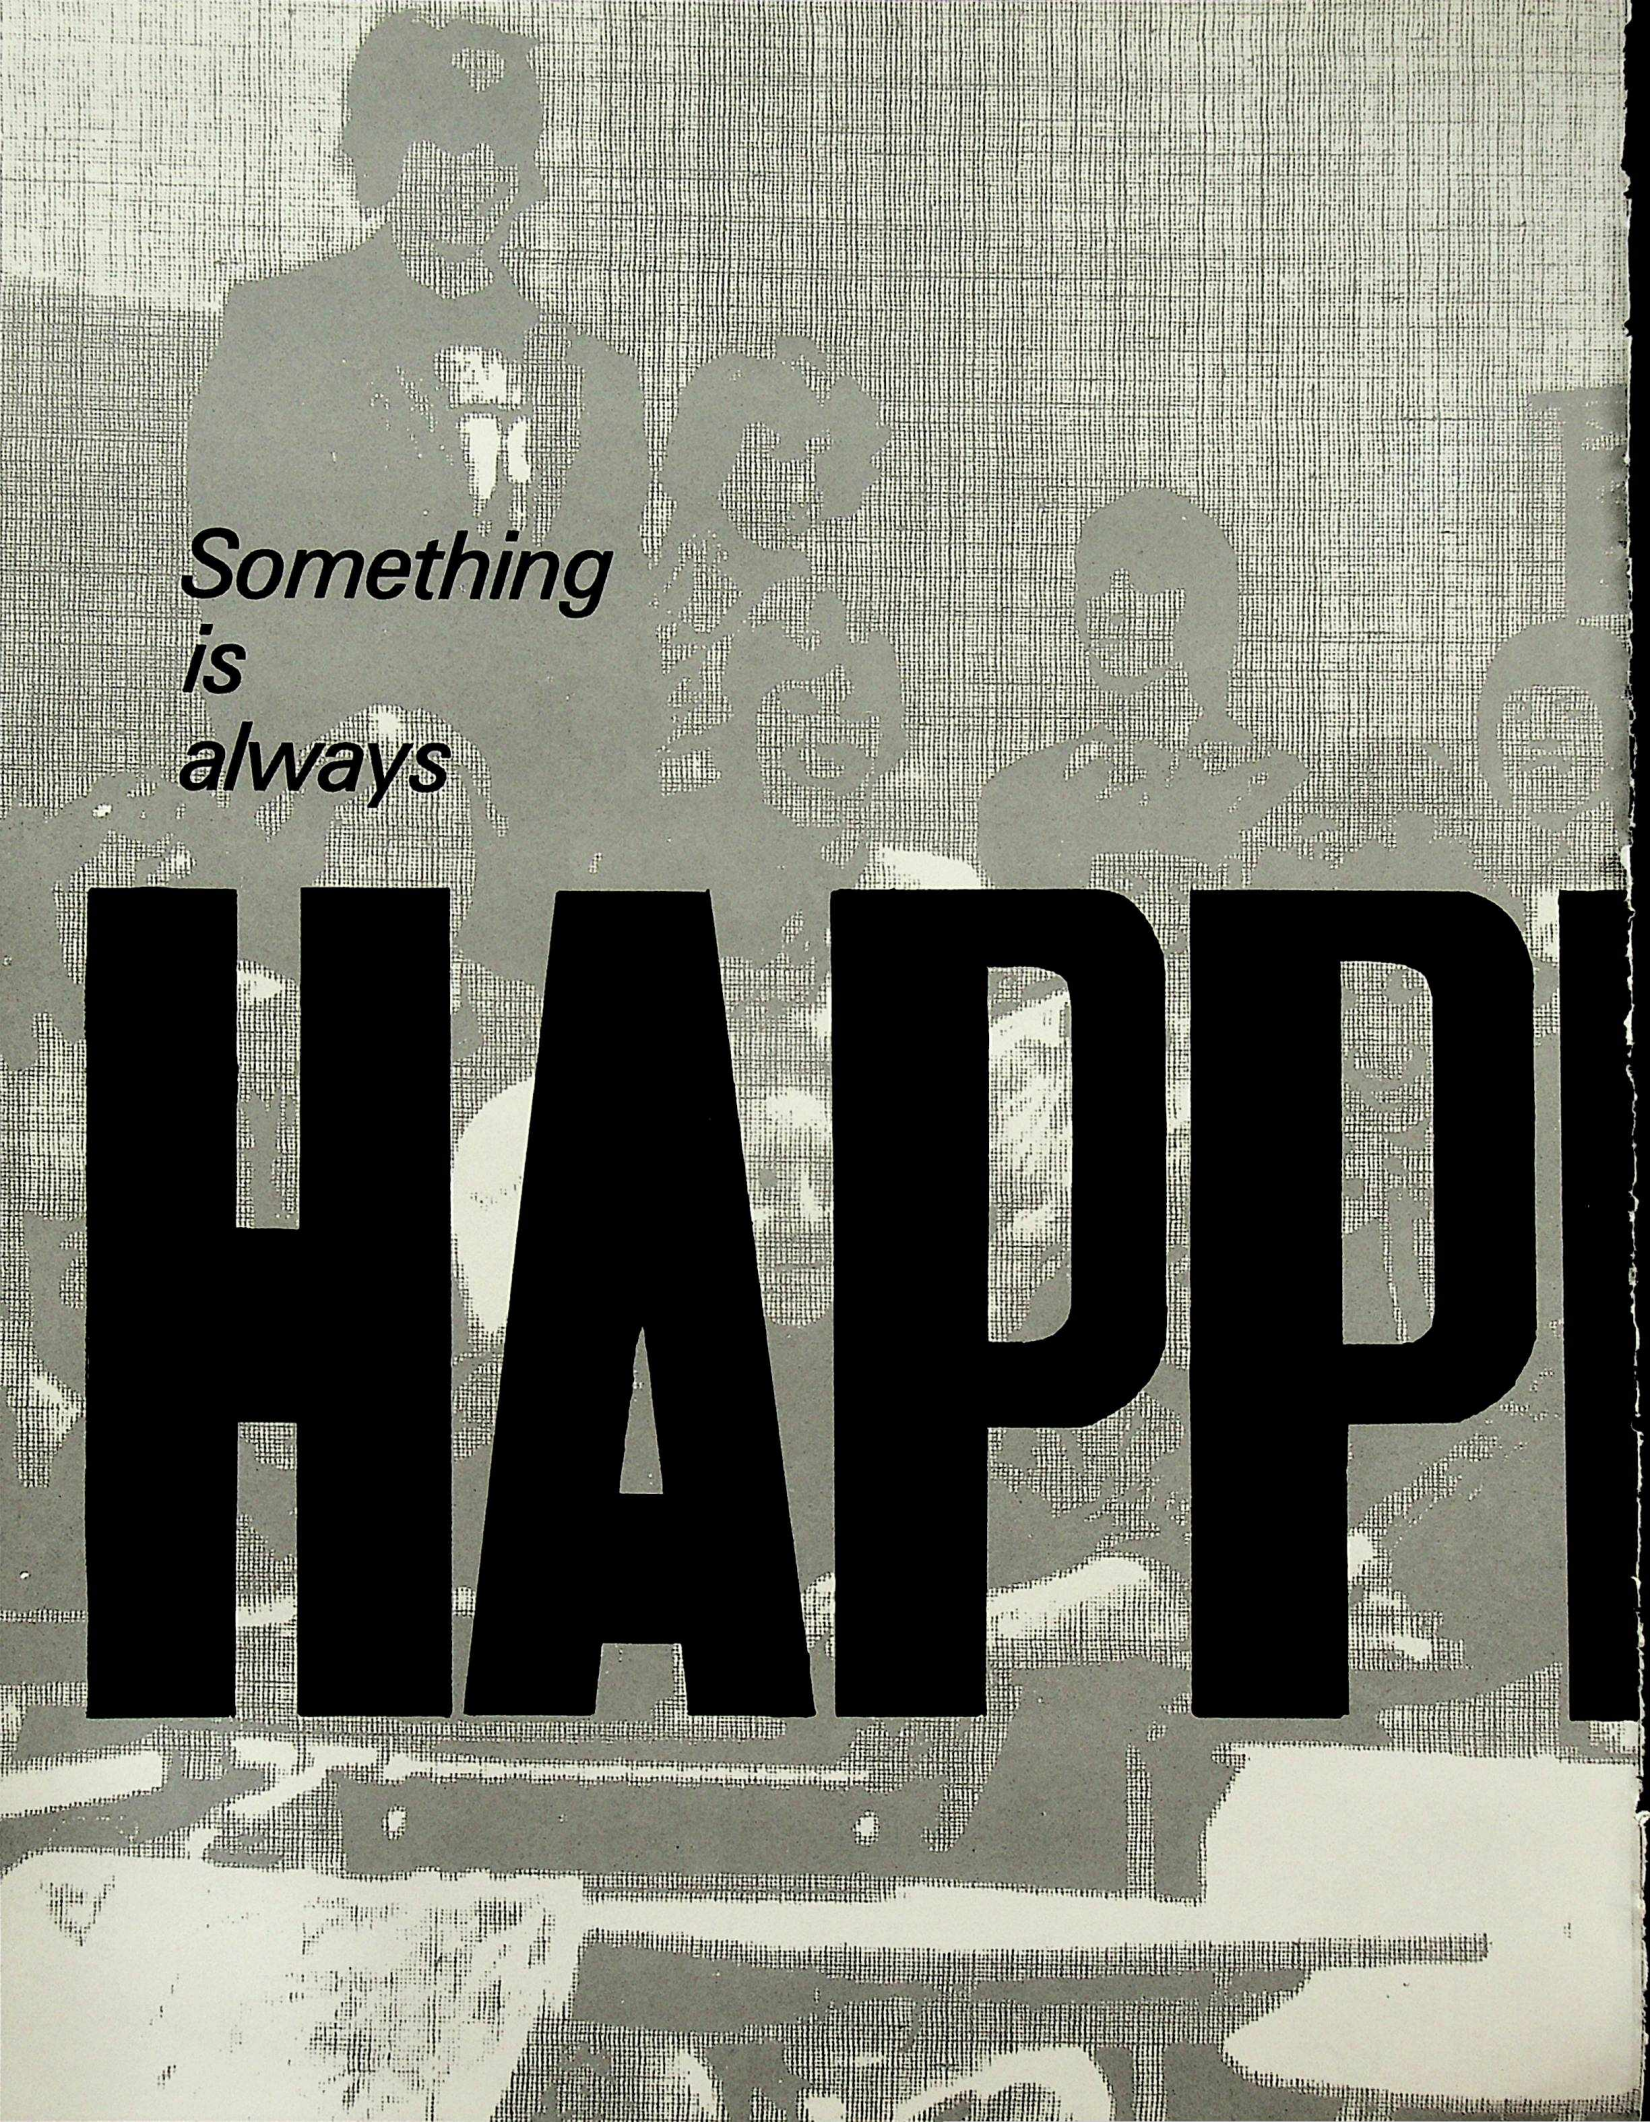
for helping and co-operating, for being there when you're hurt, or broke . . .

. . . but mostly for being there to talk or to listen, and for standing side by side — making memories.









Something

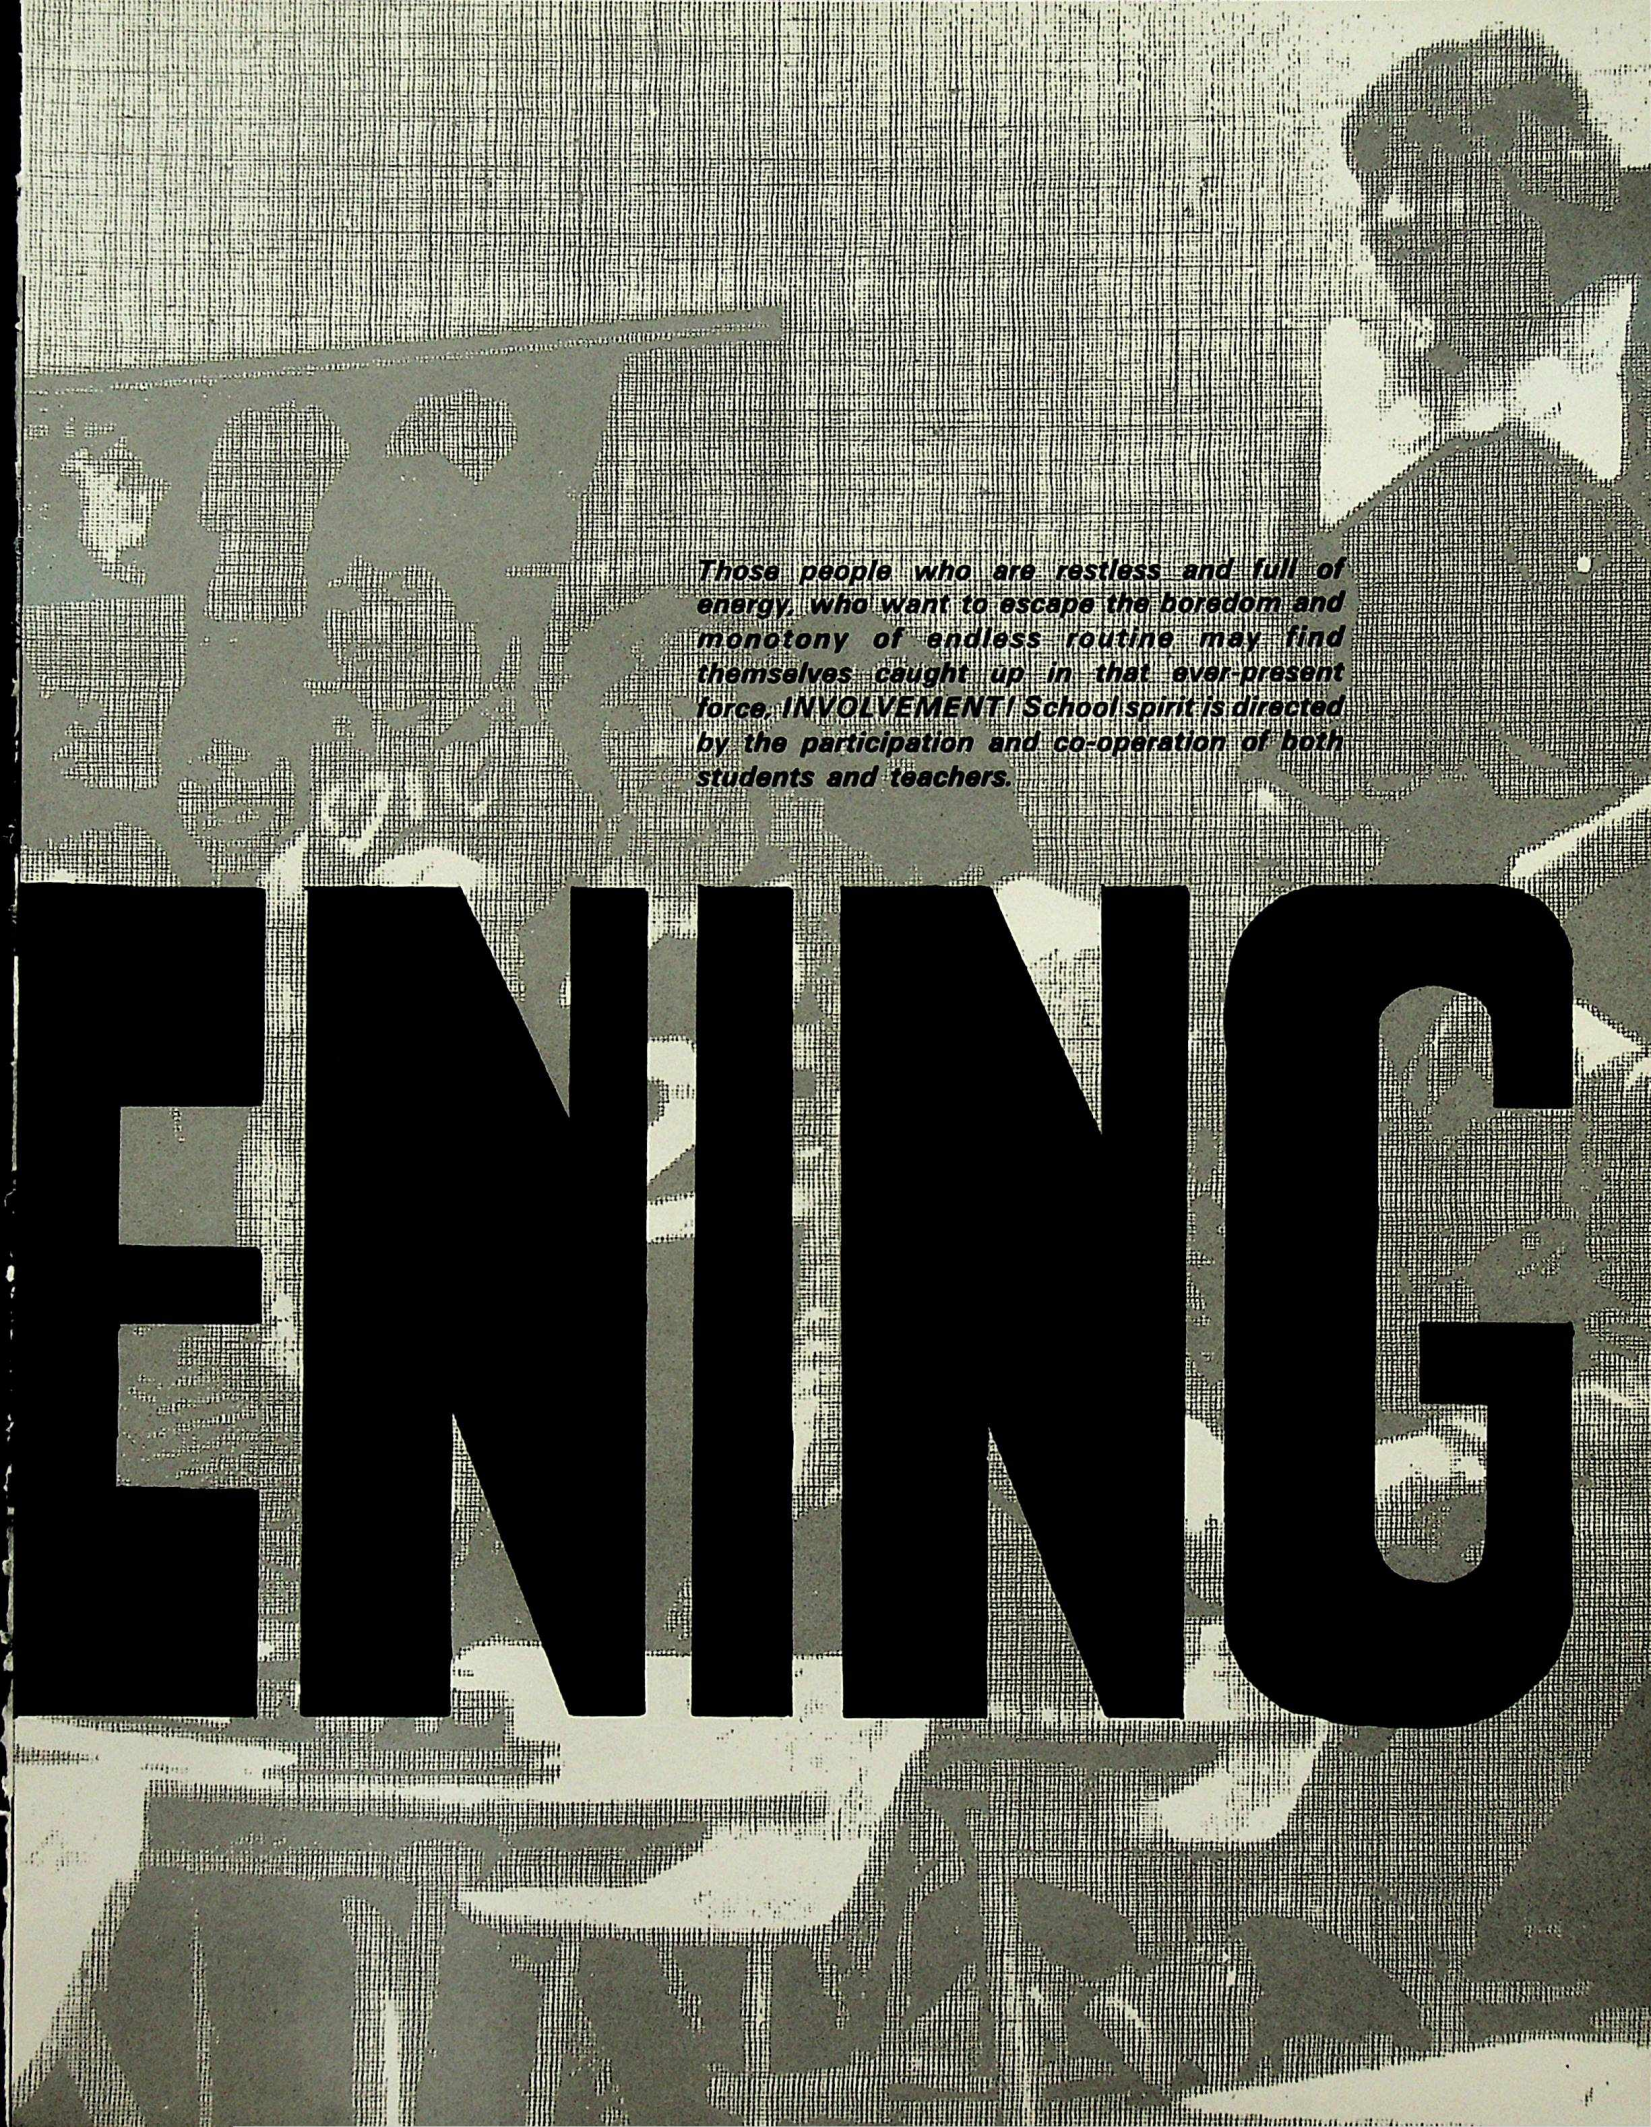
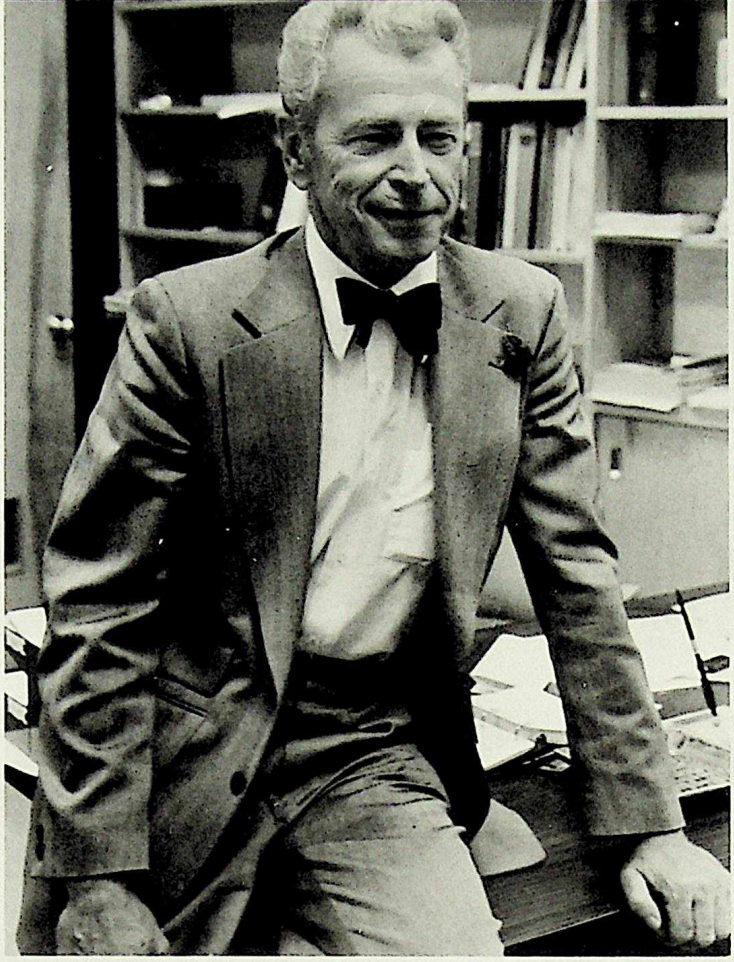
HAPPI

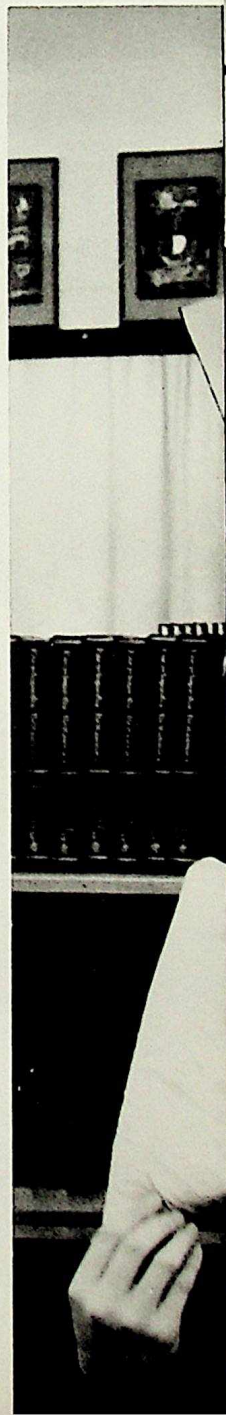


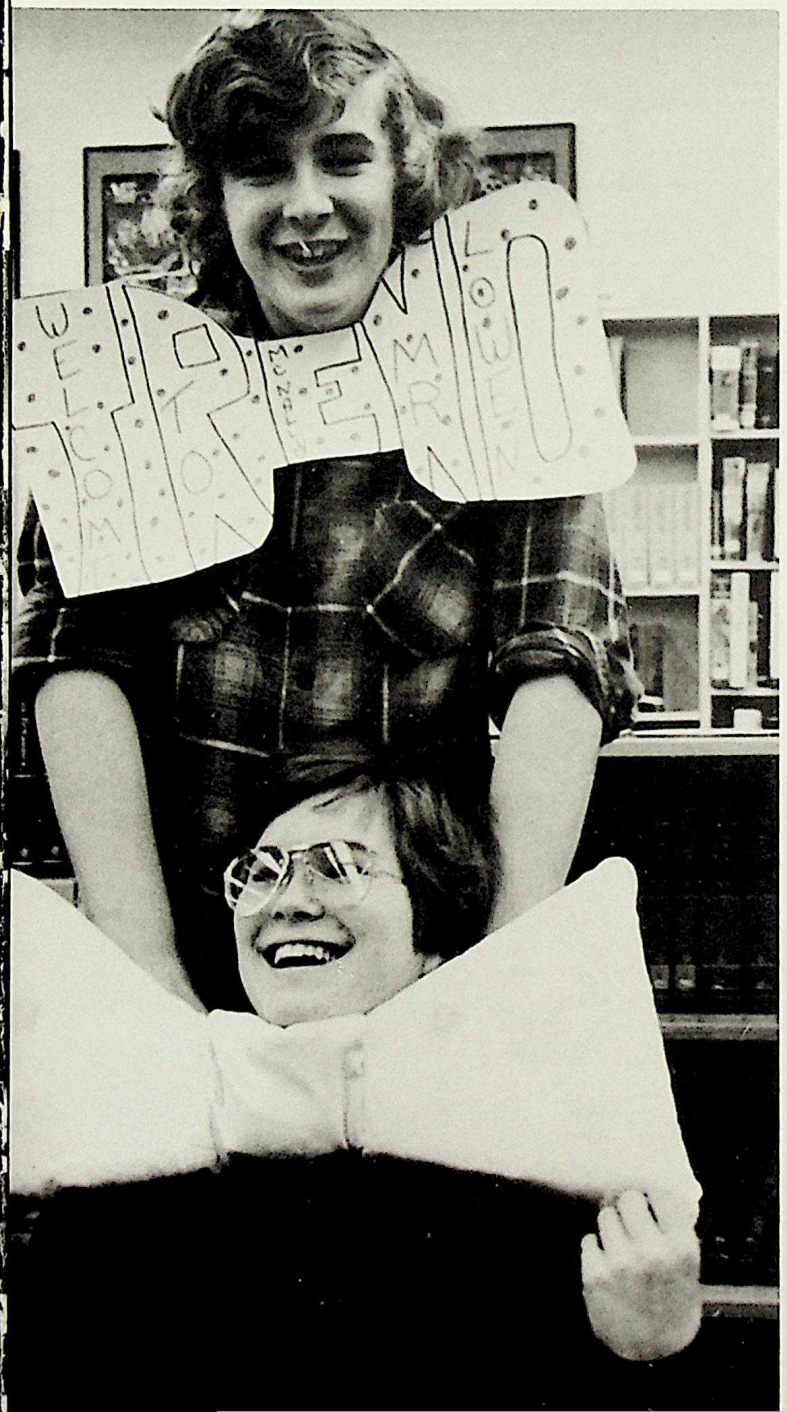
Those people who are restless and full of energy, who want to escape the boredom and monotony of endless routine may find themselves caught up in that ever-present force, INVOLVEMENT! School spirit is directed by the participation and co-operation of both students and teachers.

ENING

MR. LOEWEN DAY





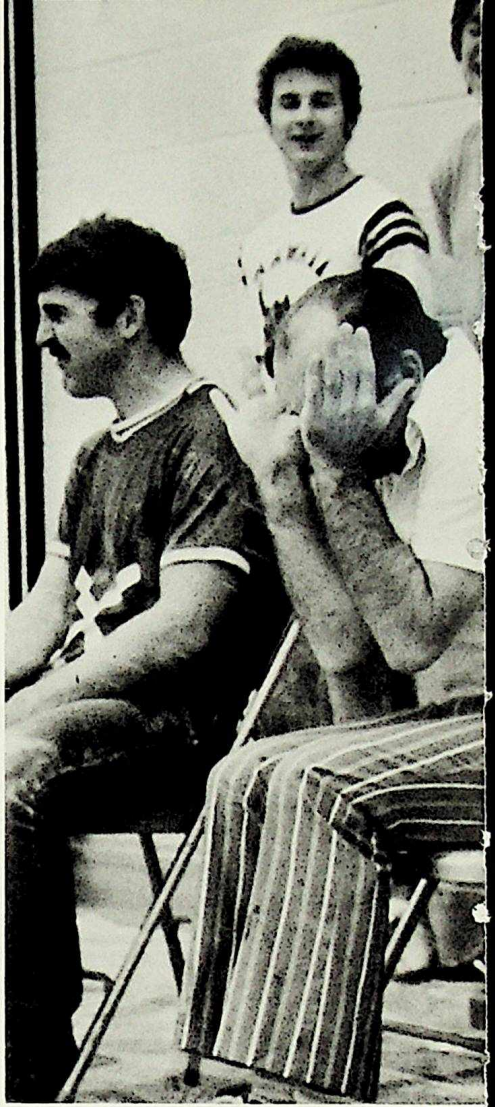


This year, one of McNally's additions was a new principal, Mr. Loewen. He's not hard to recognize: tall, usually in a grey suit, and, of course, the ever-present bow tie. December rolled around and he still hadn't received an official welcome, so a group of students decided to organize one.

It must have been a real shock for him to walk in one morning to find that virtually everyone — office staff, teachers, students — was wearing a bow tie! Ties ranged from the tasteful to the really bizarre; and at the general assembly at noon, Mr. Loewen picked the most original tie of them all. Mrs. Loewen was invited to see her husband presented with a motorized model race car — painted in McNally colors, of course. (We've heard reports of staff peeking into Mr. Loewen's office and seeing the car zipping across the floor!) After the assembly, Mr. and Mrs. Loewen and representatives from various student groups were treated to a cheerleader escort down to the cafeteria where a specially prepared luncheon was held in honor of the day.

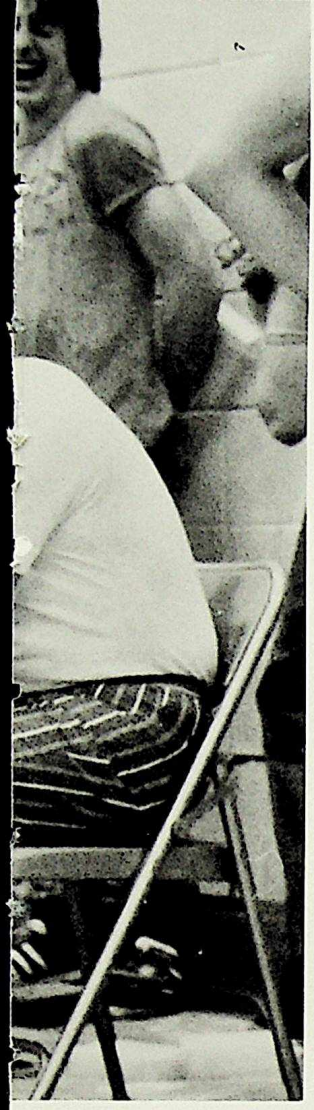
All kinds of people came to watch the Sadie Hawkin's activities this year. A lot of guys came out to see which girls would dare show off their muscles in the arm wrestling competition. Everyone enjoyed picking the best Sadie look-alike, and watching girls trying to shave balloons was a real blast! For the most part, the guys stood around and cheered (or laughed), but they did get to join in on one event — the beer guzzling (rootbeer that is). The best part of the whole thing was that people dressed up, got involved in the fun, and had a great time!

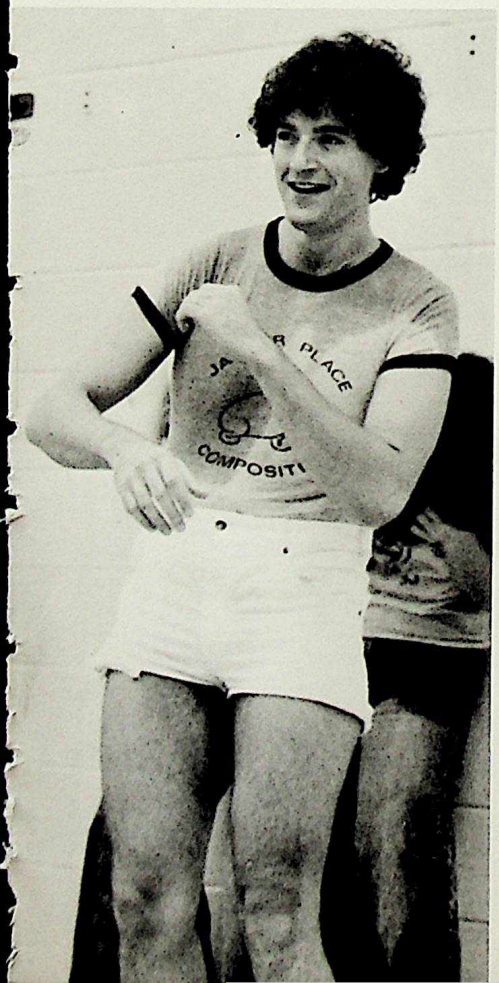
SADIE HAWKIN'S DAY

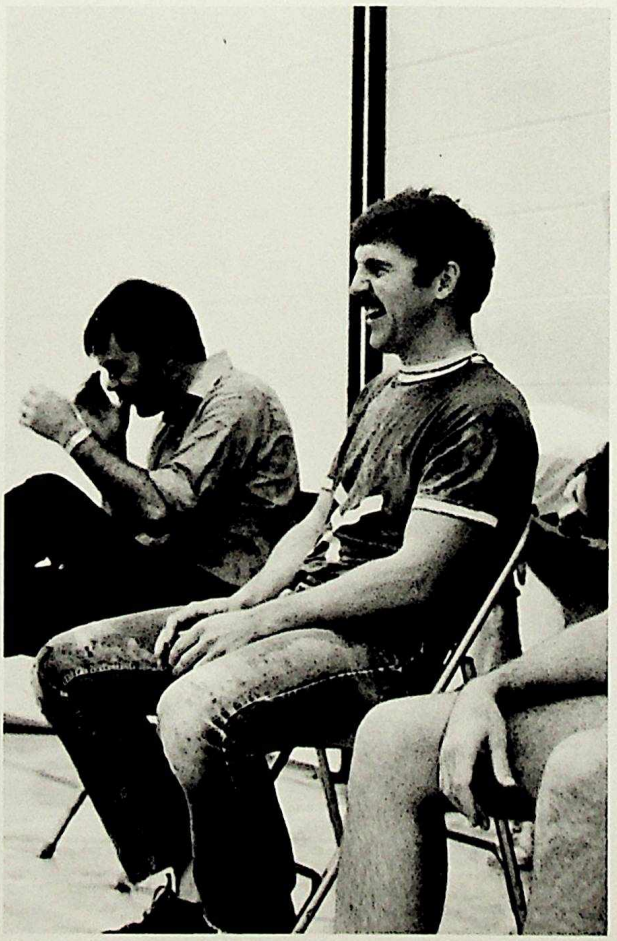


One of the last C.A.C. (remember the Cultural Alternative Conspiracy?) events ever to be held at McNally was the famous McTurkey Shoot, to commemorate Thanksgiving Day. Brave students and teachers volunteered to be turkeys while not-so-kind people threw soggy sponges at "turkeys" of their choice. The funds raised by this event were donated to U.N.I.C.E.F.

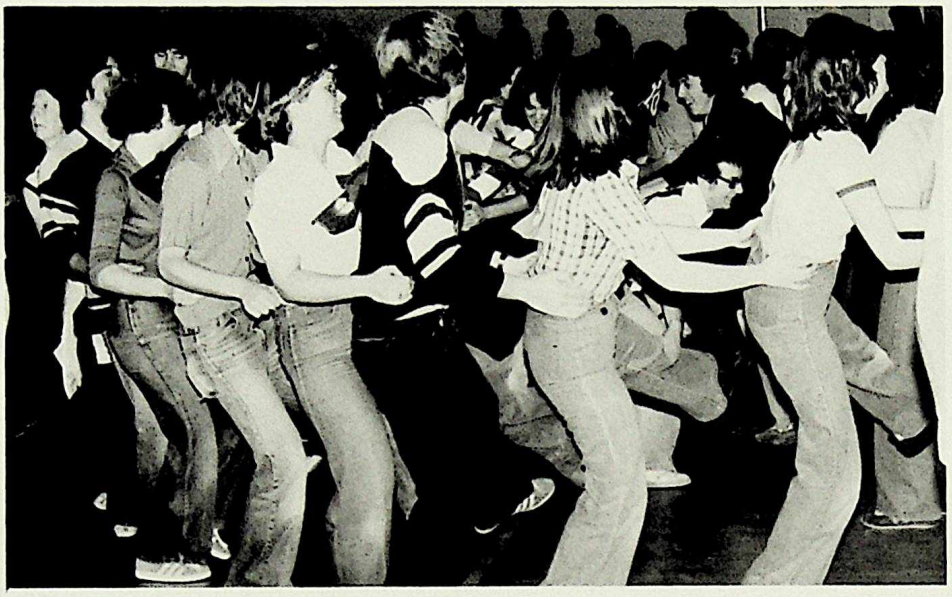
McTURKEY SHOOT

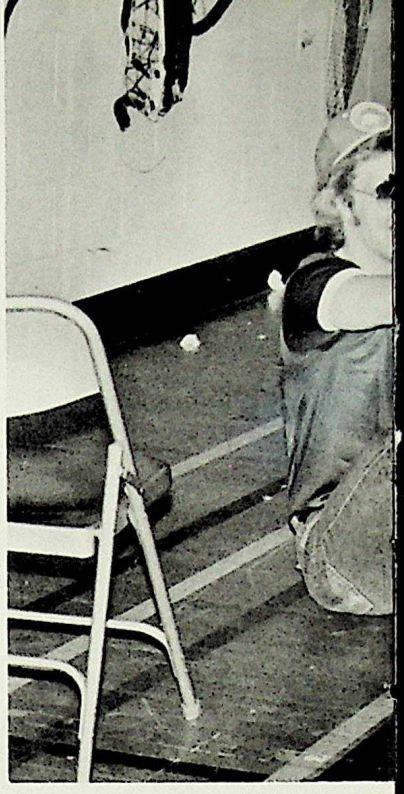


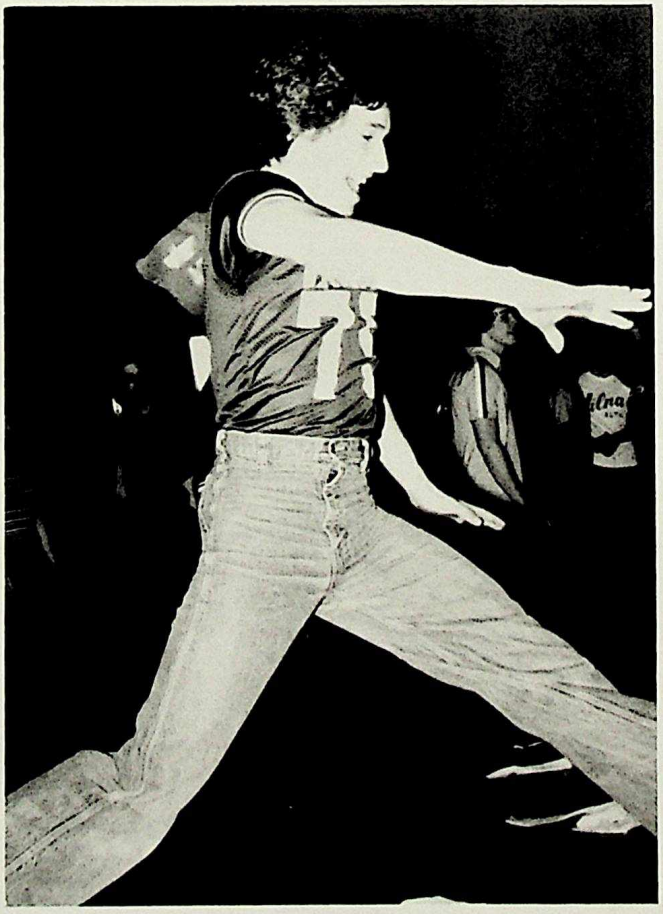


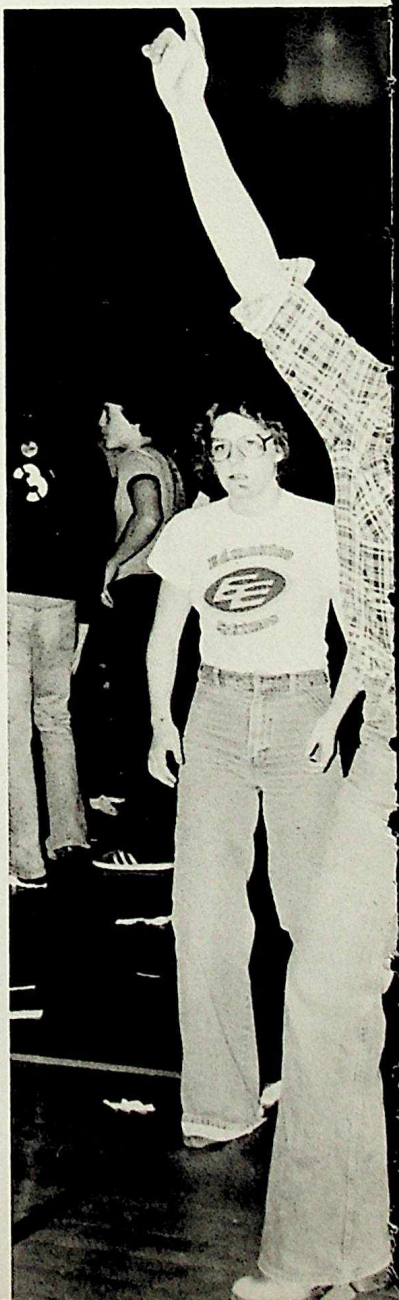


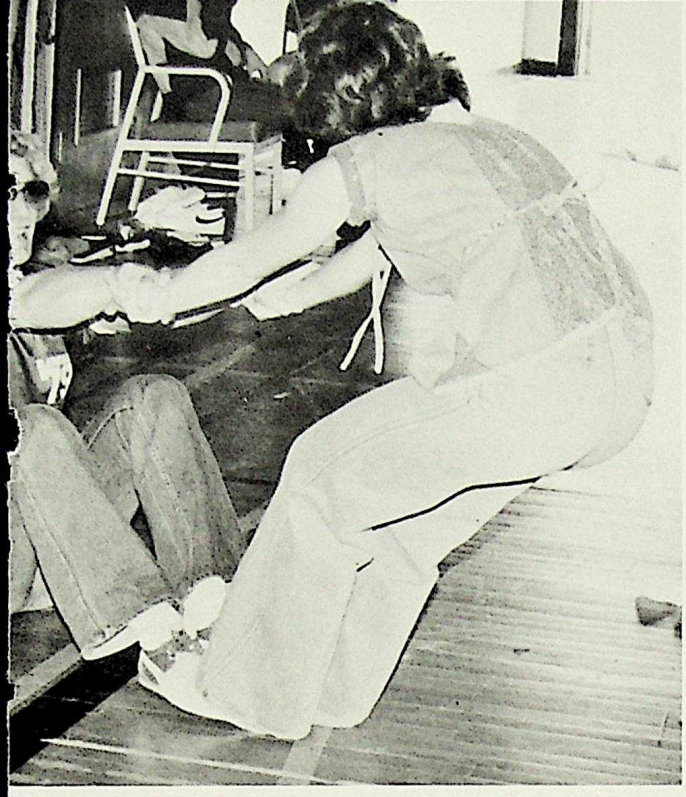
DANCE-A-THON III



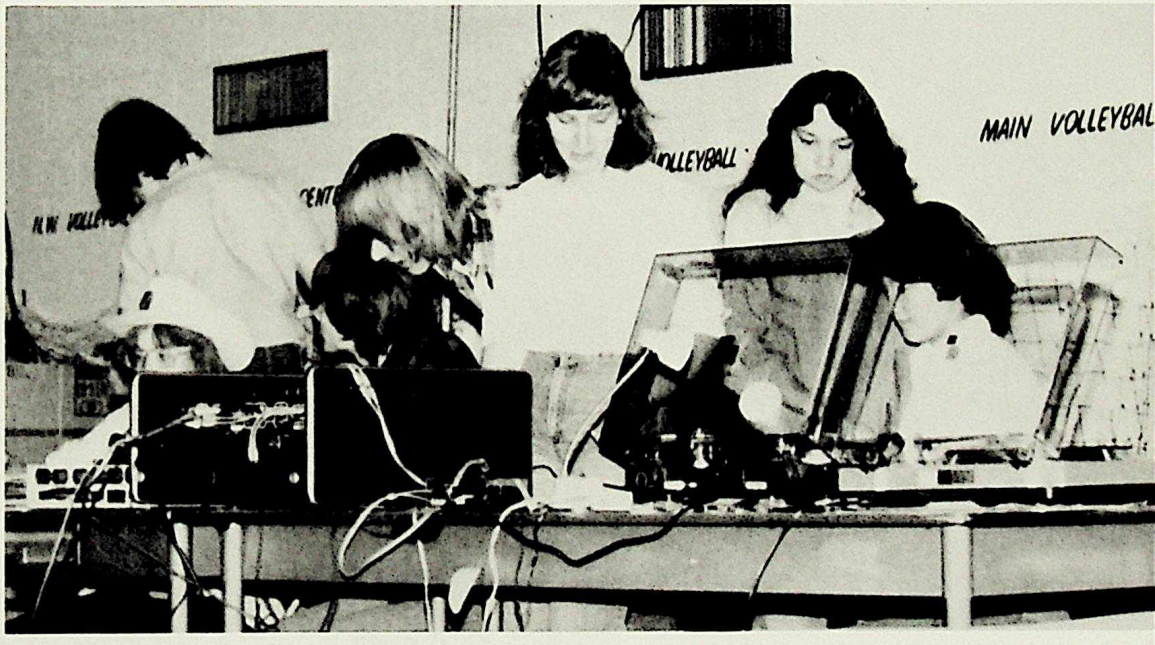








The Dance-a-thon held on March 8, 1979 was a huge success. More participants than ever made it through the 15-hour ordeal. Total pledges equalled $2000. This money will be used for a variety of student needs. Congratulations to a great committee headed by Don Millar and Dan Plumb!

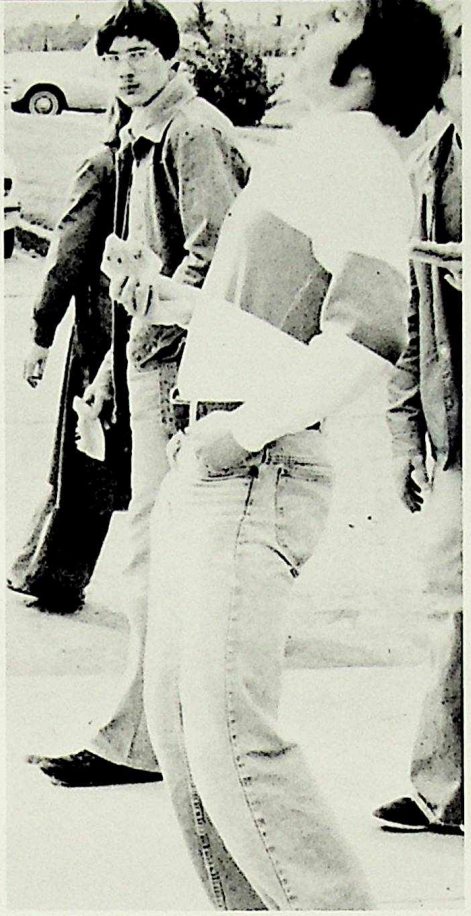


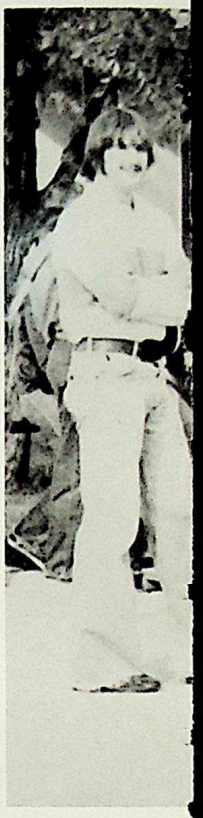
WATERMELON SEED SPITTING

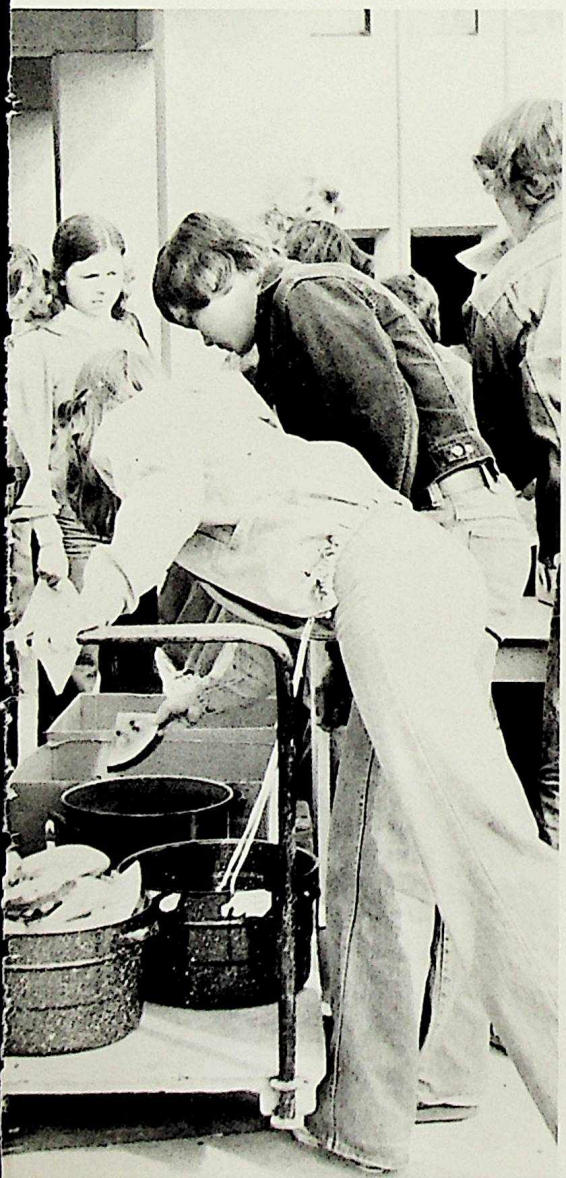
Every fall, the brilliant minds of McNally students gather together in front of the school to spit watermelon seeds — and a lot of people did! Even some of the faculty got in the act.

There was lots of watermelon to be had for free . . . if you were willing to spit your seeds while everyone else watched. Most students sat out on the fence to watch the many various styles of seed spitting.

It's McNally's individual way to spend a noon hour enjoying warm weather.







SWEAT

CHESS CLUB

Unlike previous years, the 1978-79 edition of the chess club was a well-organized, successful club. As well as having their own inter-school tournaments, the chess club participated in the O'Leary Open Chess Tournament, finishing a close second to Ross Shep. The club is also planning on holding the first ever McNally-Hardisty Invitational Chess Tournament. Also in the planning stage is the McNally Open, a tournament open to all students in the school, probably to be held in June.

ELECTRONICS CLUB

BACK: Brian Holm, Ivors Finvers, Alan Martell. STANDING: Bryon, McCarthy, Brian Kozak, Jody Palmer, David Pentyluk, Mike Heschuk, David Tam, Gord Vandam, Bill Gellatly, Jim Bauer, James Slevinsky, Blaine Maber, Randy Dorosh, Larry Bauer, Darrell Vandenberg. SITTING: Mr. Bauerfind, Richard Peter, Ken Deeprose, Scott Metz.

The McNally Electronics Club is a new club this year. Consisting of thirty members, the club meets every noon hour. Some club members build electronics equipment, while others occupy their time by writing computer programs on various club computers. Projects built by the club this year include five computers, two robots, a video monitor, and a stereo amplifier.

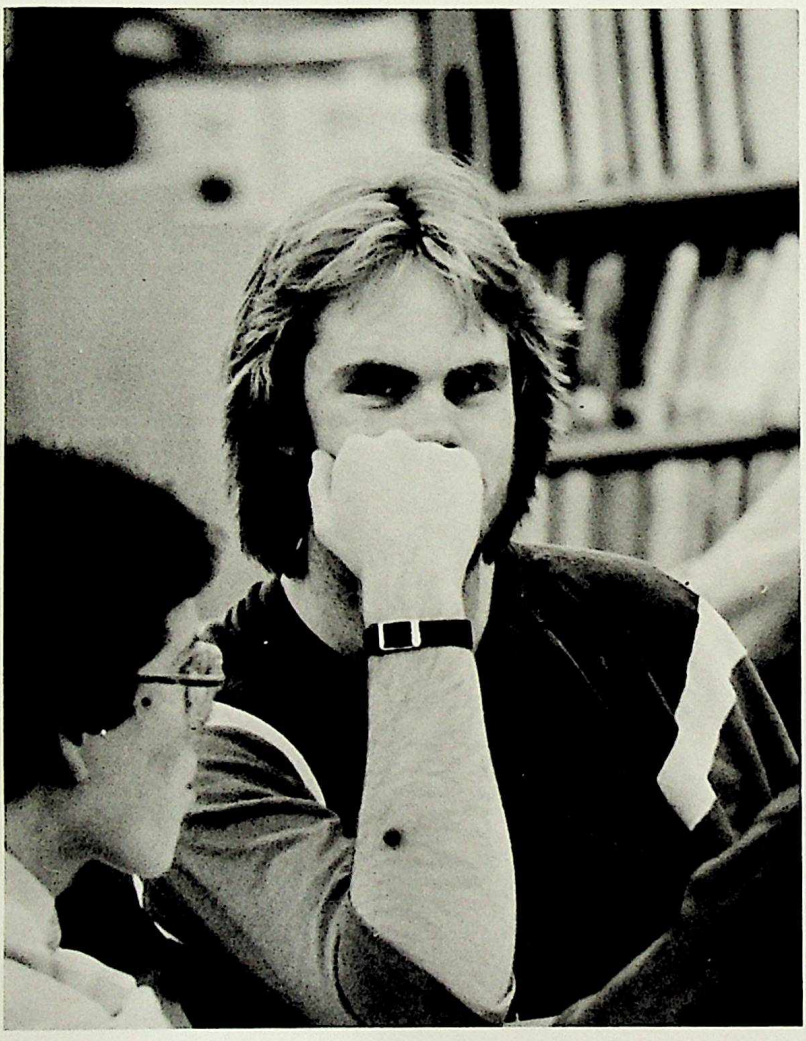
DEBATING

NcNally again had a successful year in debating. Nine members made up the Debate Team — Jim Trofimuk, Sandra Yacyshyn, David Peet, Brian Yacyshyn, Lynn Martin, Harold Yacyshyn, Don Millar, Lynne MacLean and Rob Kruhlak. Some of the highlights of the year's activities were:

1) *CFRN TV DEBATES — David Peet and Jim Trofimuk competed as far as the semi-finals.*
2) *WINSTON CHURCHILL DEBATES — All members did well and received medallions for their victories.*
3) *ROSS SHEP INVITATIONAL — Again all team members did well, with Don Millar and Rob Kruhlak winning the Beginner Class against teams from Alberta and Saskatchewan.*
4) *McNALLY LAW SEMINAR — McNally hosted a tournament which drew debaters from all of Central Alberta.*
5) *REGIONAL DEBATES AT ATHABASCA — Three of McNally's teams qualified for the Provincials. Rob Kruhlak was chosen the 2nd best speaker in the Beginner Class with Don Millar third.*
6) *PROVINCIAL DEBATES AT ROSS SHEP — The team of Kruhlak and Millar won two of their qualifying rounds and the team of Sandra and Brian Yacyshyn won all three of their qualifying rounds. Brian and Sandra went on to compete in the semi-final round — thus are considered the third best team in Alberta.*

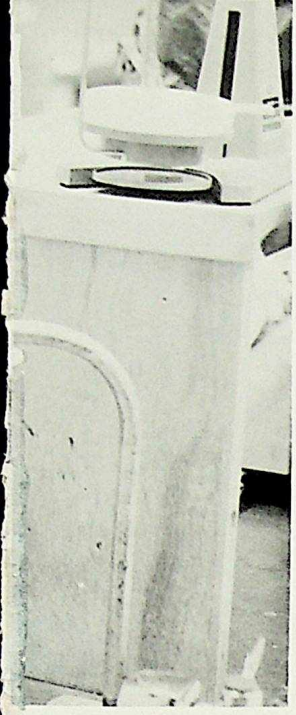
Well Done Debate Team!

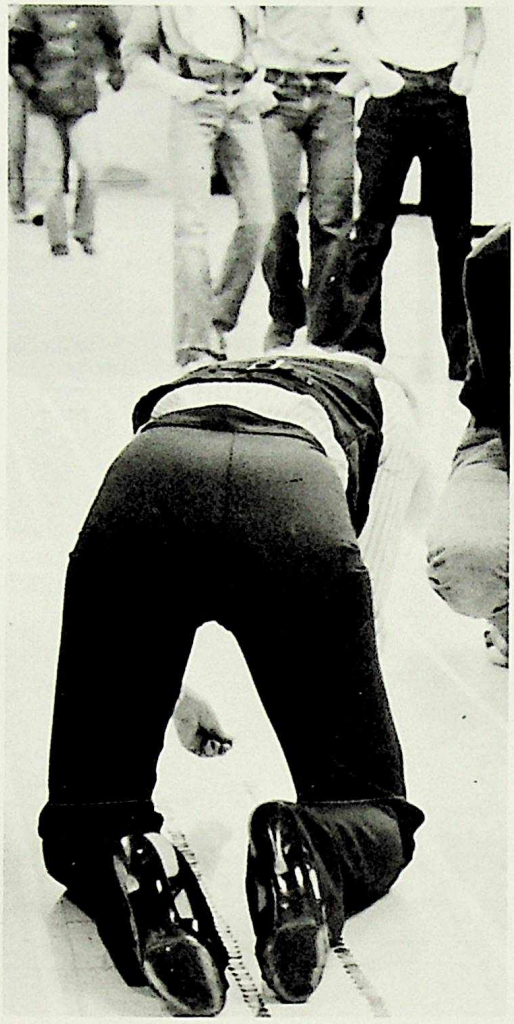
"Look, it's multiplying!"



"Nope, I'll have to try one finger at a time."

Believe it or not, this is one of her better moods!





What a view!!

BADMINTON CLUB

Badminton can be hazardous to your health — just ask the McNally students from all three grades that gather on Friday noon hours to play the game. They had hoped to join interschool competition, but the club was organized too late in the year. Instead, members are working out so that they'll be in top form for next year.

Sore arms (and other injuries received in falls from human pyramids) never deter these people from sweating it out and having fun doing it.

The gymnastics club began in December with its membership averaging between 15 and 20 people. Happily, we kept that enrollment fairly well up. The members worked 2 days a week, practicing individual skills and skill sequence. These led the gymnasts to a skill level high enough to compete in a mini-meet held in March. Two of the gymnasts competed in City Finals. Shelly Tchir took a gold medal on the balance beam, 5th in floor exercises and 6th in the uneven bars. Tana Charbonneau finished 5th in the bars and 6th on the balance beam. Both girls represented Edmonton in the Provincial meet in Calgary. The club also worked on a black light display that was a smashing success at McNally's first Open House. We are looking forward to next year!

HIKING CLUB

The McHiking Club, the club that went and is going places twice a year! During the year the club members discuss the trails, flora and fauna that are in the Canadian Rockies. Members also learn about the various types of equipment that are needed on a hike (boots, tents, etc.). Last spring the club went on an expedition to Jasper National Park. This fall the club will be returning to Jasper to conquer the Palisades Trail.

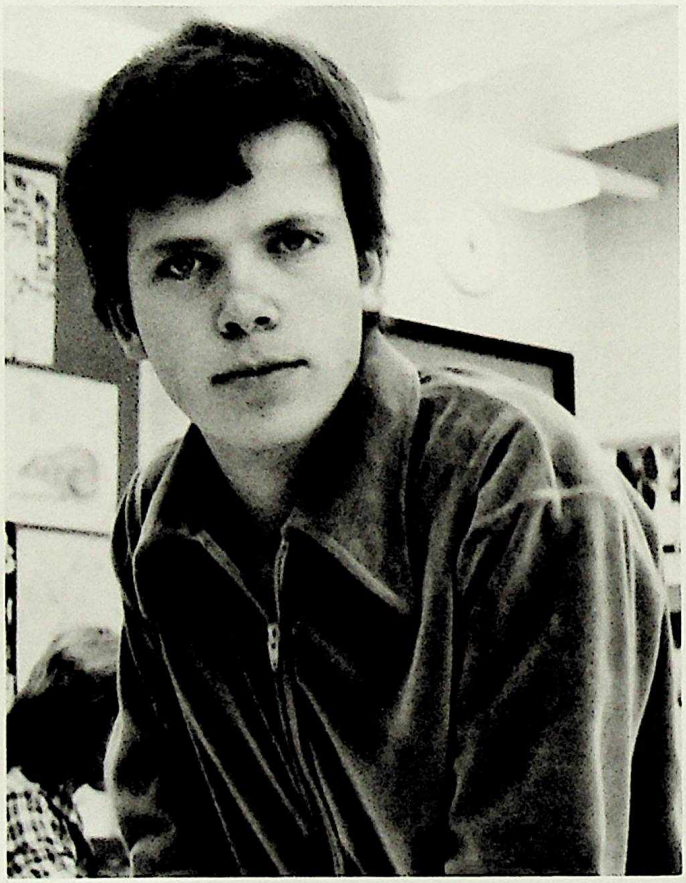
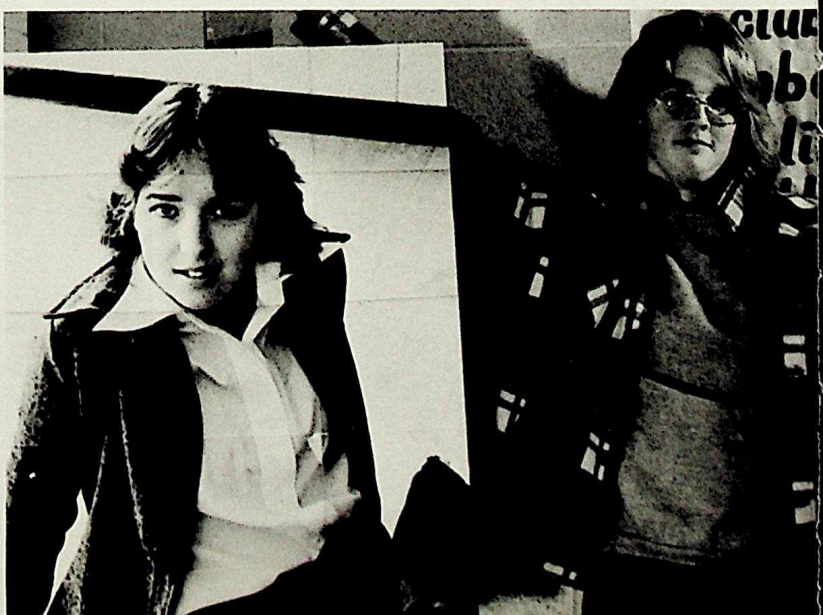
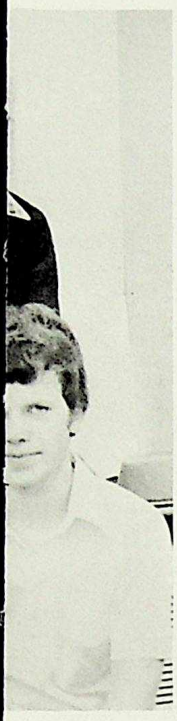
YEARBOOK STAFF

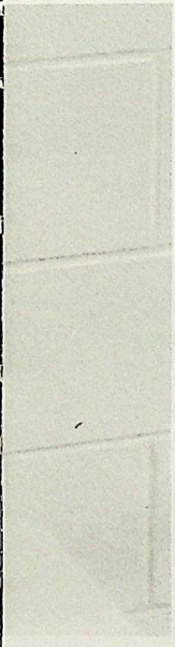
1979 has been a very interesting and exciting year and we've thoroughly enjoyed putting it down on paper. Enjoyment was a big part of it — but so was late copy, ruined and lost pictures, arguments over what brand of camera is best and over what to put where, meeting deadlines (We really did!), and trying to match faces to seemingly nonexistent names. At any rate, here it is and we hope that '79 Trend is something you will enjoy in years to come.

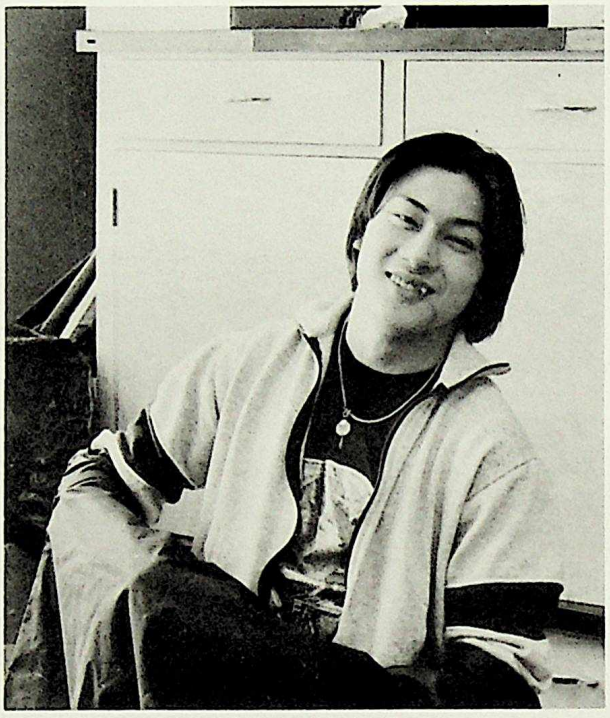
Back: Karen Mayne, Jenny Poon, Laurie Sokoluk, Phil Wong, Allan Mitchell, Wendy Farris. Front: Donna Christiansen, Lynne MacLean, Ian Eagles.

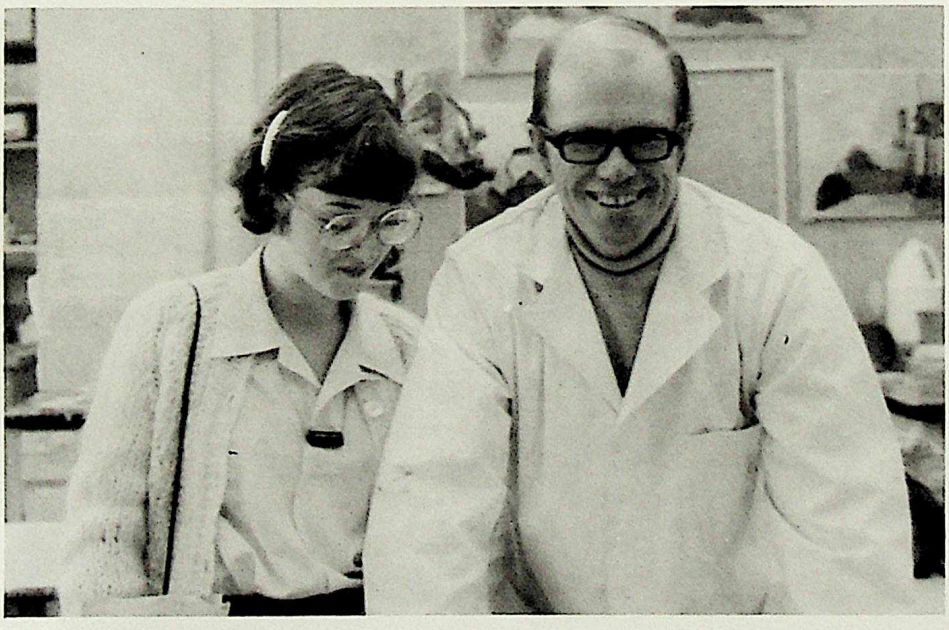


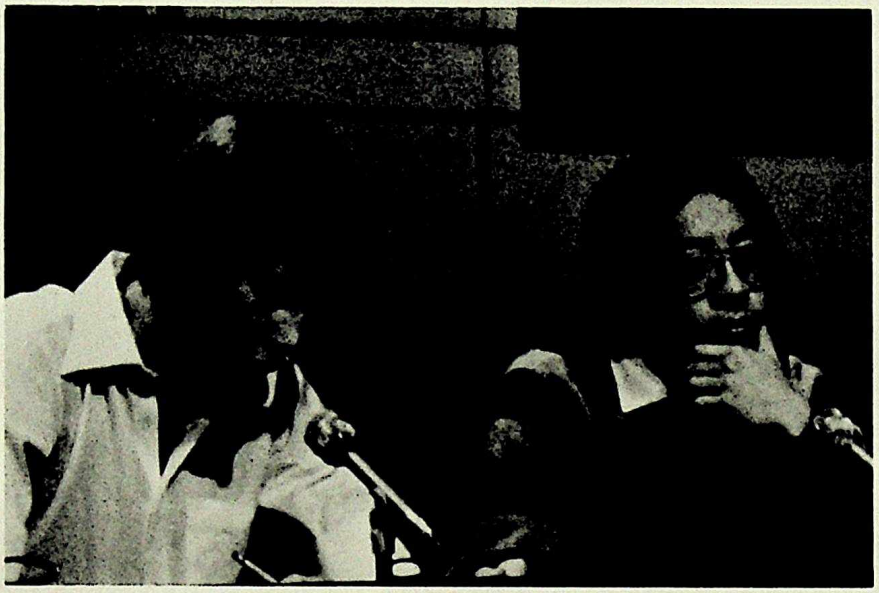


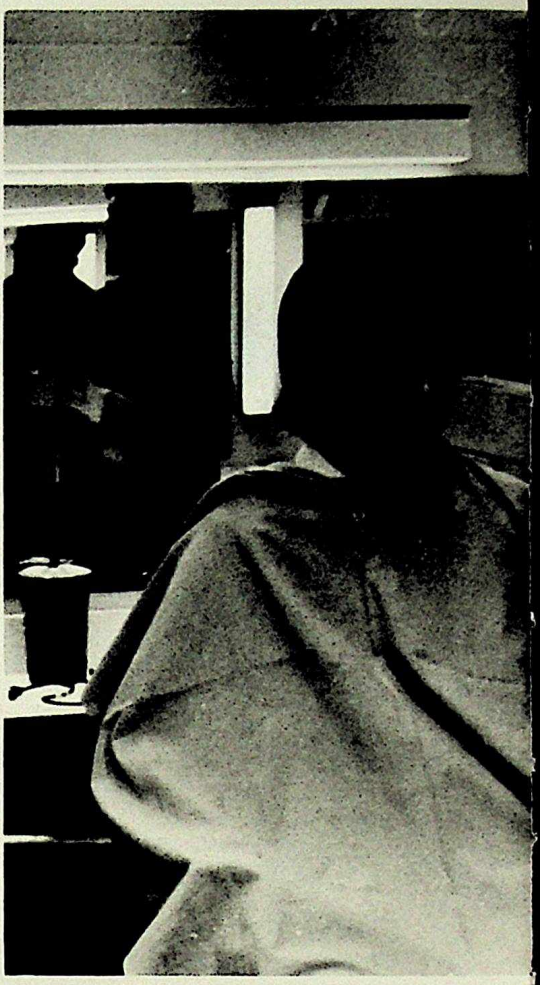




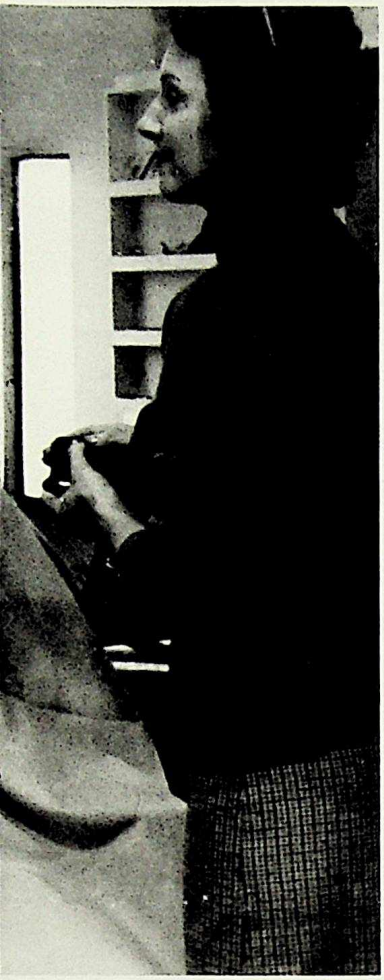








REACH FOR THE TOP



McNally again participated in the CBC TV competition. This year's team consisted of Cathy Anderson, Dewey German, Roger Poon, and Brian Hohm; with Richard Samborsky as the alternate. McNally lost the closest game of the series 320 to 315 to the Salisbury Team. Not too shabby — having to answer questions like: Name the longest snake in the world or what is an oleander?

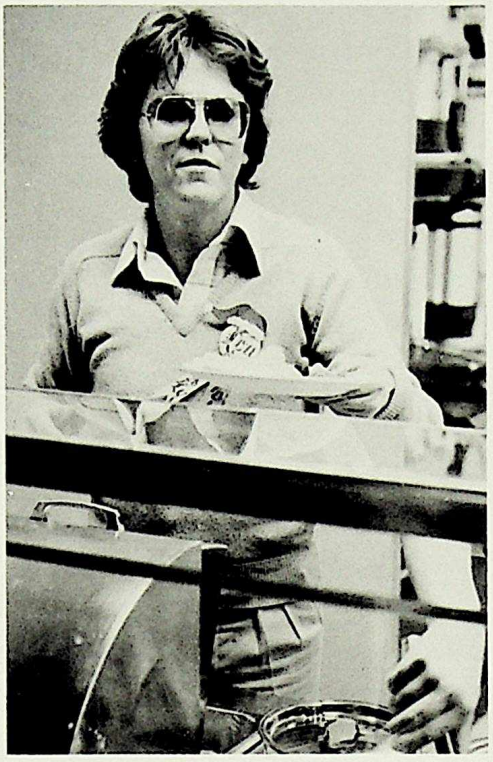
STANDING: Darren Dalmer, Sue Rogerson, Lorne Sear, Ruth Pearson, Gwen Riis, Mike Pollard. KNEELING: Mrs. Berry.

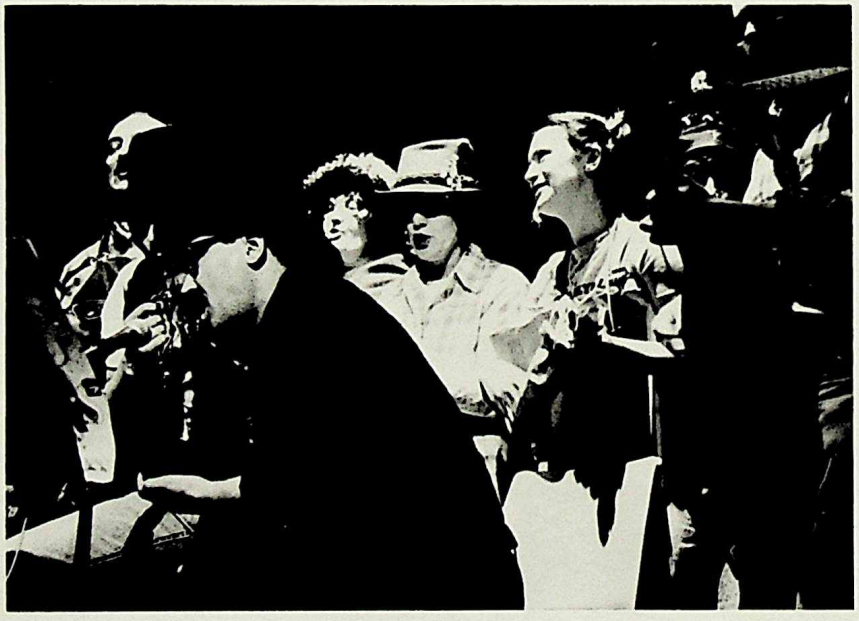
DRAMA CLUB

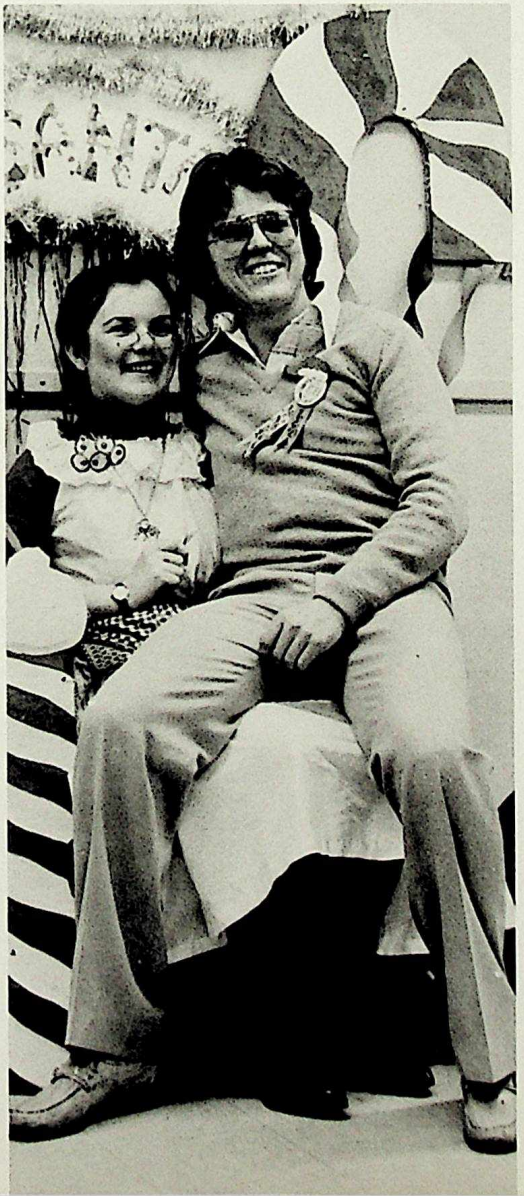
Strange people lurking the halls and hideous sounds coming from room 102 are just some of the antics of the Drama Club. Perils of Pearl and Three Sketches from a Broadway Review are the productions that have been put on this year thus far. At the time of this publication another show was being planned.

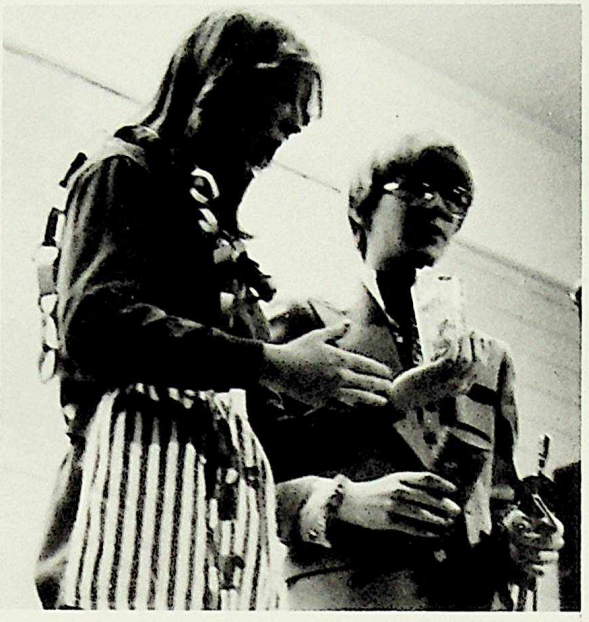
CHRISTMAS LIT. & PANCAKE BREAKFAST

McNally's Annual Christmas Lit and Pancake Breakfast were a roaring success again. Len Theusen was this year's guest chef and received McNally mugs as his Christmas present from Santa. Kisses could be had from Santa along with a picture and even Mrs. Claus dropped by. The Lit had a variety of acts ranging from The Chipmunks doing their thing to the I.A. people transferring themselves into bellybutton people. A good time was had by all and everyone went home in "good spirits"!









SCIENCE CLUB

The McNally Science Club this year worked on several minor projects such as laser light experiments and cathode ray experiments, but concentrated mainly on the development of a functional mass driver, (a device designed to accelerate low mass projectiles). Through this project the members gained many insights in the realm of the physical sciences.

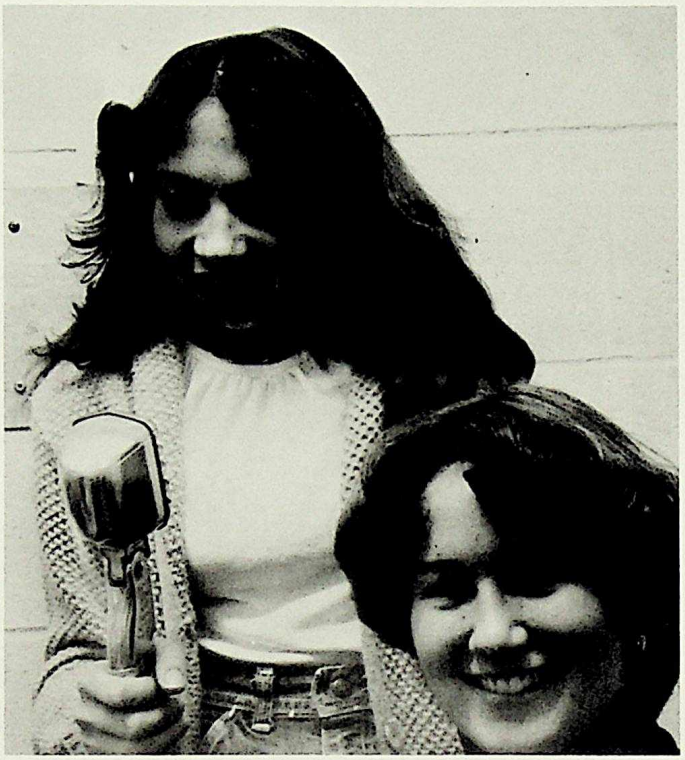
Dale Ozdoba, David Peet, Jim Bauer, Harold Yacyshyn, Brian Yacyshyn, James Slevinsky, Ken Westra, Larry Bauer, Mr. Glasel.

GRAPHICS CLUB

The Graphics Club provides opportunity for any student to use the Graphic Arts Area for projects in silkscreening, photography, letterpress printing, and offset printing. The Club prints T-shirts, posters, business cards, or letter head paper on request for the cost of materials and supplies. This year we printed T-shirts for the dance-a-thon and a number of other school projects. Overall we had a very fun year!

BACK: Darryl McTurk, Barry Wiskel, Martin Bishop, Scott Metz. FRONT: Mr. Leenheer, Sadiyeh Ibrahim, Pat McIntosh.

RADIO CLUB



Have you ever seen people dancing down the halls and wondered why? Well, the Radio Club could be one cause of this very different behavior. They play all sorts of music over the P.A. system during the noon hours.

THE McNALLY TIMES

Mrs. Dodds — Typist, Mrs. Fadden — Printer, Mr. R. Davies — Editor, Lynne MacLean — Reporter.

The bi-weekly school paper made its first appearance this year. This publication is designed to inform and entertain McNally students, parents, and teachers with its brief, easy-to-read four-page format.

This past year proved to be interesting, fun, had a few crises, and was seldom boring. It got off to a slow start as far as the Students' Union was concerned because of the teachers' strike. Our first dance was cancelled, but we did manage to carry out some activities for this year's frosh.

Sadie Hawkins activities, Santas Anonymous, and Valentine's Day activities followed, and all met with success. Of course, the Dance-a-thon took place and again turned out well. At this time the S.U. is looking forward to a few more activities like the McGong Show and Western Days. We also got involved in a few major decisions this year like the closing of the smoking areas.

I don't think it's necessary to run through all the things the Students' Union sponsored or was involved with this year. We did our best to get many people involved, and if those people had a good time I think we succeeded. Mr. Lindenberg, our staff advisor, deserved a lot of thanks from all of us for his help this year and I'd like to wish the best to next year's Students' Union.

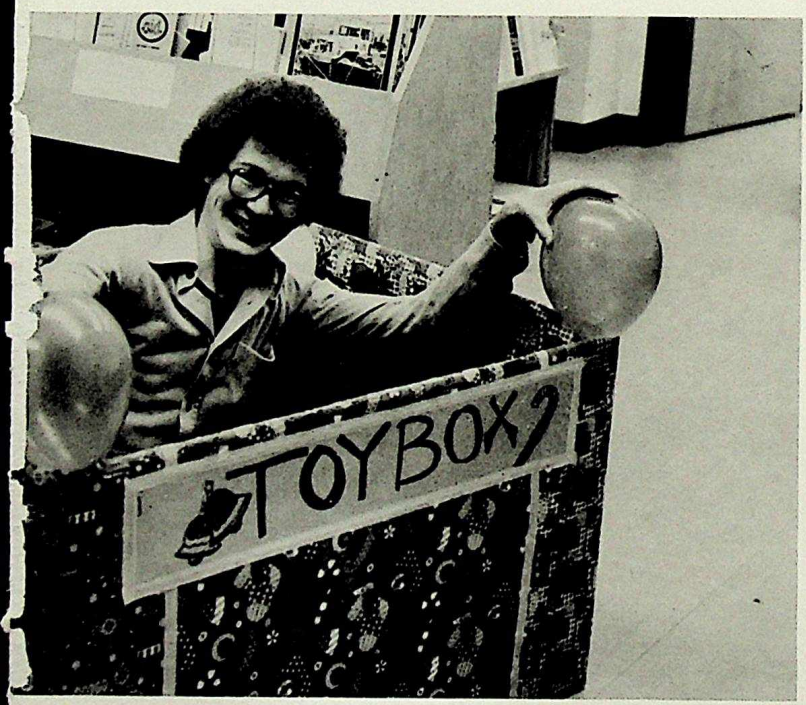
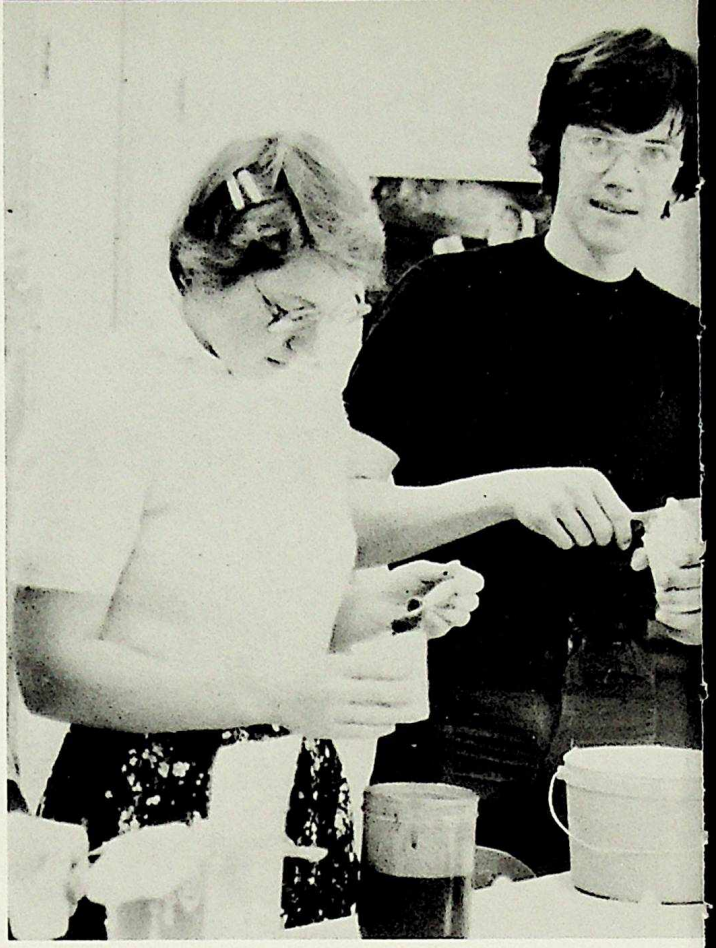
Warm Fuzzies!

"YEE HAW!"



"I thought you said the 'Toy Box' was a disco!"

"Standing on the corner, watching all the guys go by. . ."



The I.S.C.F. Club of McNally is alive and going strong. Our president for the year is Dan Hollemeyer and the vice-president is Peter Dyck. We have had a tremendous amount of help from our in-school sponsor, Mrs. Adolph and our out of school sponsor, Neil MacLean. The year has been dotted with Bible studies, activities, planning meetings, camps, and various other crazy things we may come up with. Our main function as an I.S.C.F. Club is to make Jesus Christ known throughout the school.

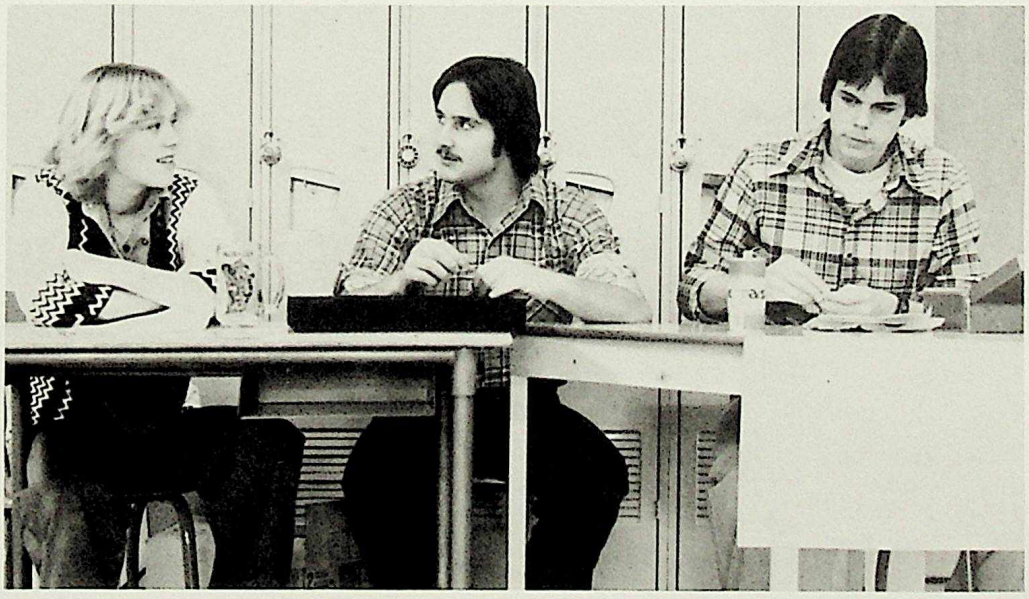
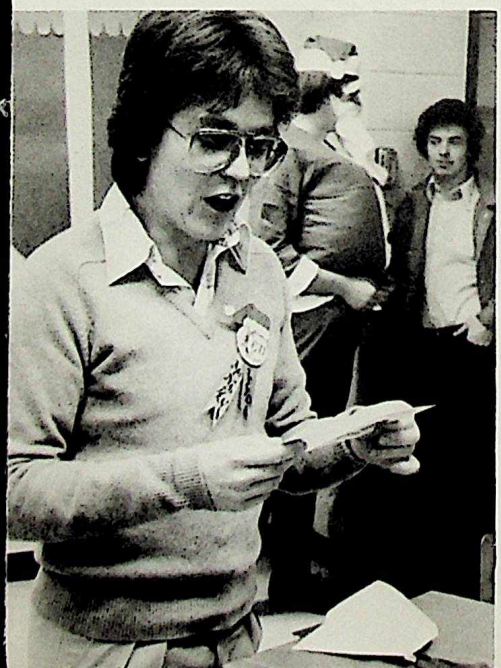
SENIOR CLASS COUNCIL

This year's Senior Class Council has been working very hard in preparation for Graduation 1979. Grad is being held June 9th at the Edmonton Plaza Hotel with the ceremonies at the Jubilee Auditorium. Many events and activities have been sponsored by the Grad Council to help raise money for this year's grad. Among them are: Pancake Breakfast, Tea and Bake Sale during McNally's first Open House, school mugs and directories.

CONGRATULATIONS AND GOOD LUCK GRADUATES!





WESTERN DAYS

It was a rip-roaring, good time this year when S.U. declared Western Days. Even the cafeteria turned western and for one day served nothing but chili-on-a-bun lunches with a few extras. Staff and students, all wearing their cowboy duds, lined up while the cafeteria folks slung hash like crazy. Amidst yells of "Howdy" and "Yee Haw" everyone had a great time.

TIGGER AWARDS

The "TIGGER AWARD" which was introduced during the 1976-77 school year is presented monthly to the individual who has contributed to the promotion of 'School Spirit'.

In the ensuing period, recognition has been given not only to students, but also to staff and support staff for their efforts to make McNally a more "spirited" place.

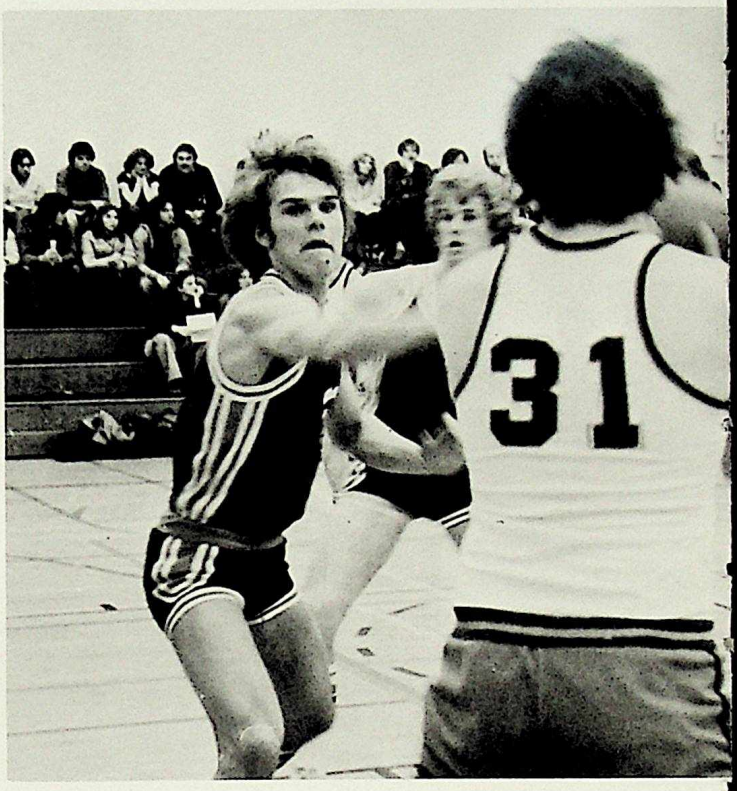
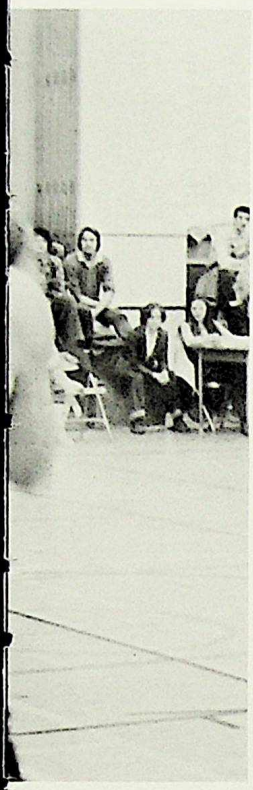
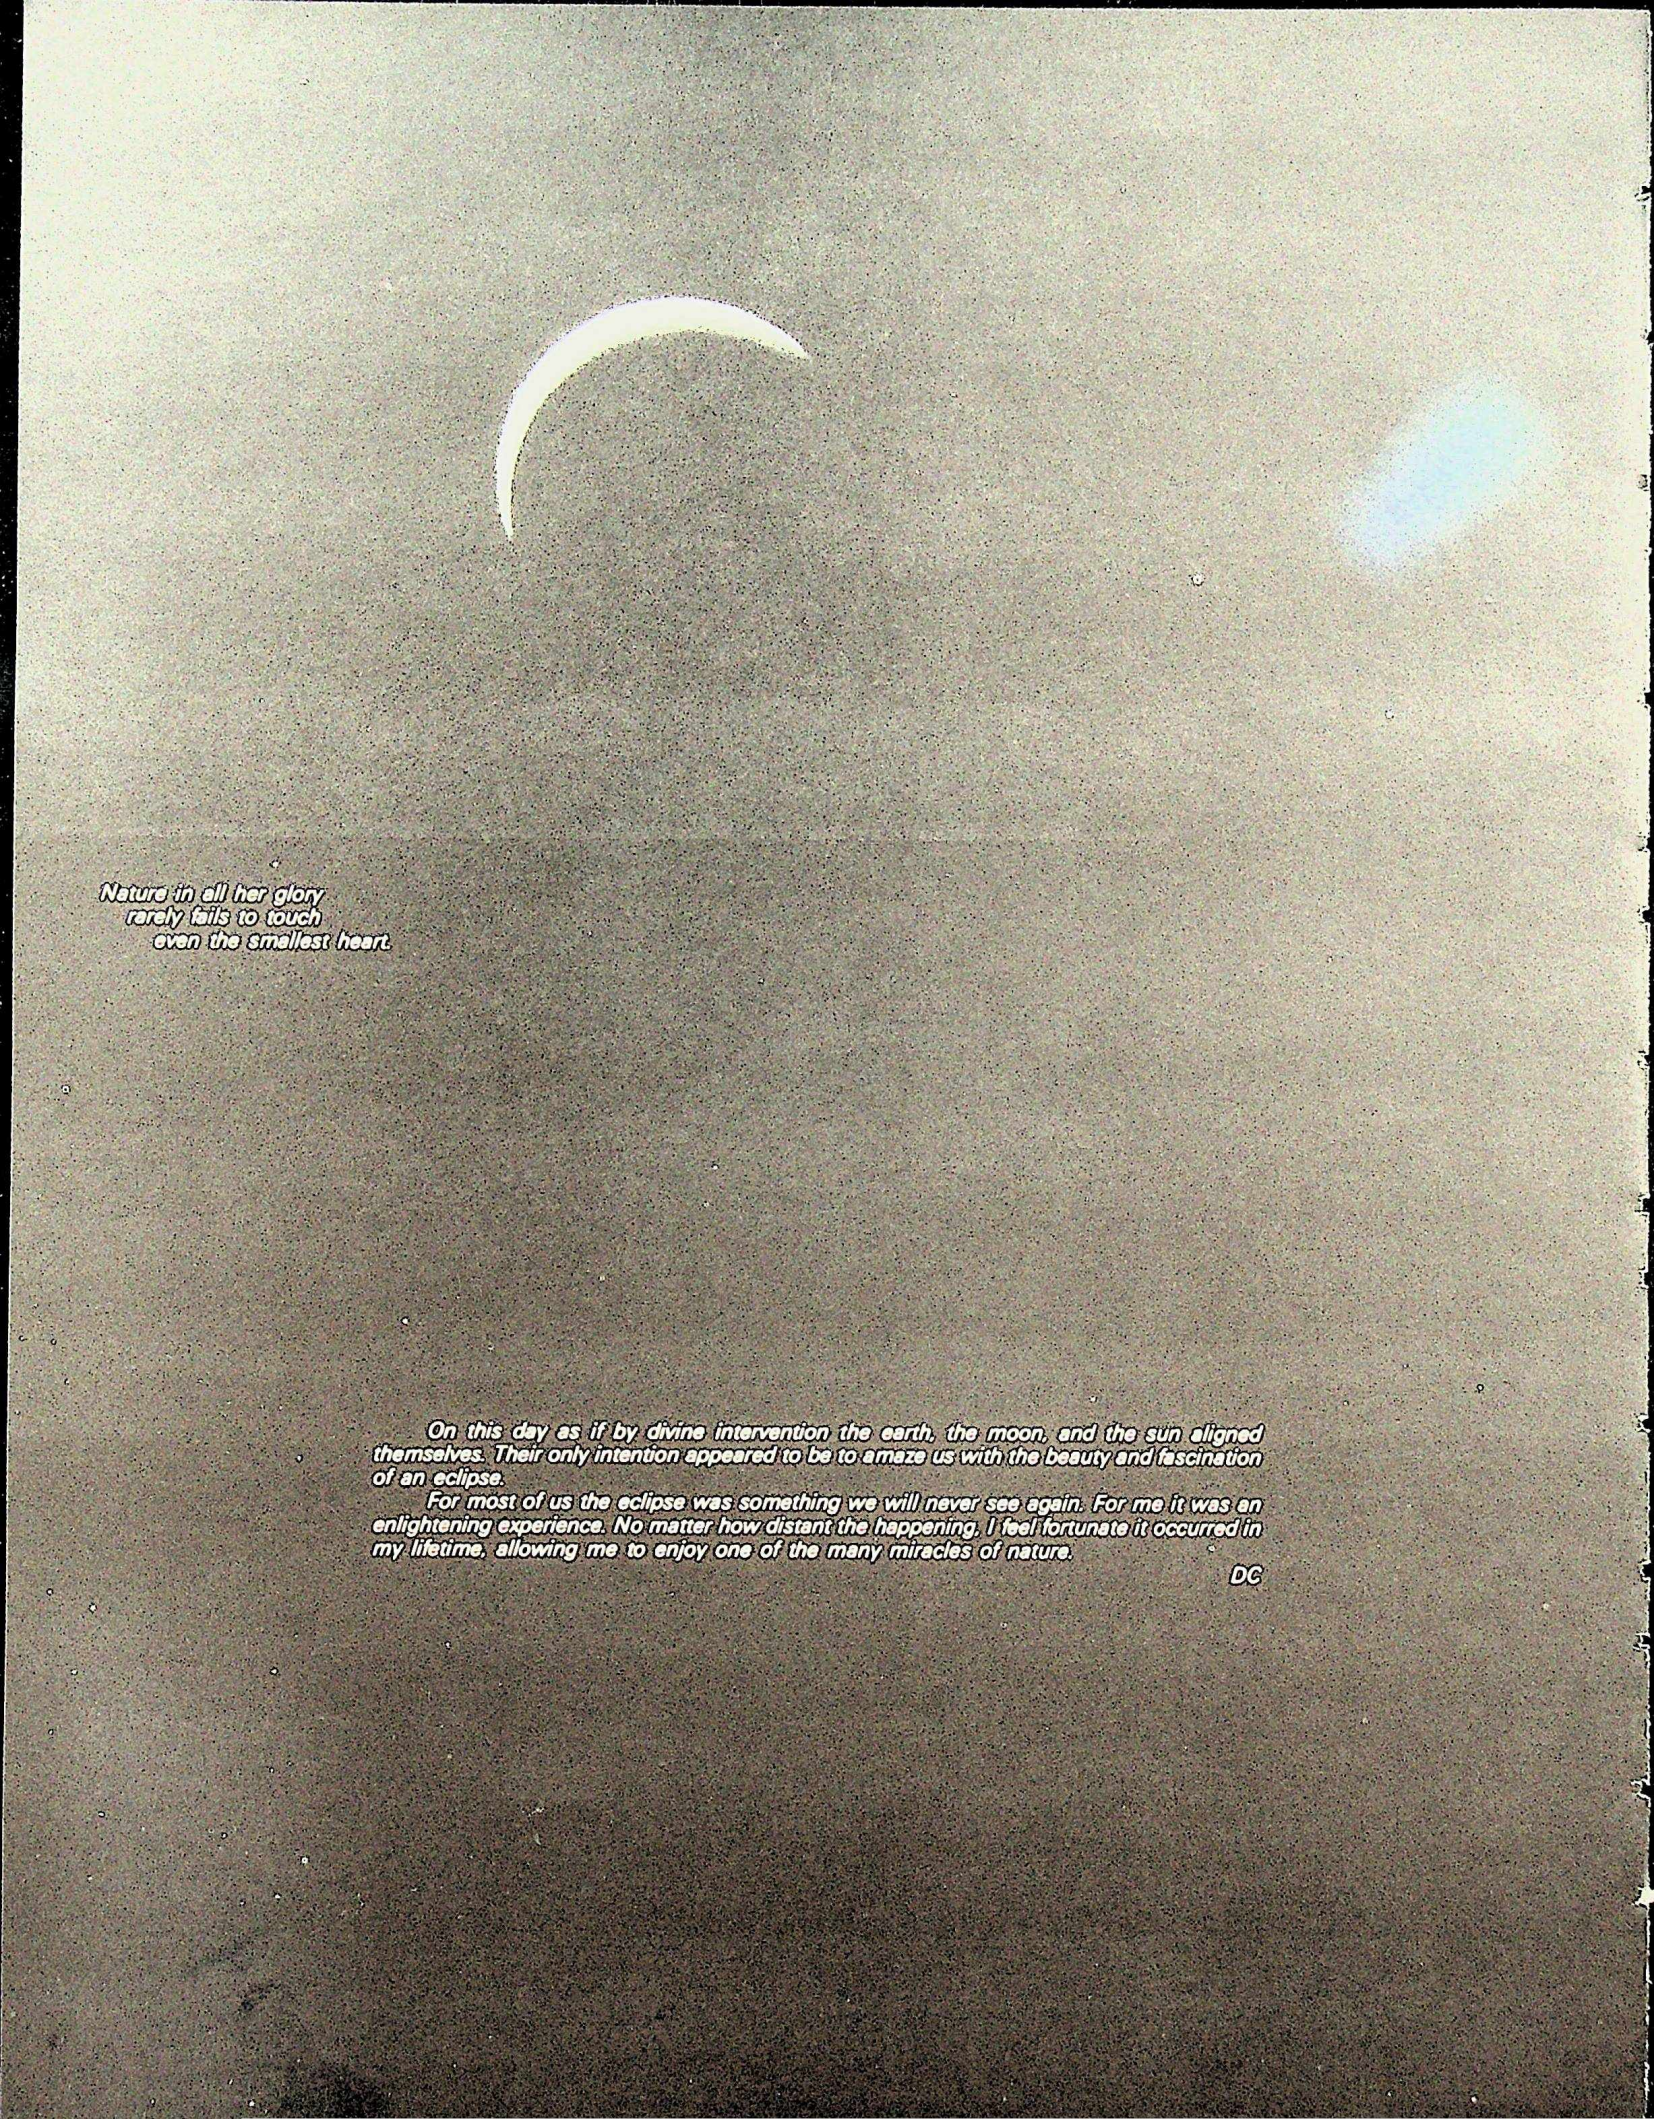
ALUMNI NIGHT



You'd think that after twelve years in the school system they would've had enough! But no, Alumni all piled into the gym to watch the basketball game — our '79 team was trounced as per usual by the players of the past. Rediscovering old friends, exchanging gossip, and partying at the Silver Slipper afterwards are all part of the festivities of Alumni Night.





Nature in all her glory
rarely fails to touch
even the smallest heart.

On this day as if by divine intervention the earth, the moon, and the sun aligned themselves. Their only intention appeared to be to amaze us with the beauty and fascination of an eclipse.

For most of us the eclipse was something we will never see again. For me it was an enlightening experience. No matter how distant the happening, I feel fortunate it occurred in my lifetime, allowing me to enjoy one of the many miracles of nature.

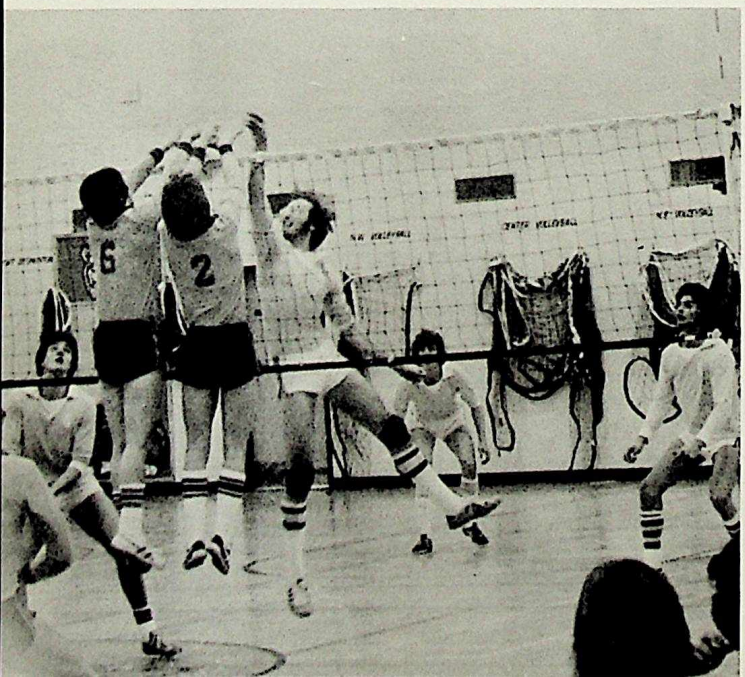
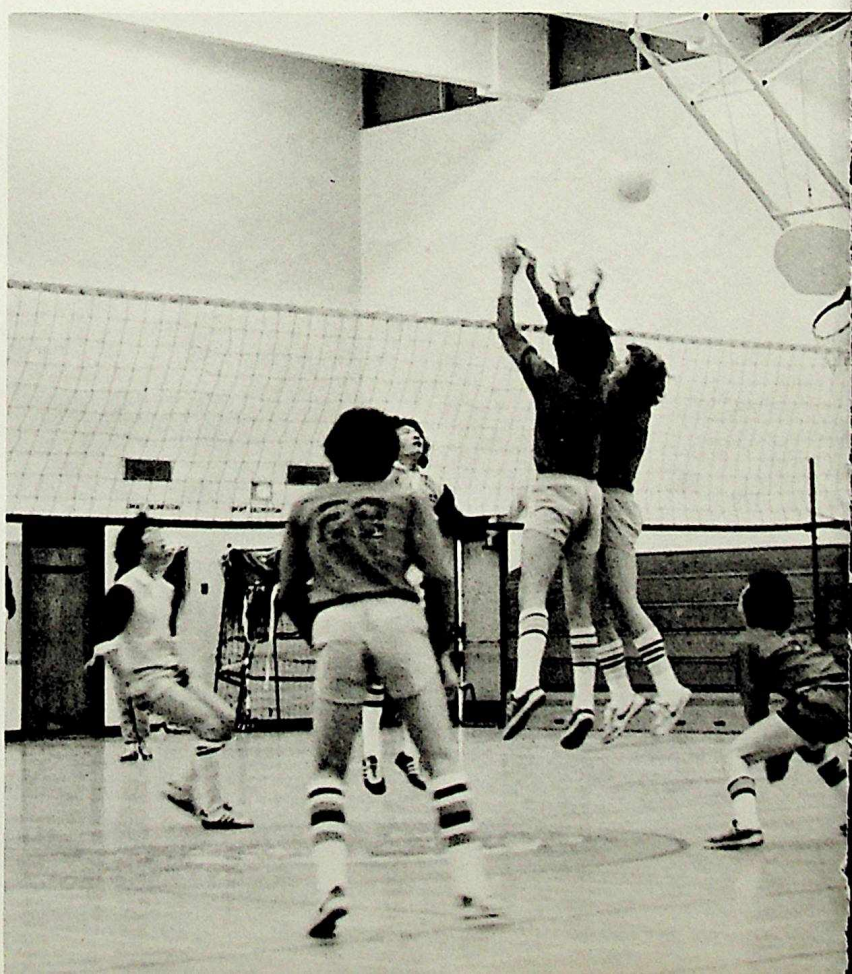
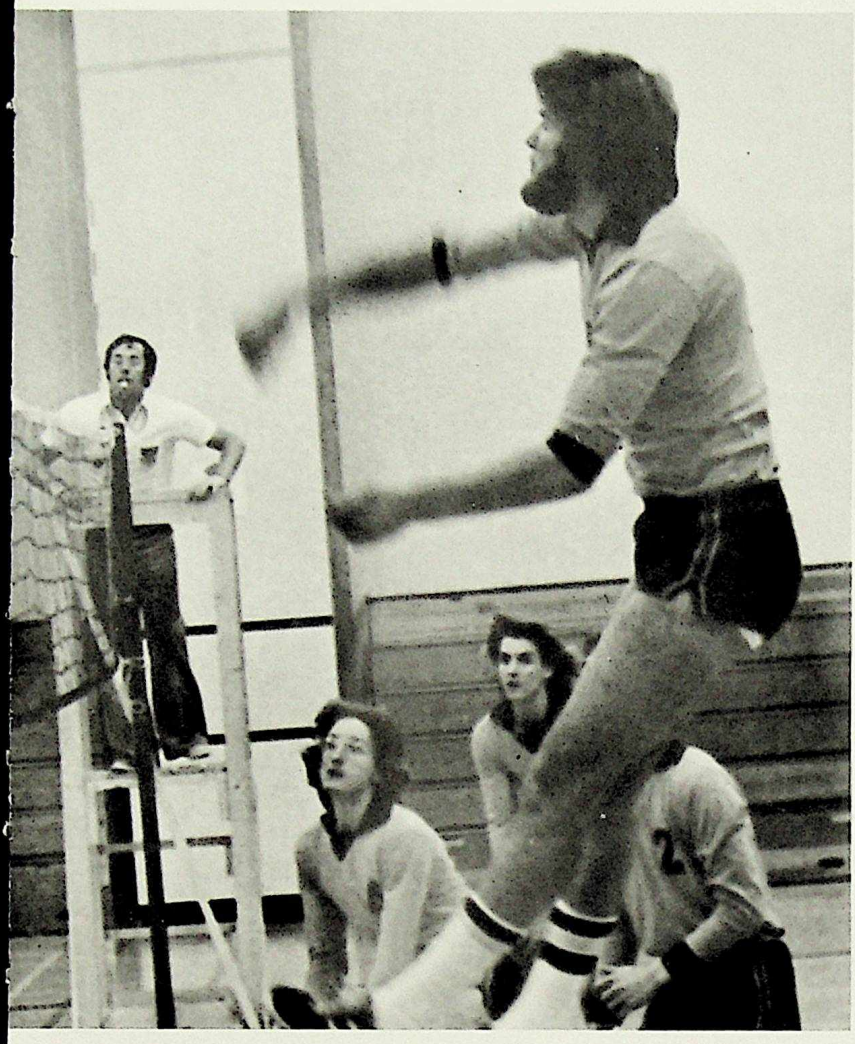
SR. BOYS' VOLLEYBALL

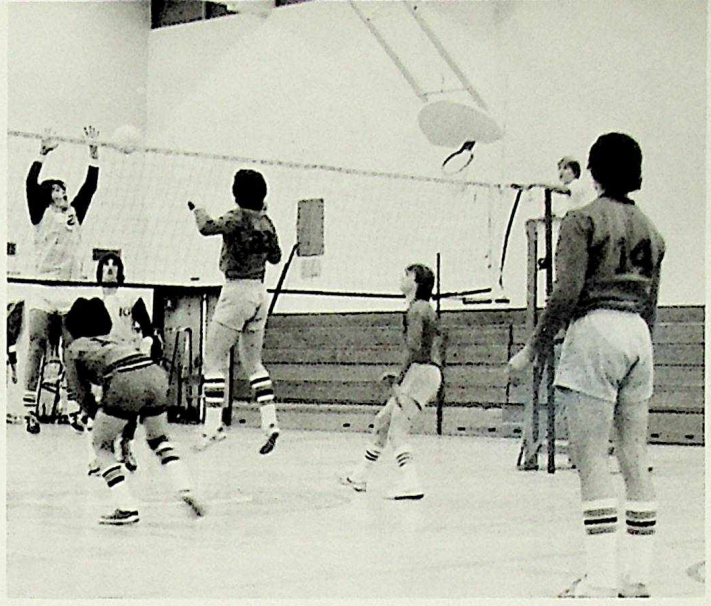
BACK ROW: Rick Hayes, Dave Wilson, Tim Hominiuk, Marvin Beyer, Mark Burchby. FRONT ROW: Jim Hominiuk, Don Diakun, Len Slamko, Roger Poon, Bernie Beyer, Rob Poole — Coach.

McNally's Sr. boys' had an excellent year again in volleyball. They became City Champions again for the second year in a row. As an added accomplishment Dave Wilson was selected as a member of the Alberta Winter Games Team.









JR. BOYS' VOLLEYBALL

This year's team was very successful. Under the guidance of coaches Mr. Bill Dean and Mr. Duncan Knoll, the team advanced to the city finals. Unfortunately, the team lost to St. Joseph's in a very tightly played match of three games to two.

BACK: Mark McCallum, Ron Poon, Mike Dzenick, Mark Cherewick. FRONT: Ken Shipka — manager, Blair Cebuliak, John Sherret, Todd Hoskins, Doug Barth. COACHES: Bill Dean, Duncan Knoll. MISSING: Brian Manson.

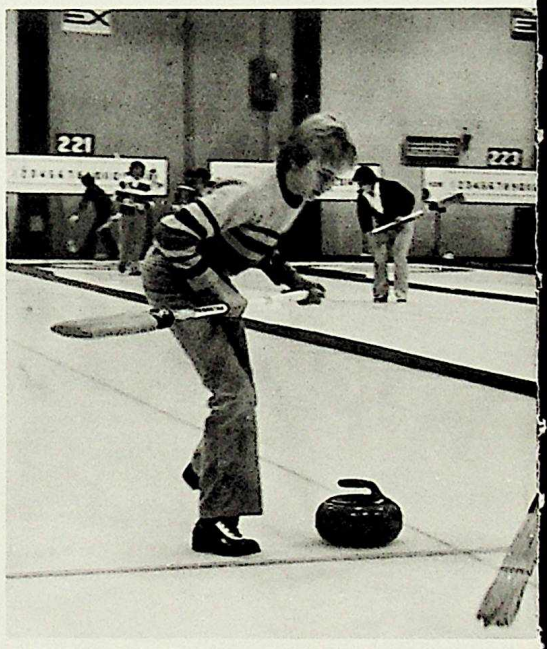
Girls' volleyball had a very enjoyable year. Both Jr. and Sr. teams faired well and thus did our school proud. Meeting new friends, and rough and rowdy practices are just some of the highlights. The Sr. team held a bake sale as well to raise funds for tournaments, etc.

CURLING

SENIOR GIRLS

Colleen Mantle, Jackie Shantz, Patty Ursulak, Brenda Hansen.

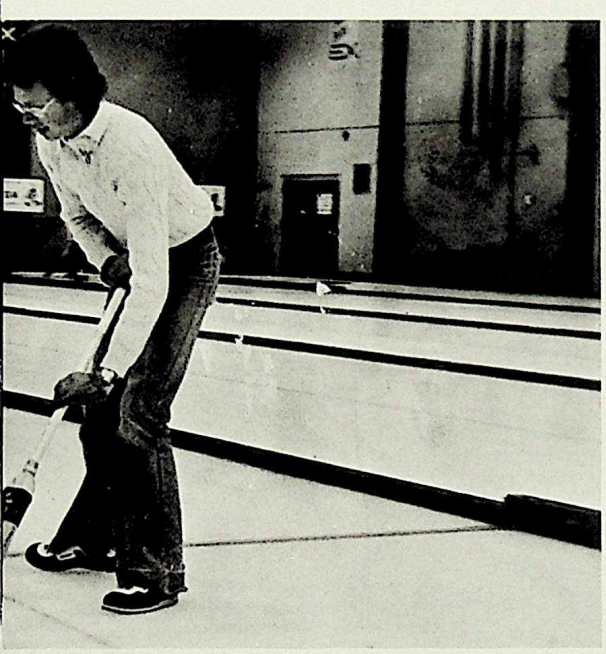


SENIOR BOYS

Rick Hayes, Rob Newberry, Brian Andrais, Jerry Semen.

JUNIOR B

Preston Paradis, Brent Jeffrey, John Mitchell, Brad Willard.

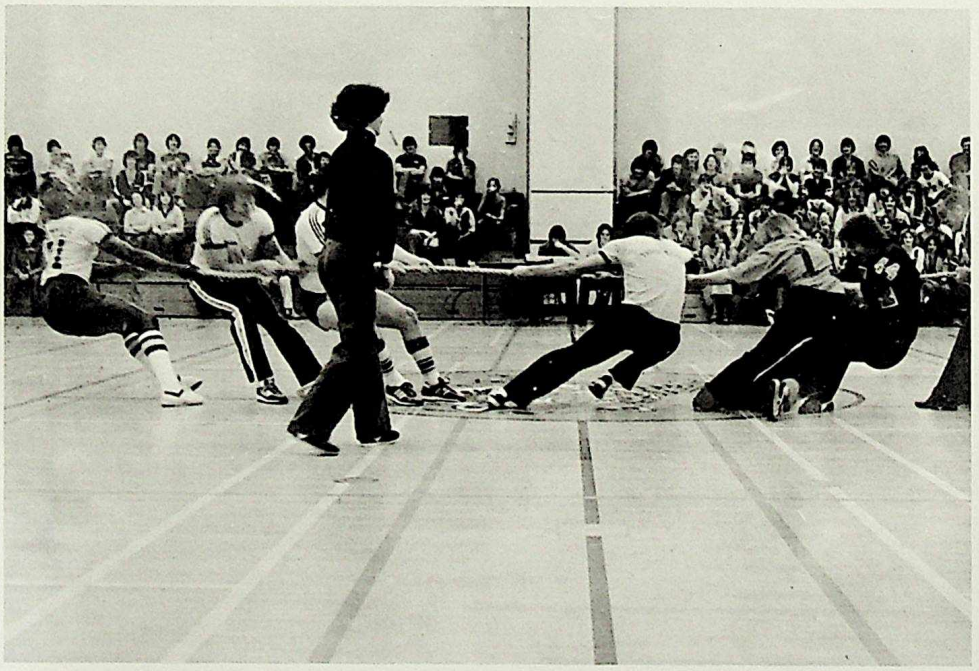


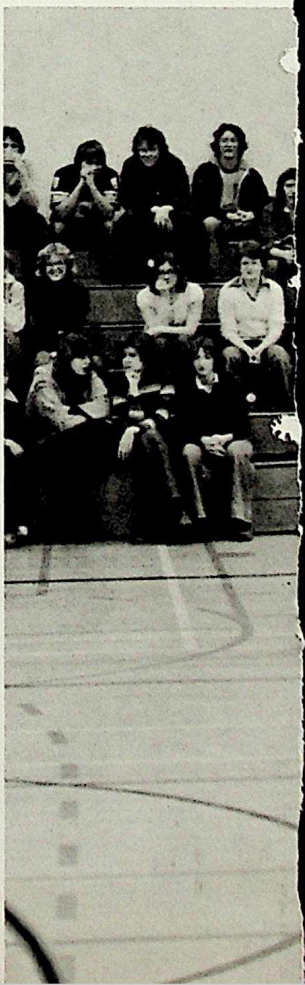
JUNIOR A

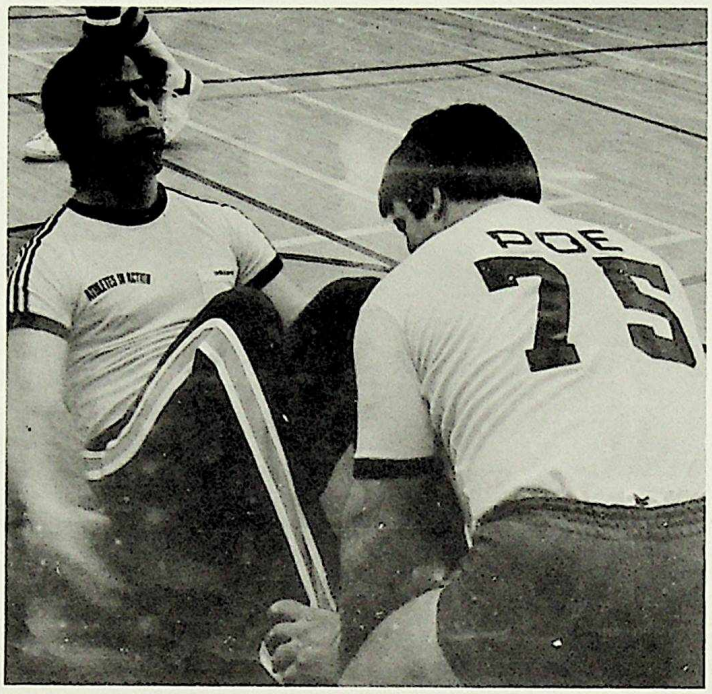
Stuart Hay, Barry Wiskel, Curtis Palichuck, Brad Shermack.

The 78/79 year was excellent for McNally's curling teams. The Sr. Girls ended up in 3rd place in the "A" division. Our Jr. Boys' team took 2nd place in the Jr. "C" division and the Sr. B team wound up in 2nd place in the Sr. "C" division. The Sr. Boys' team consisting of Rick Hayes, Rob Newberry, Brian Andrais, and Jerry Semen took first place in the Sr. "A" division. None of this could have been done without the help of Mr. McKinnon.

VISITING SPORTS

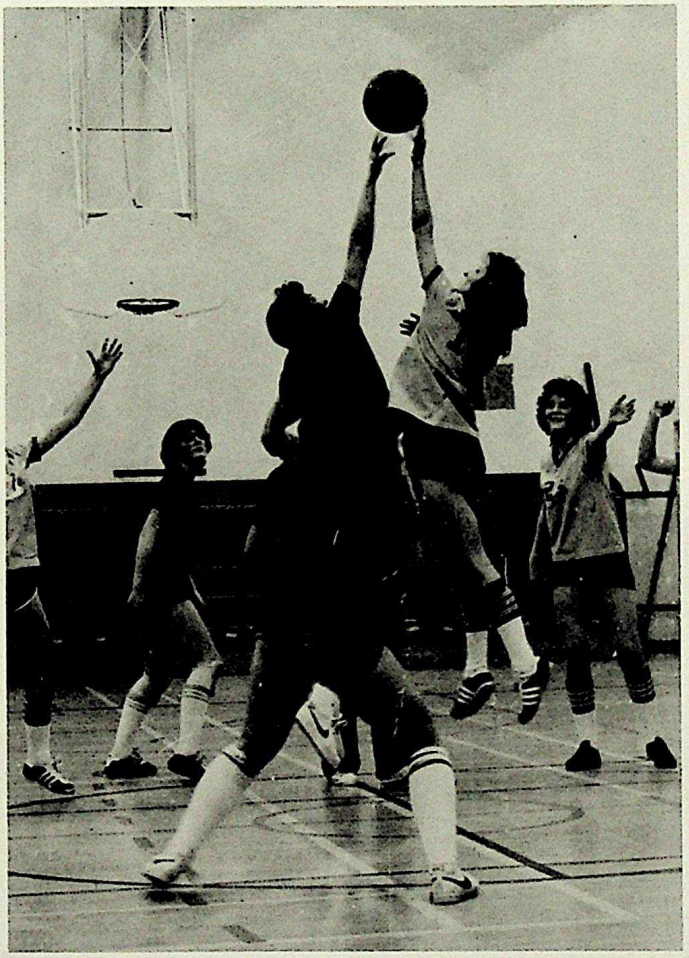






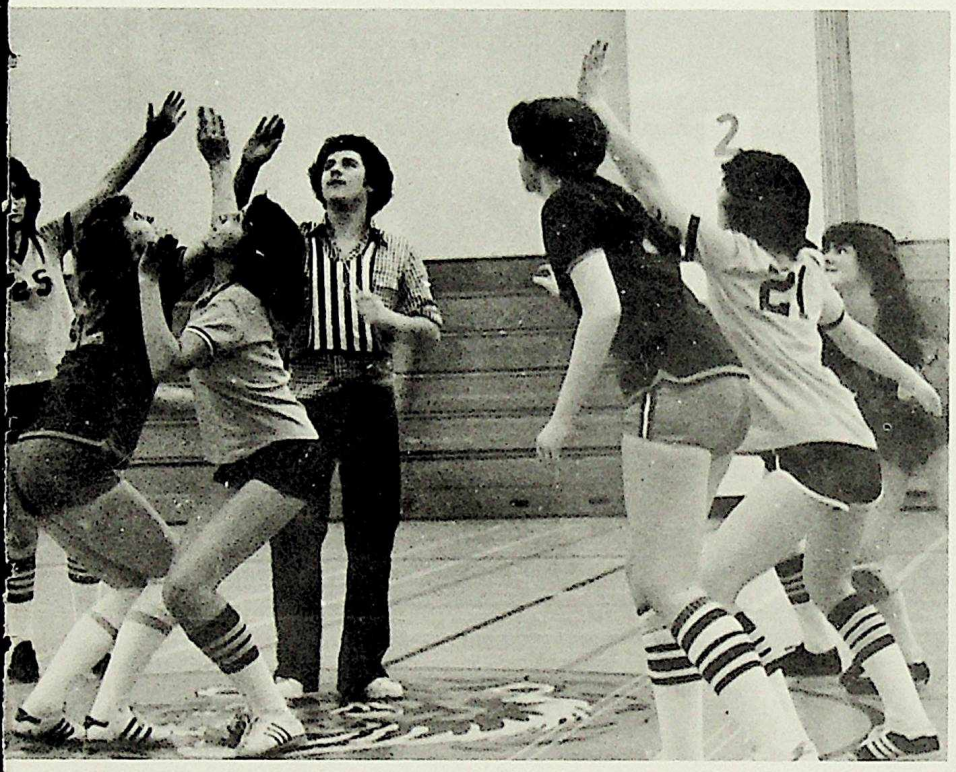
Every year McNally has a number of sport celebrities visit the school and entertain students during the noon hour. This year was no exception as the Northern Lights Wheelchair Basketball Team and Athletes in Action came and put on super shows. Everyone had a great time watching tug-o-wars, three-on-three basketball scrimmages, and teachers endeavouring to shoot a basketball from a wheelchair.

Well, the Sr. team made it into the "A" Division again this year. They beat out St. Joes and O'Leary for the spot in the "A". The team was entered in two tournaments; the Sherwood Park Tournament and the Fort McMurray Tar Sands Tournament. They came in second in both and all had a fantastic time. Beating Queen E. is another highlight that will never be forgotten. Way to go girls!



SR. GIRLS' BASKETBALL

BACK: Lynne Stephenson, Sheila Ferguson, Linda Parker, Carol Peterson, Ms. Shapka. FRONT: Sandy Poole, Dianne Mawhinney, Janice Place. MISSING: Patty Davies.



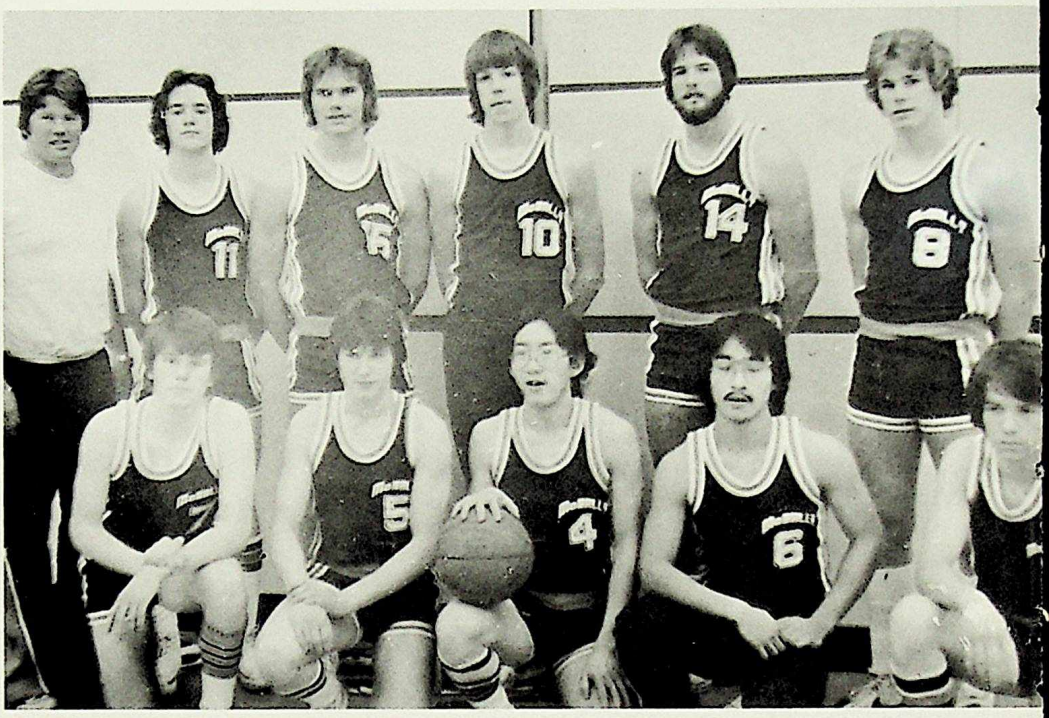
The Jr. girls played in the "A" Division and did very well giving them another successful year.

JR. GIRLS' BASKETBALL

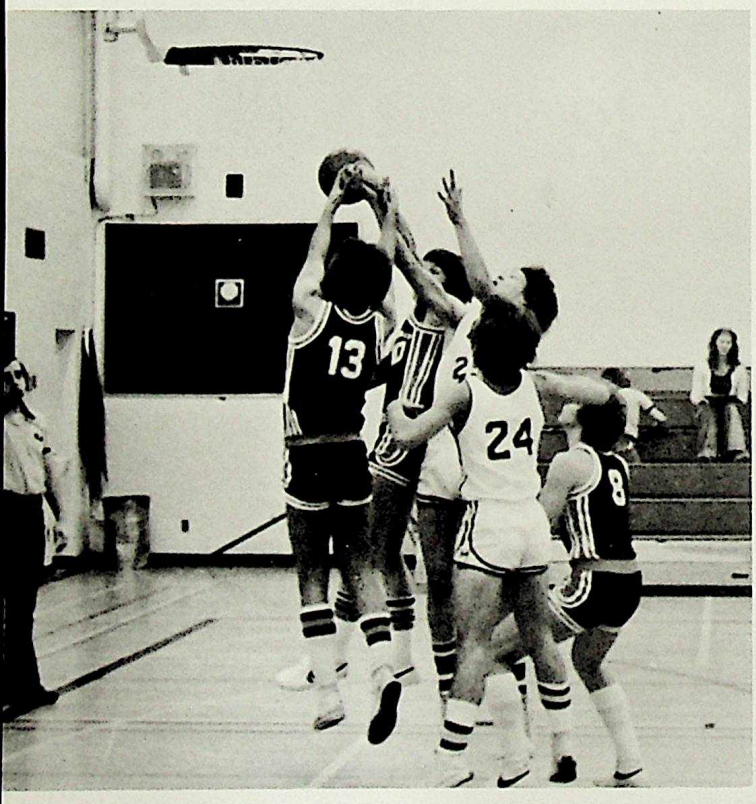
STANDING: Miss Caouette, Sheila Gilbert, Janice Jenson, Maureen Gallagher, Patty Whyte, Mrs. Zasada. KNEELING: Alyson Kortzman, Deidre Cocar, Maureen Buchanan, Maribel Tait, Vicki Baird. MISSING: Barb Jede, Sandy German, Jo-dee Wienberger.

SR. BOYS' BASKETBALL

What a year the Sr. Boys' Basketball Team had! They had an excellent record throughout the season. They played in the City Finals but were defeated by Harry Ainley by one point (66-65). It was the most successful year ever for the Sr. Tigers! Congratulations guys!



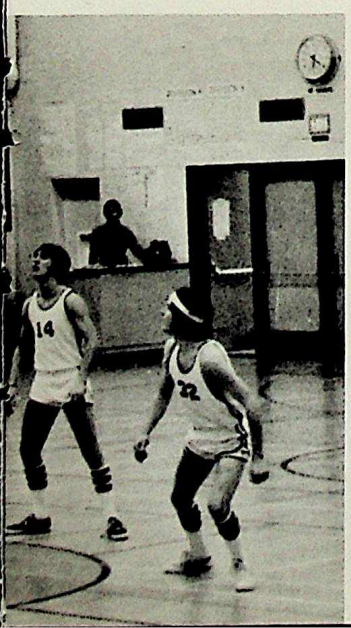
STANDING: Coach Morris, Jim Hominiuk, Dave Wilson, Dewey Germane, Tim Hominiuk, Mark Burchby. KNEELING: Scott Webster, Colin Quast, Roger Poon, Jim Park, Rob Hughes.

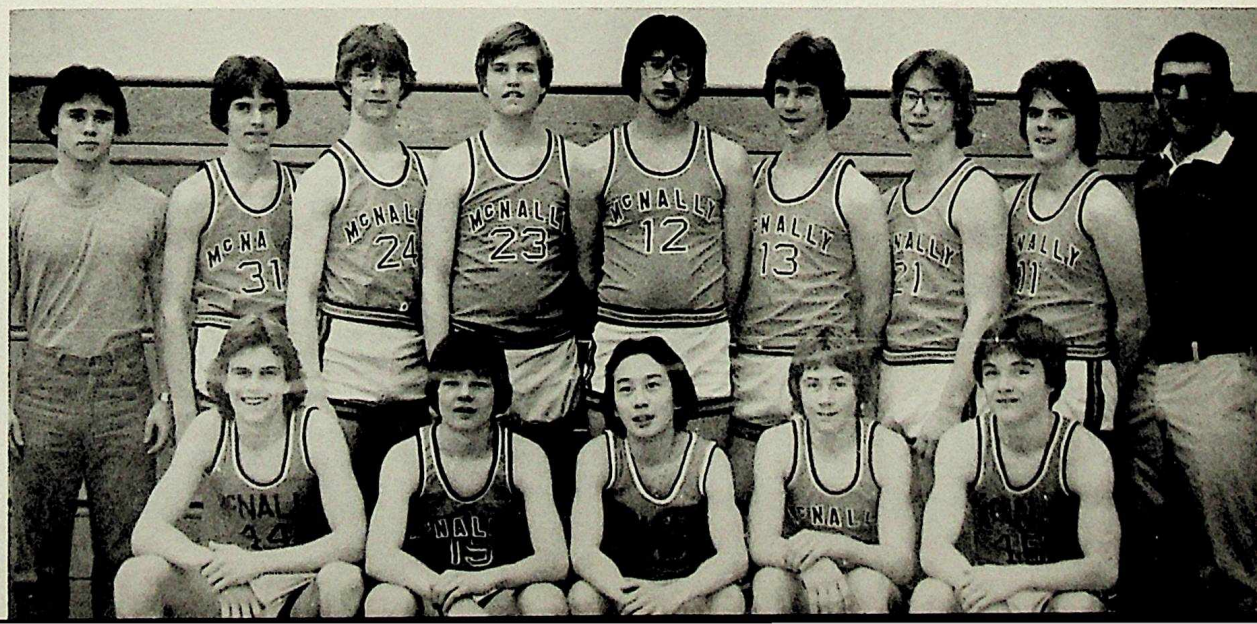


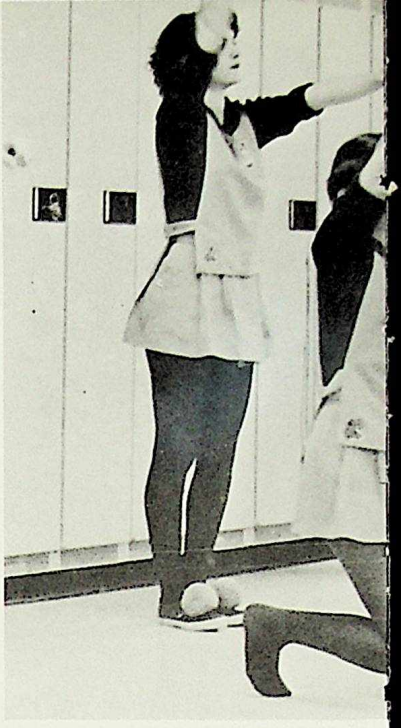
JR. BOYS' BASKETBALL

This year, the Tigers compiled a 14-8 win-loss record in all games played. They went as far as the semi-finals before losing to Strathcona Lords who eventually won the city championship. Several players will move on to the Senior squad next year, while some will remain to form a strong nucleus for the Junior Team.

STANDING: Greg Mills, Dave Ward, Perry Hanack, Andy Caine, John Sherrett, Terry Hanack, Terry Hawken, Darren Young, Mr. Ballash. SITTING: Mark McCallum, Elmar Klapstein, Ron Poon, Norman Brese, Don Diakun. MISSING: Len Slamko.







SENIOR

BACK: Susan Mayor, Debbie Windwick, Terri-Lynn Bazylewich, Celeste Frauenfeld, Nicki Saina. FRONT: Marsha Hanson, Jill Devore, Shelley Robinson, Allison Ward.

CHEERLEADERS

McNally's Sr. Cheerleaders had another successful and rowdy year. They competed in the U of A and C.A.P.H.E.R. Tournaments again this year. The McNally Volleyball Invitational and Alumni were other events which the seniors participated in. We couldn't have had a better or more lively group cheering our Sr. Boys on!

The Junior Cheerleader squad was small this year, numbering 6, but they all had spirit and cheered our Jr. guys on really well.

JUNIOR

STANDING: Marylin Fechner, Chris McKnee, Lisa Rambaut. KNEELING: Jolayne James, Laura Kenworthy, Sandy Goertz.

For some it is not a beginning
but neither is it an end;
We are on the way
In the midst of friends, relationships,
and wonderful experiences
That make the middle just as special.

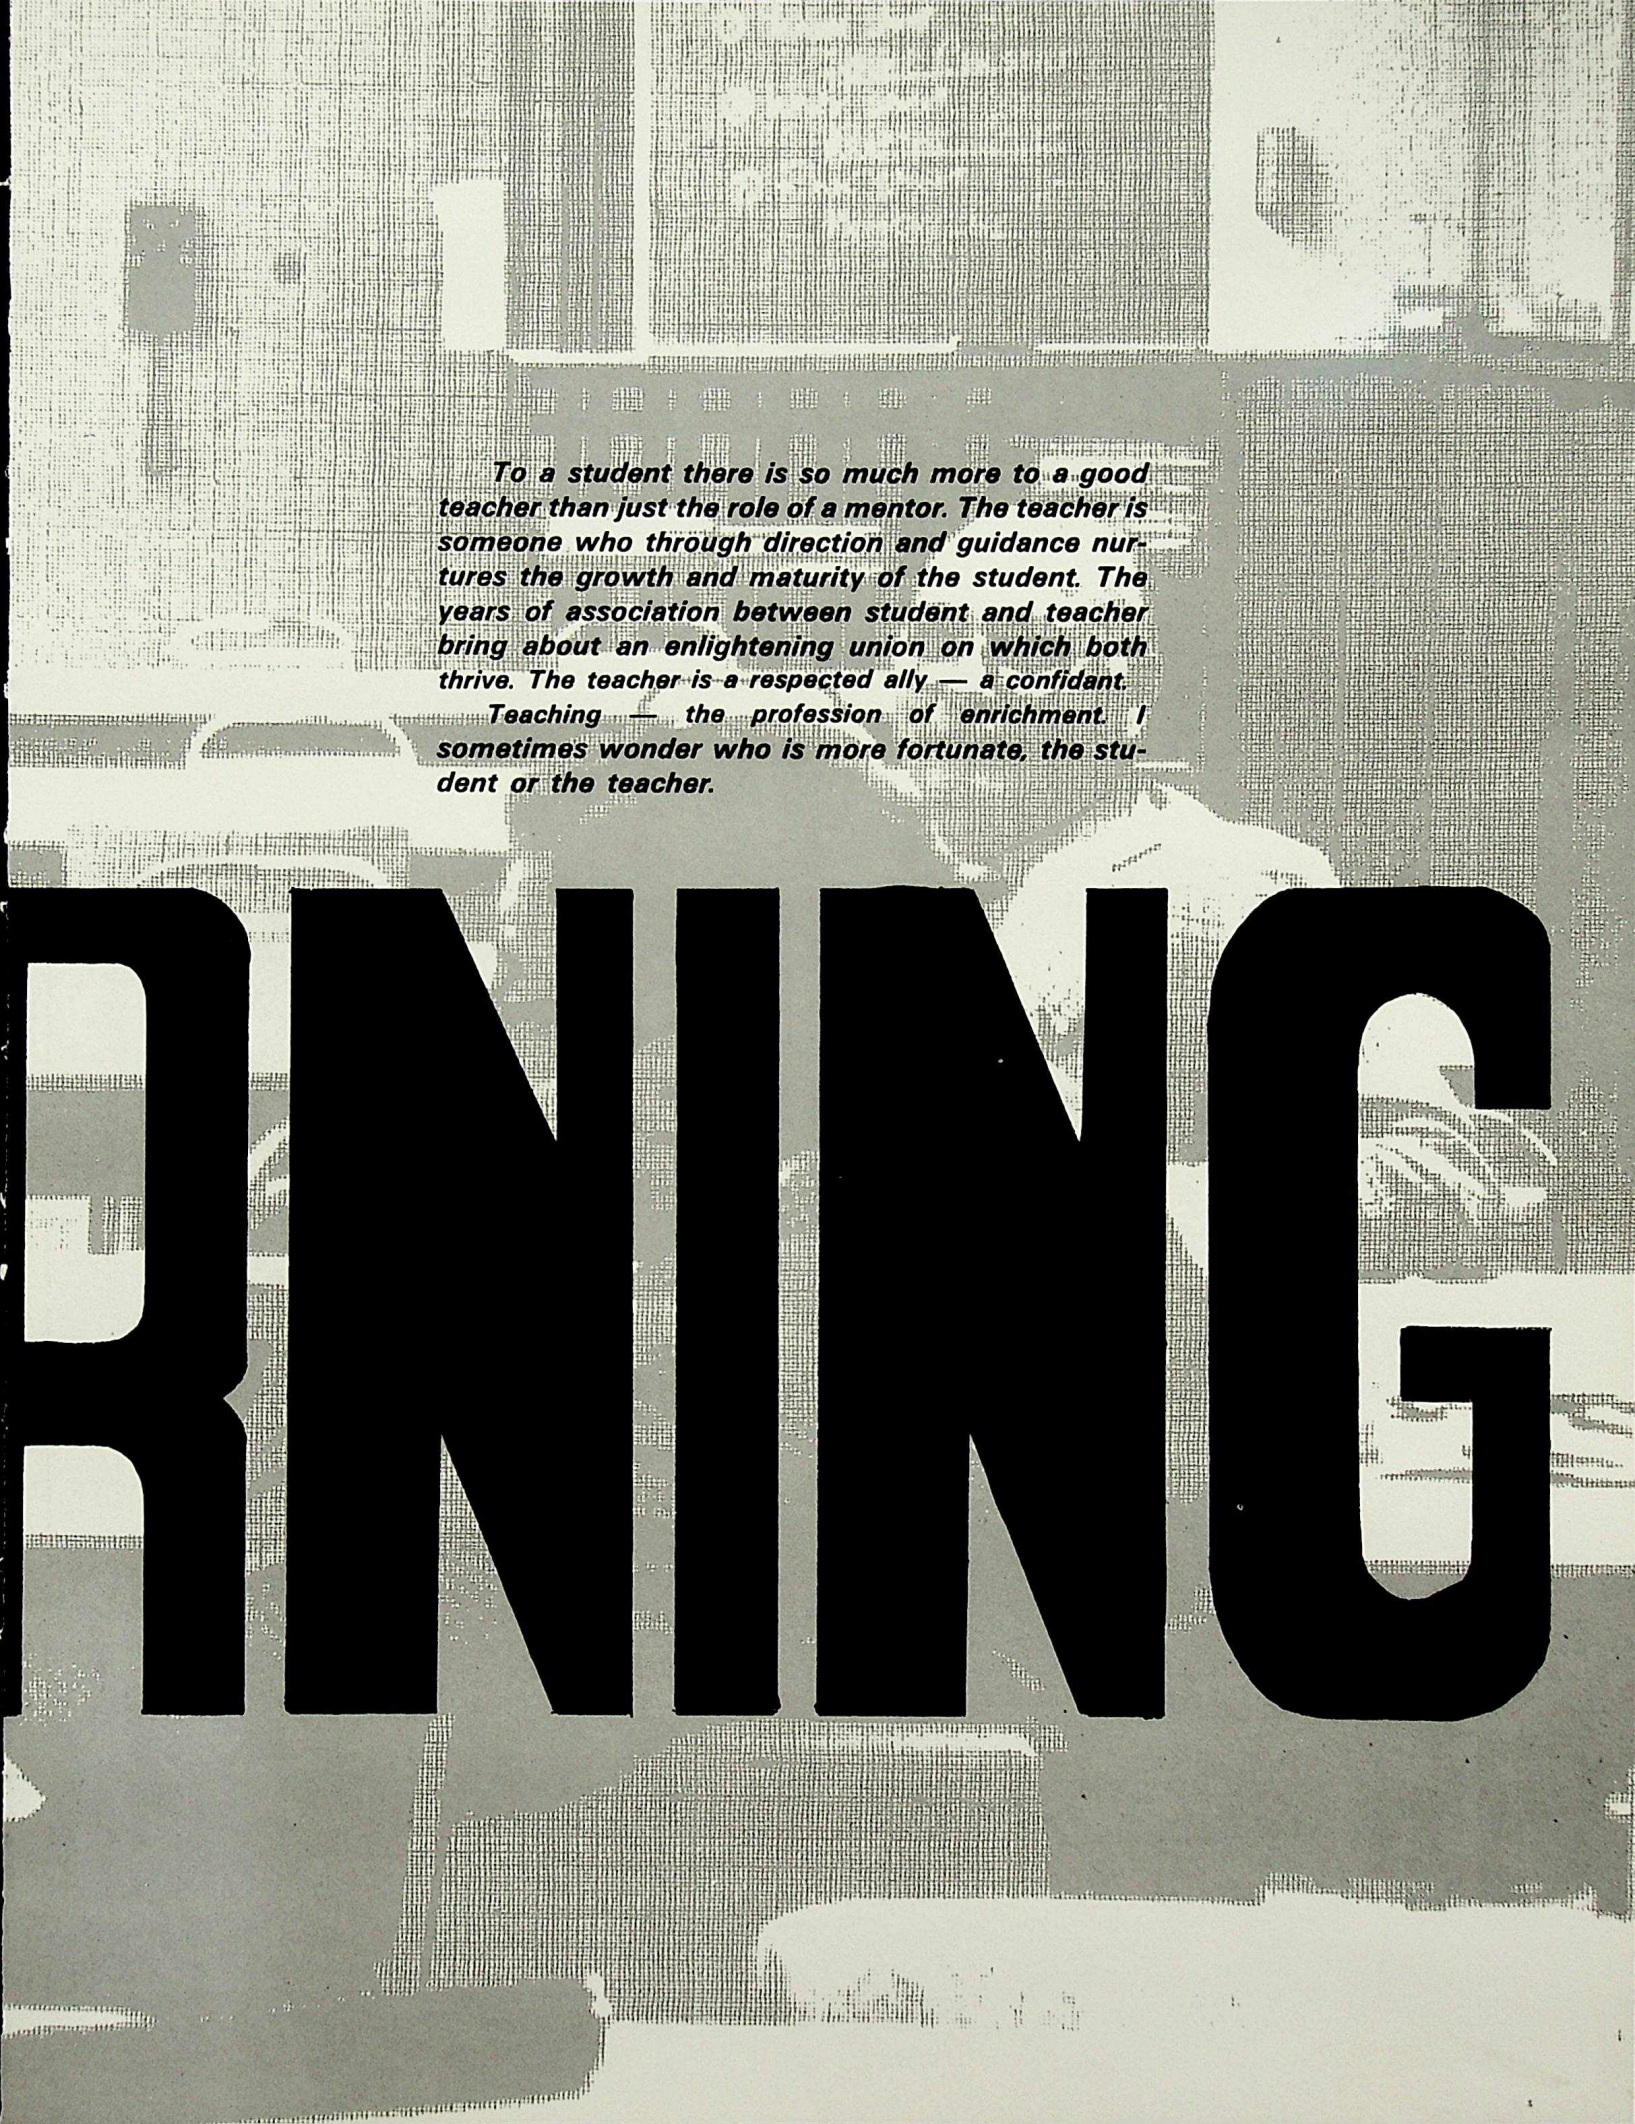
On this matter of
LEAI



To a student there is so much more to a good teacher than just the role of a mentor. The teacher is someone who through direction and guidance nurtures the growth and maturity of the student. The years of association between student and teacher bring about an enlightening union on which both thrive. The teacher is a respected ally — a confidant.

Teaching — the profession of enrichment. I sometimes wonder who is more fortunate, the student or the teacher.

RNING

ADMINISTRATION

I very much appreciate the warmth of welcome extended to me by the staff and students of McNally. When people refer to this school as the "jewel" of the public system, they obviously mean not so much the physical plant as the people in it.

Our main emphasis has been and continues to be intellectual excellence. However, it is most gratifying to see the accomplishments of our students in the arts and athletics. They indicate a wide range of interests which prevents a stultifying, narrow outlook and preserves for each one of us the wonder and enthusiasm for living and the appreciation of people and things around us.

I am delighted to be a part of McNally!

Here we stand
no longer waiting for tomorrow.
Suddenly confronted
by a fragment of the future.
Uncertain of what lies ahead,
intrigued by the uncertainty
We find ourselves
faced with the beginning.

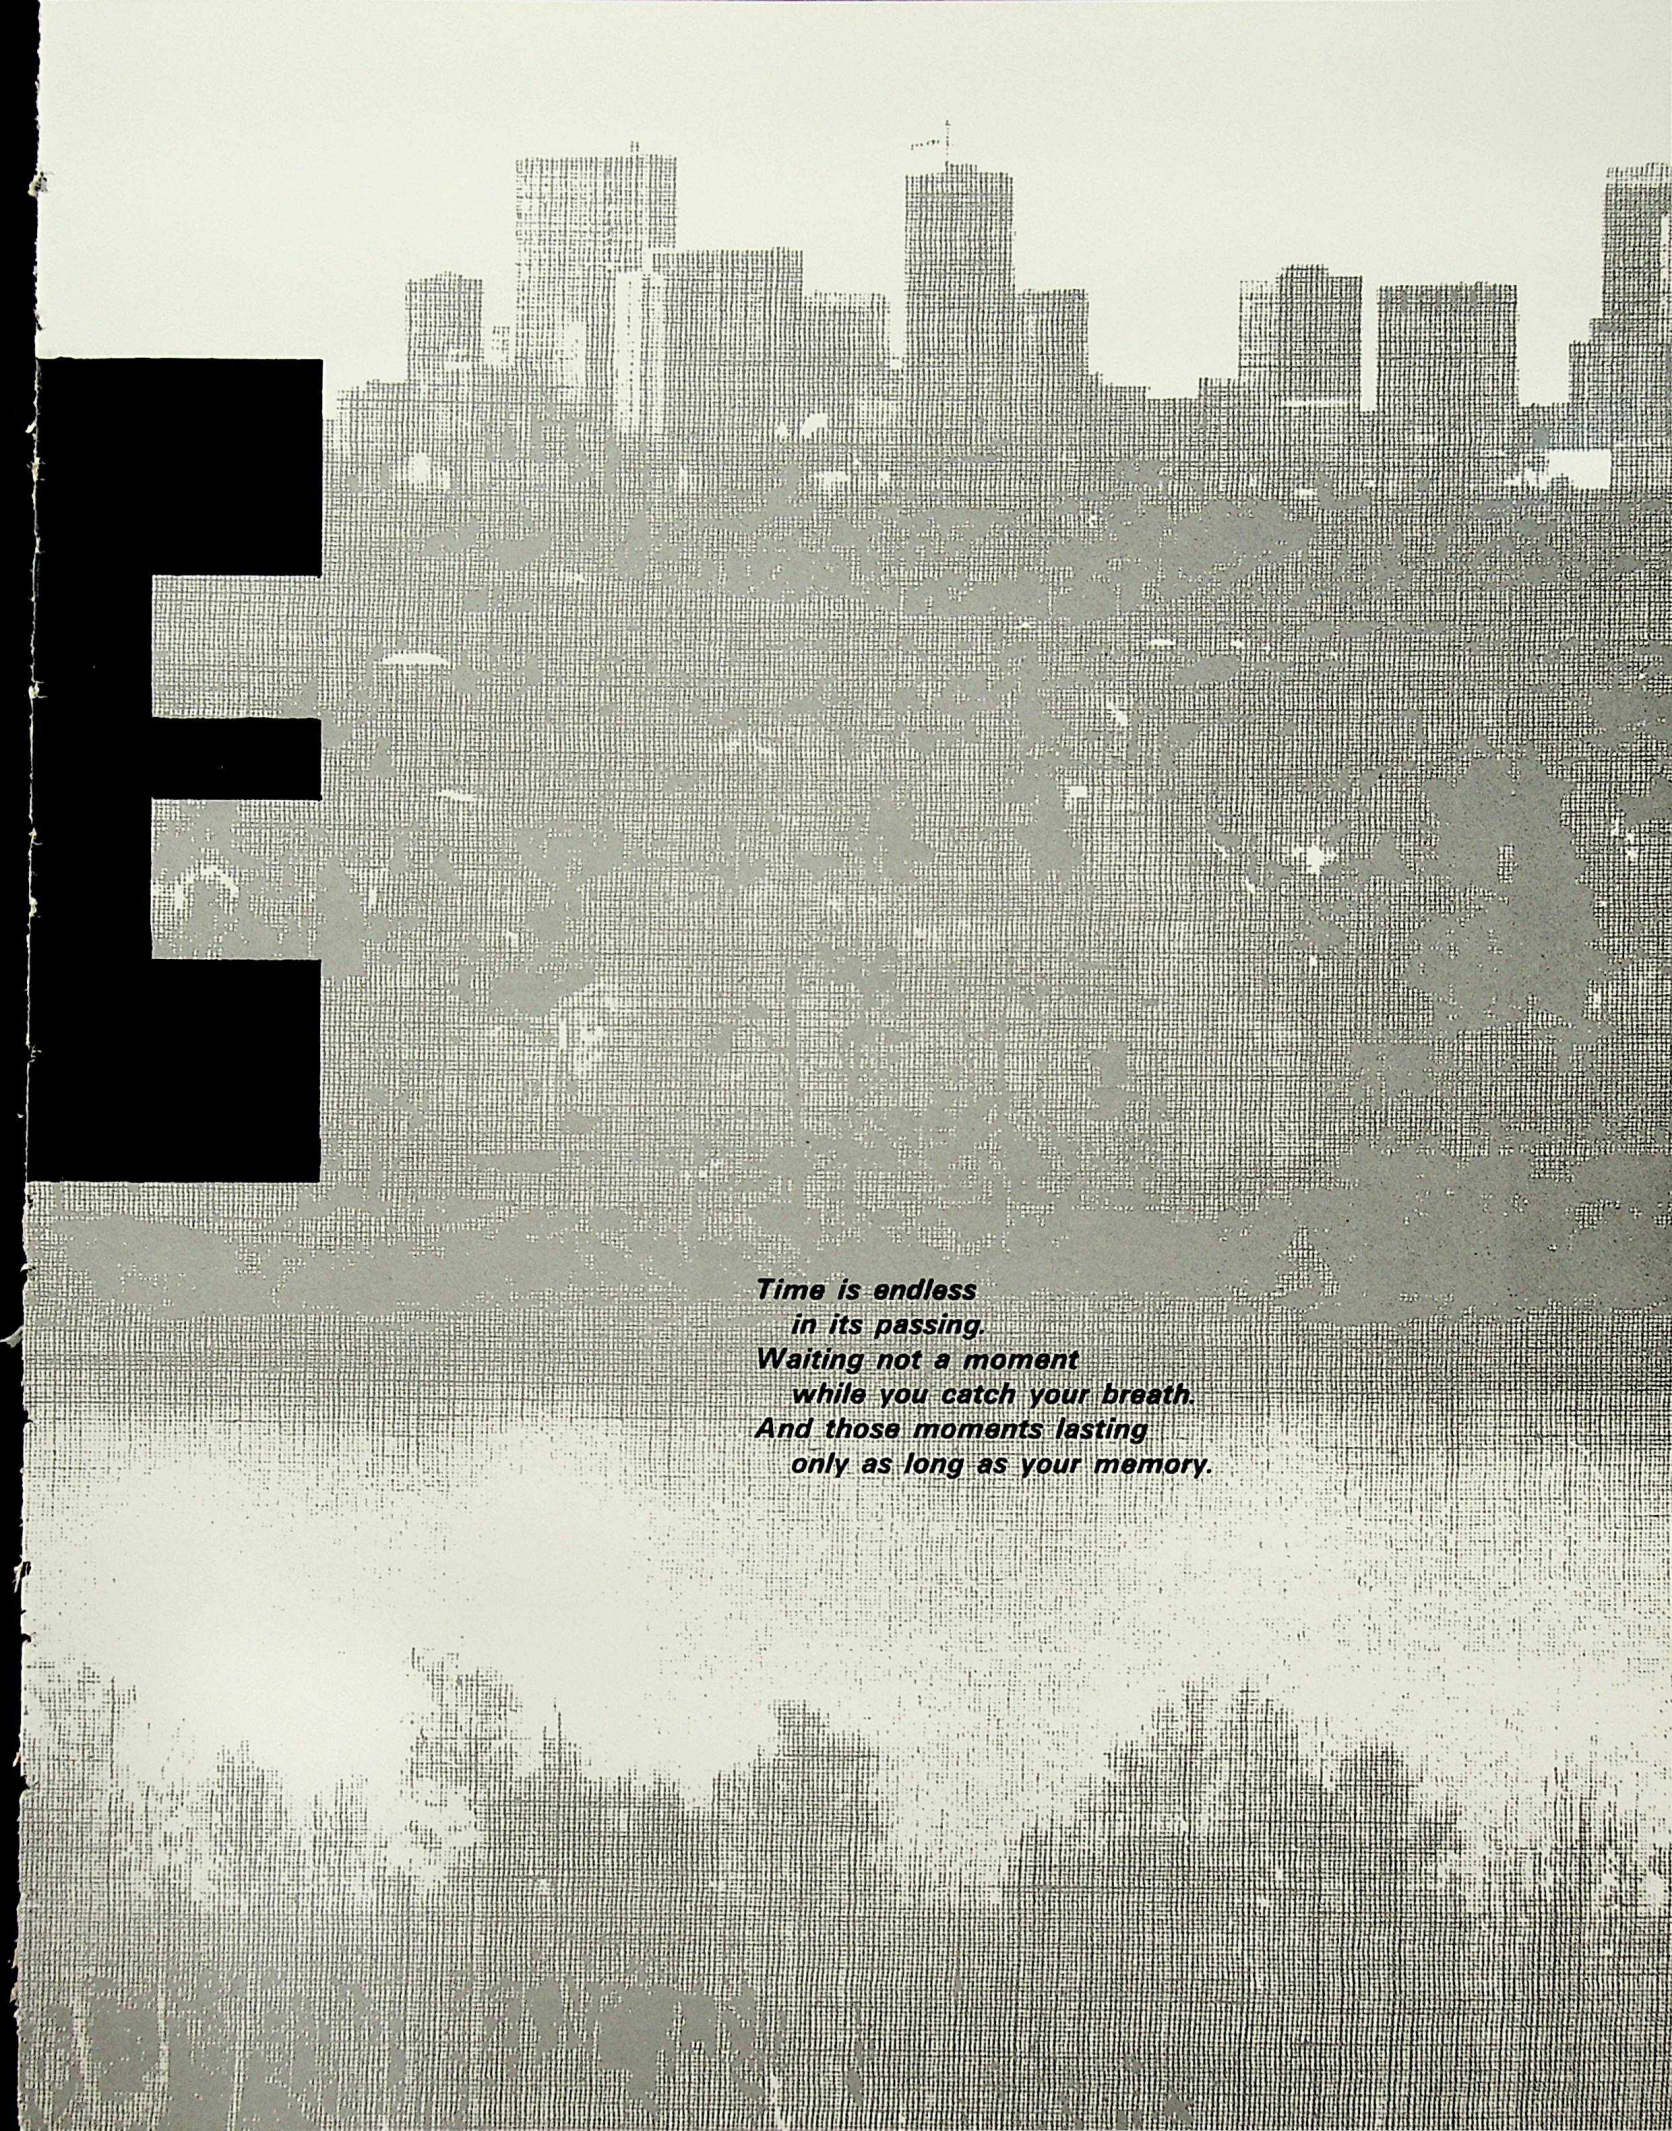
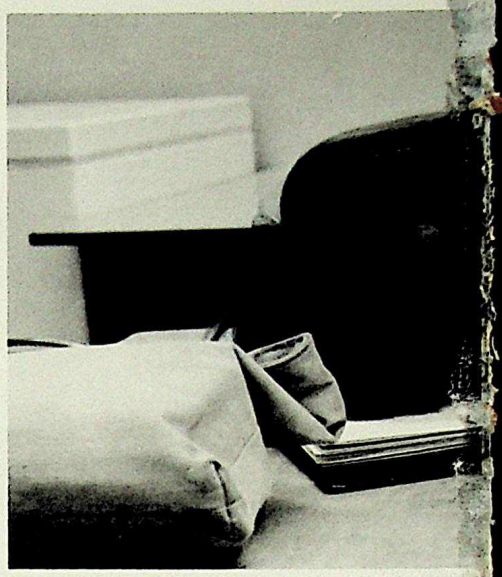
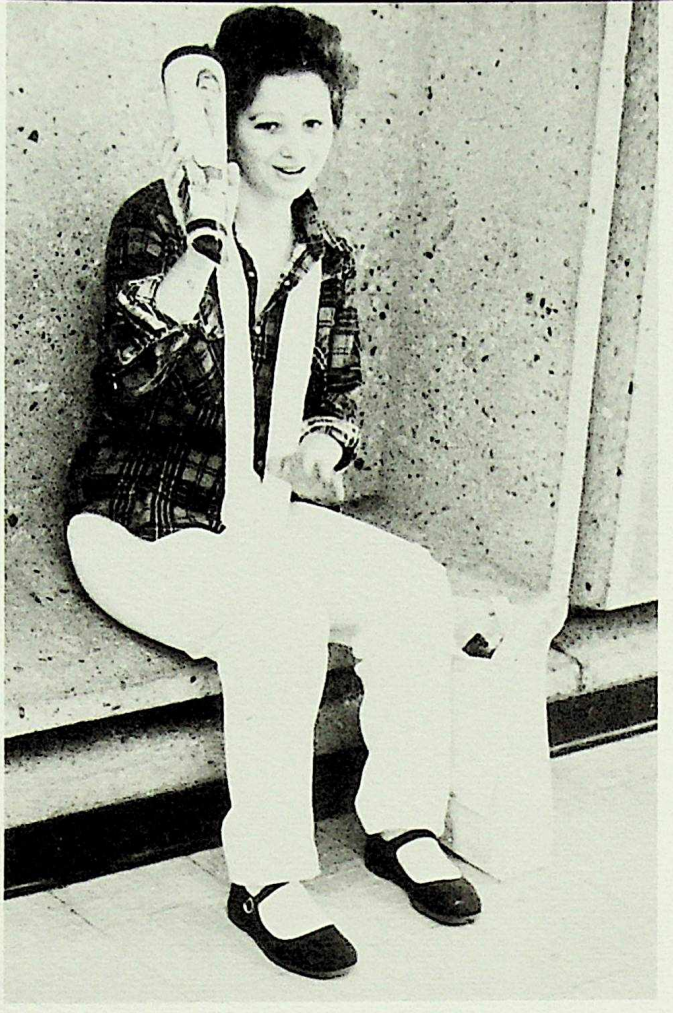
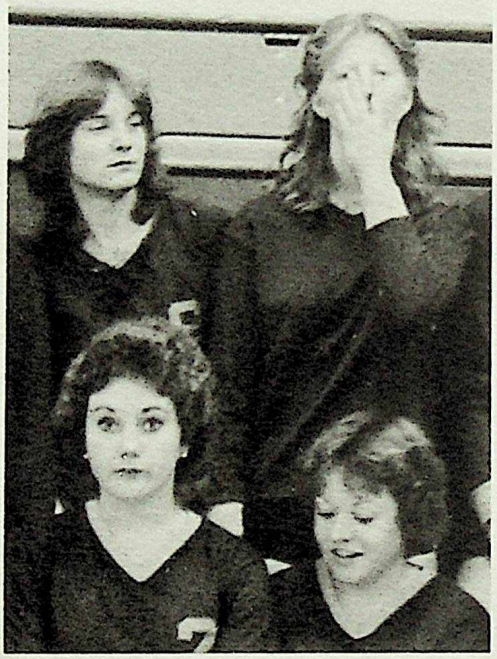
TIM
is a silly thing to fear

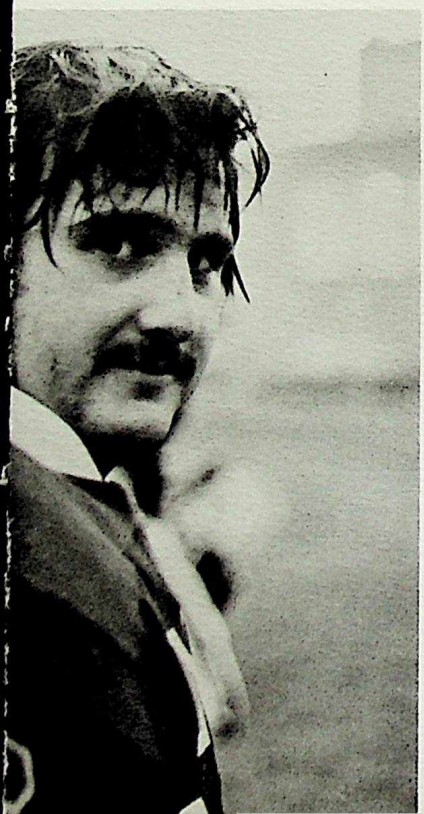


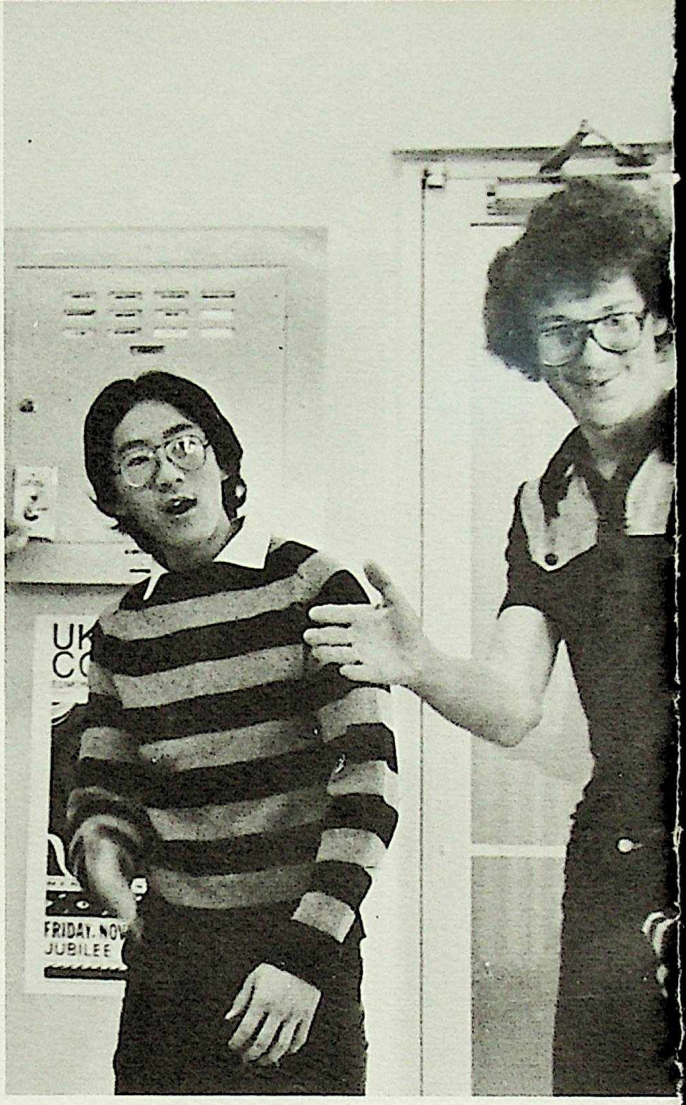
Time is endless
in its passing.
Waiting not a moment
while you catch your breath.
And those moments lasting
only as long as your memory.

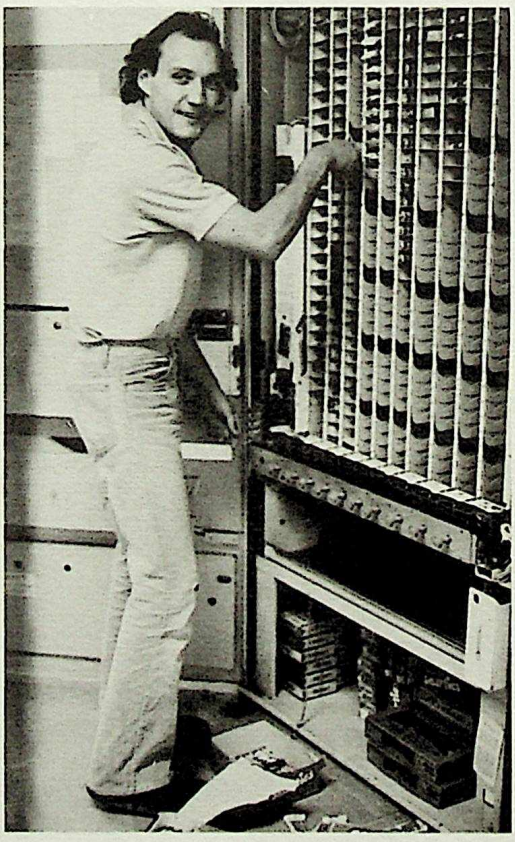


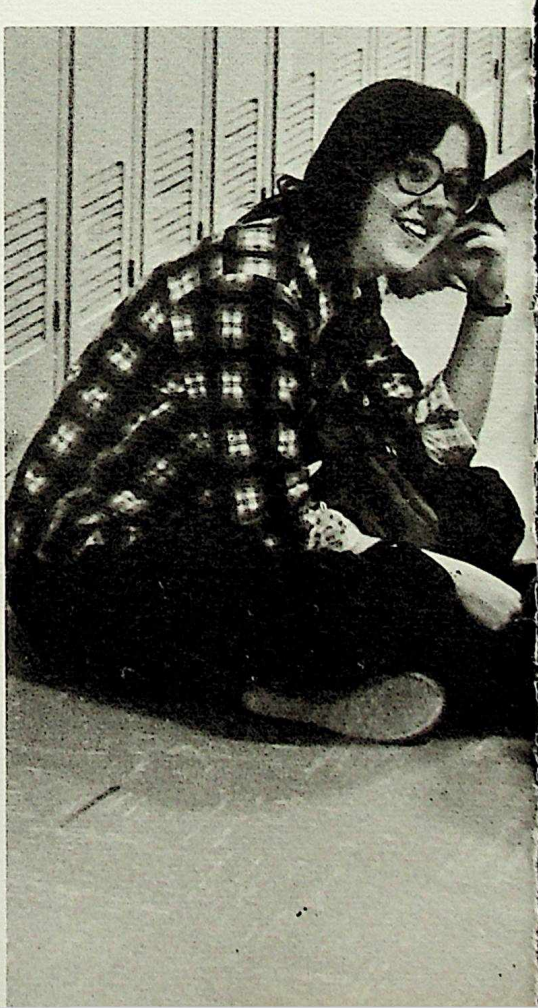


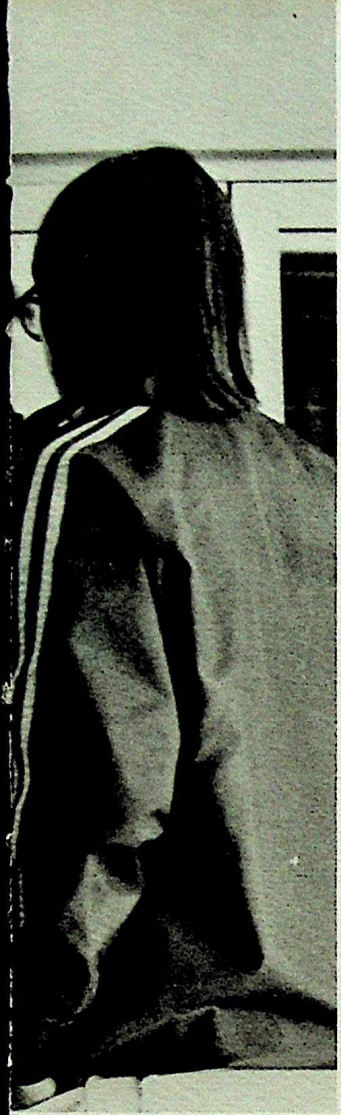


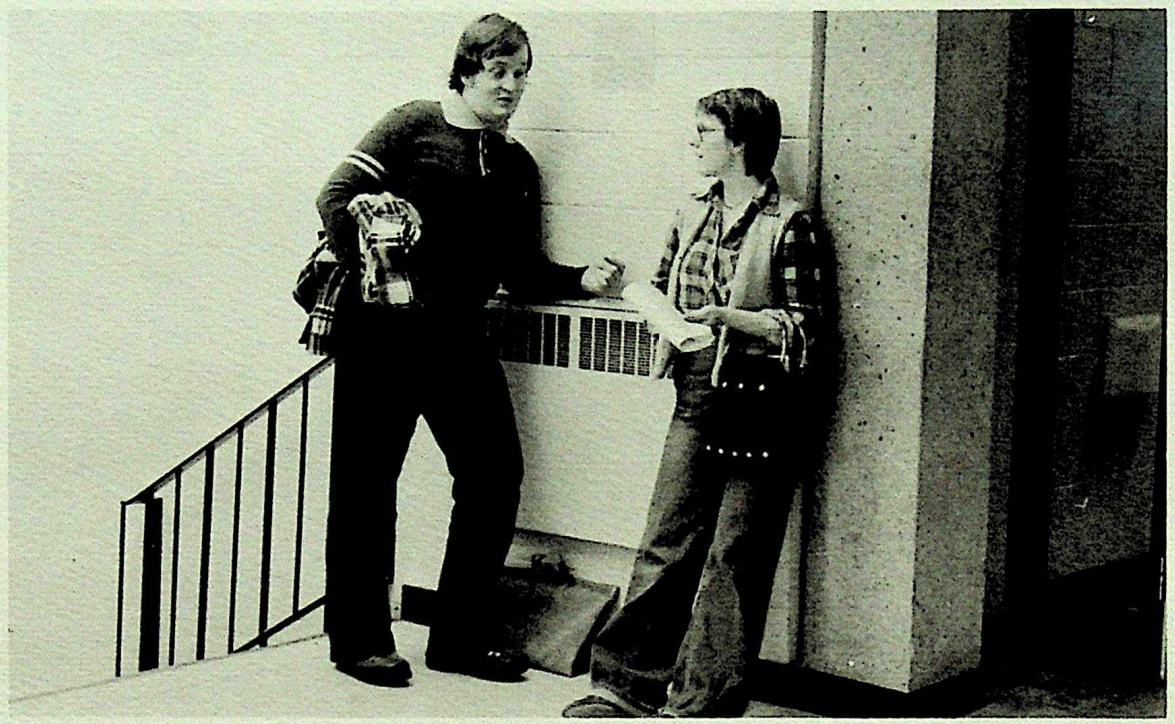




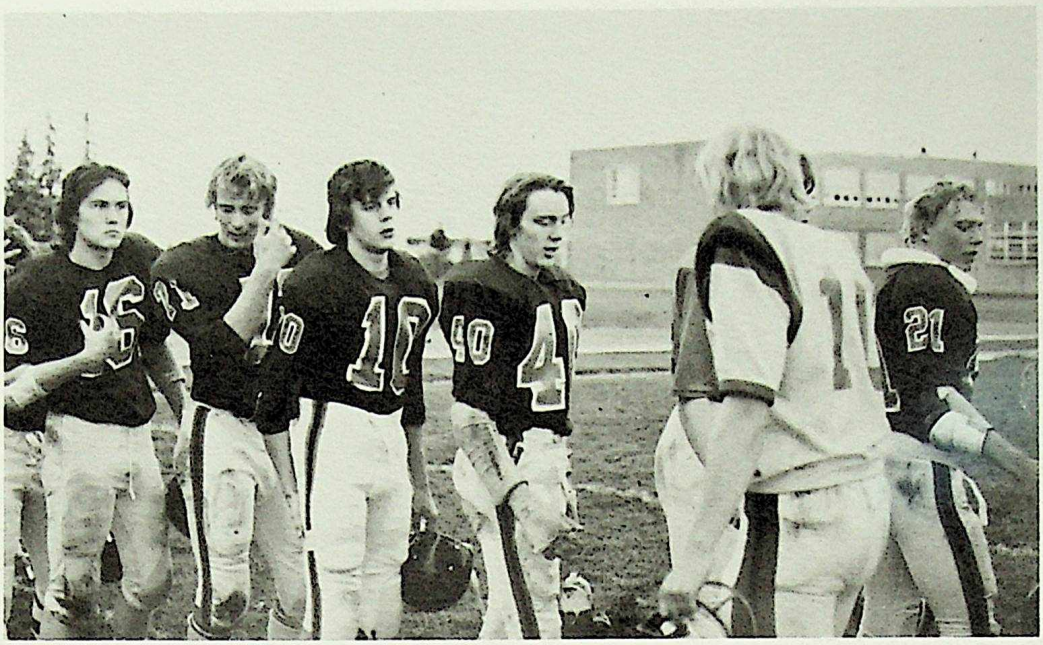


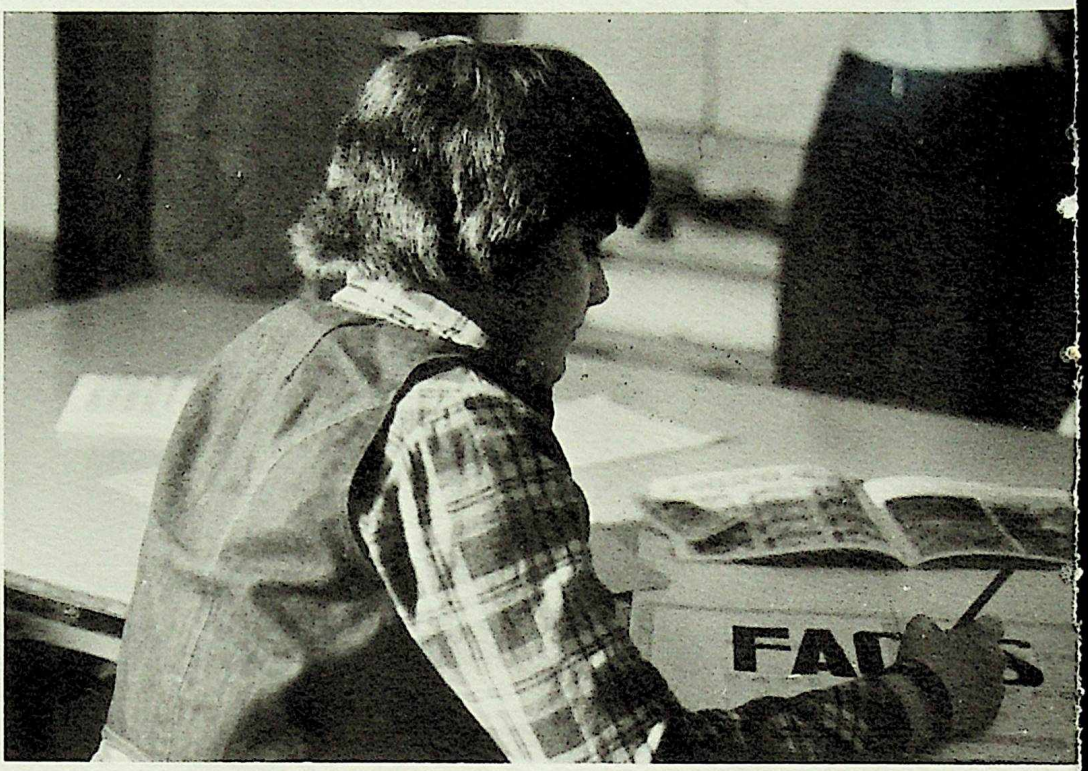


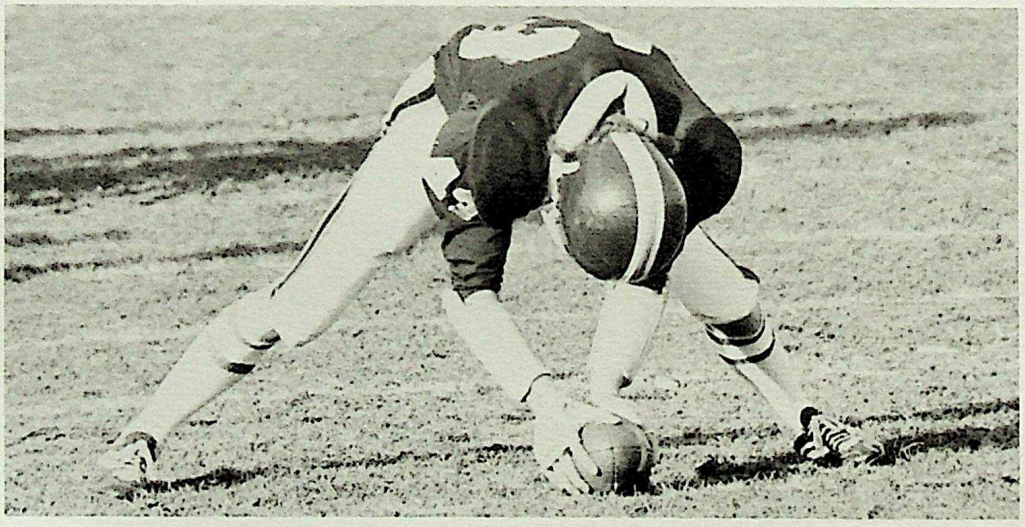


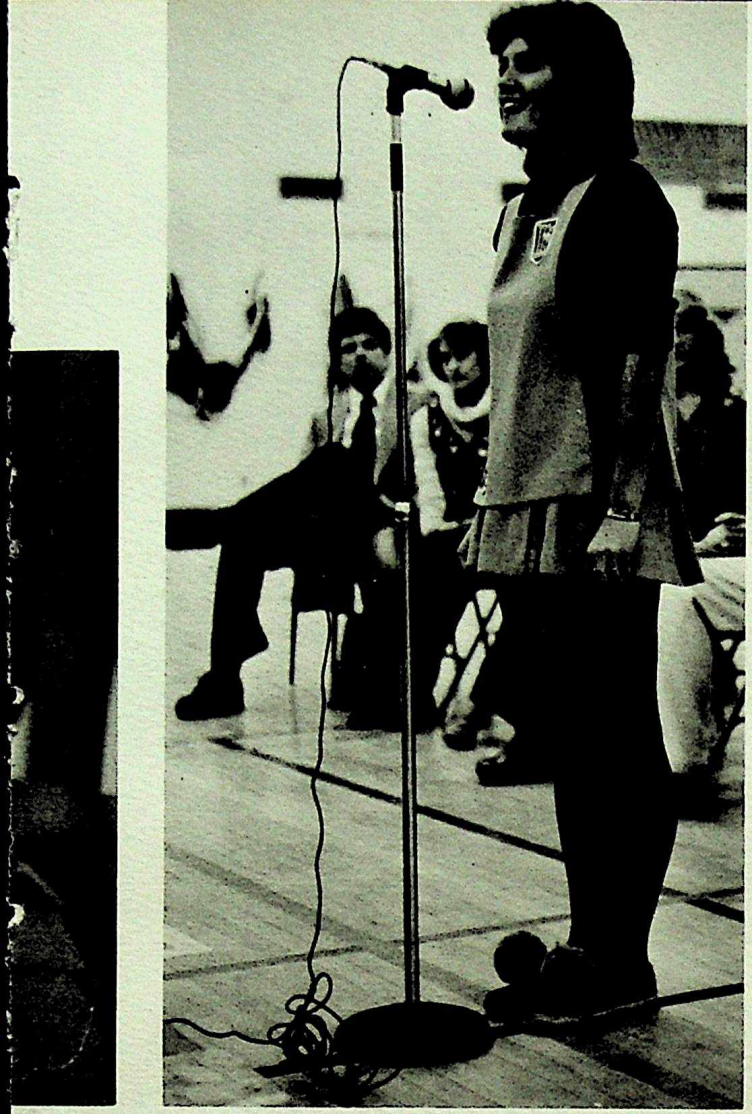


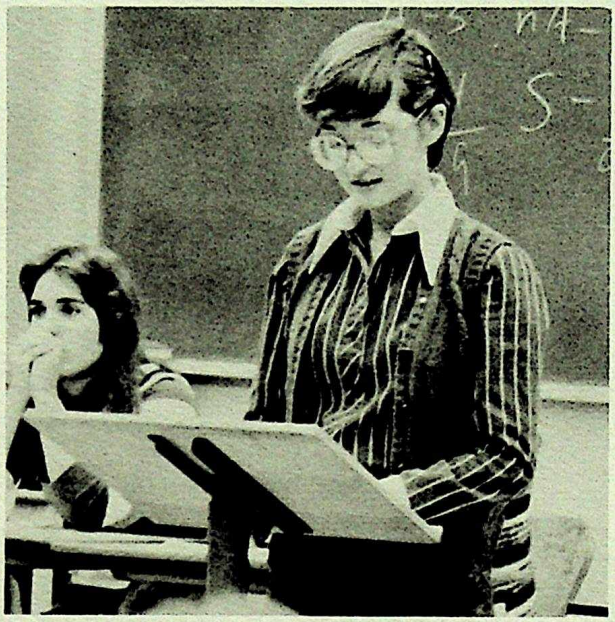
I find myself
reliving special moments.
Reflecting more and more
on the past.
Trying to hold off tomorrow.
Wanting every minute of today
to last forever.
Because today
has meant the most to me.

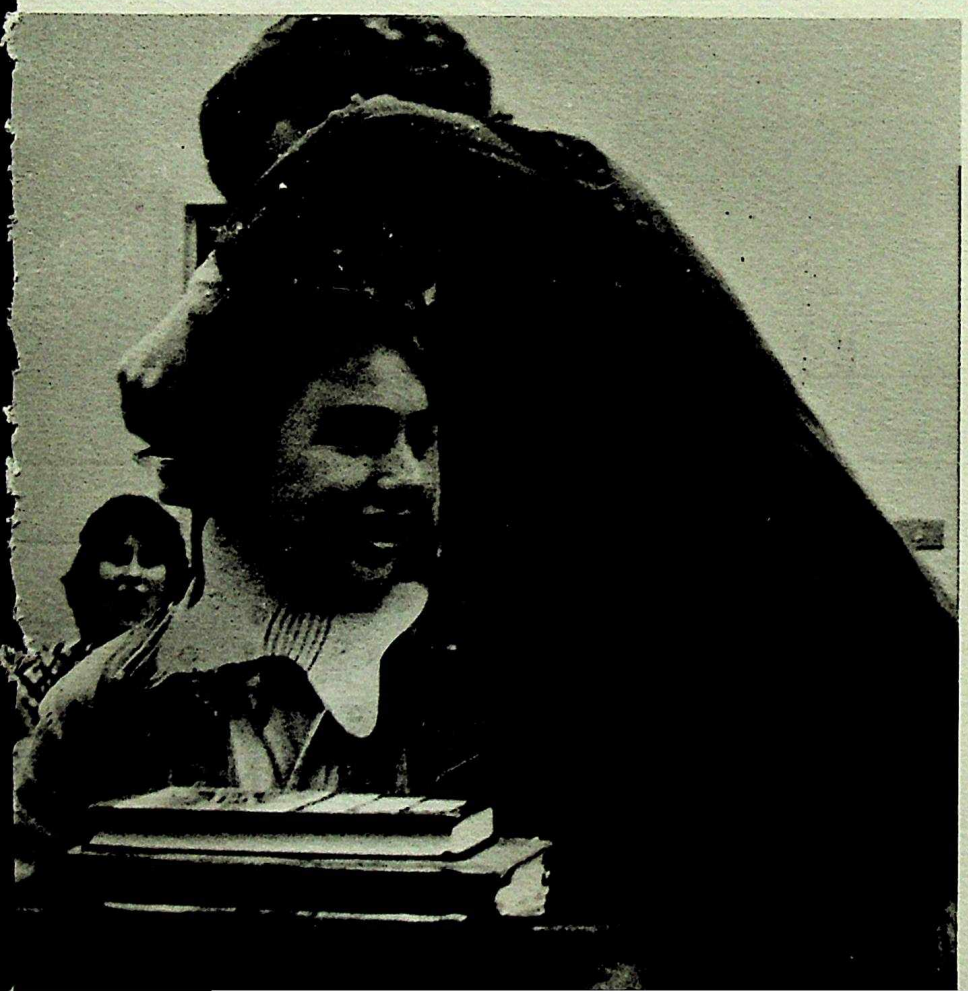


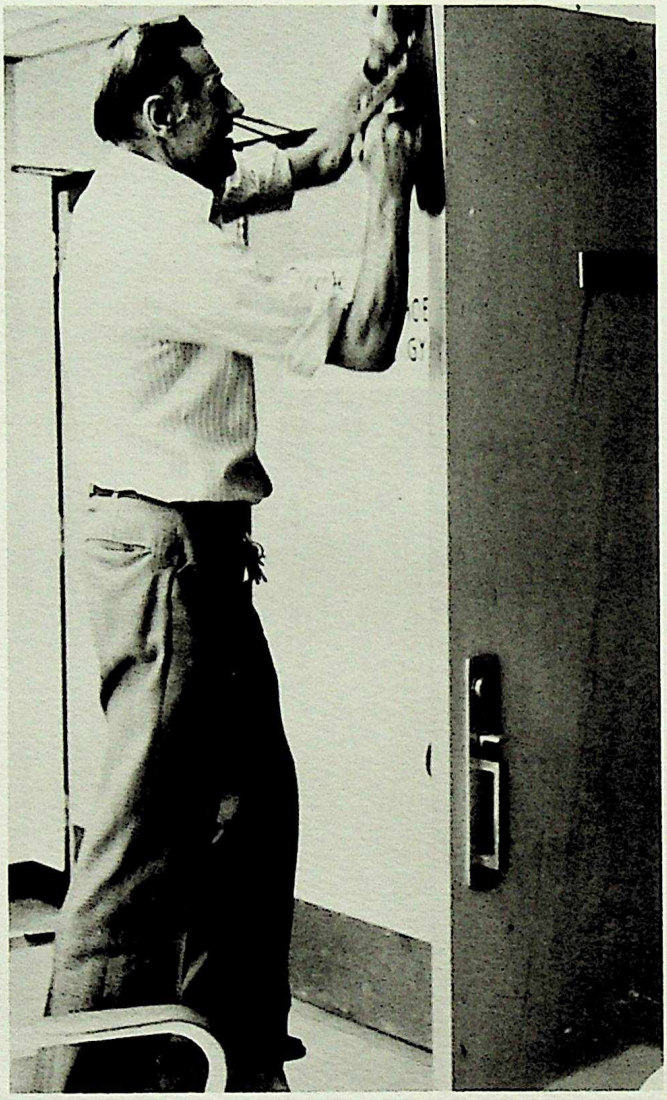


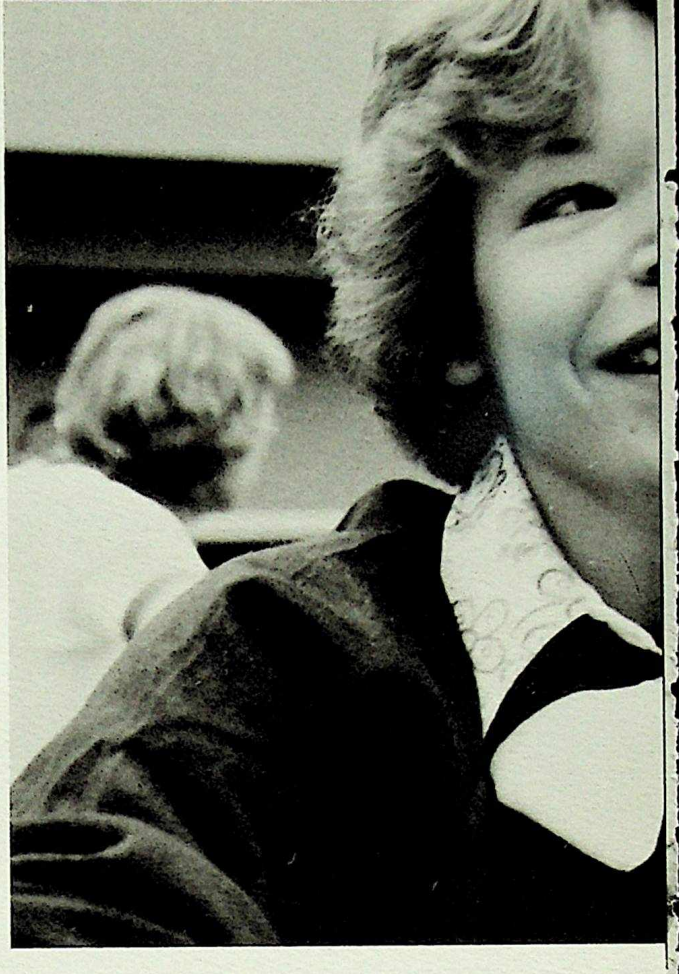


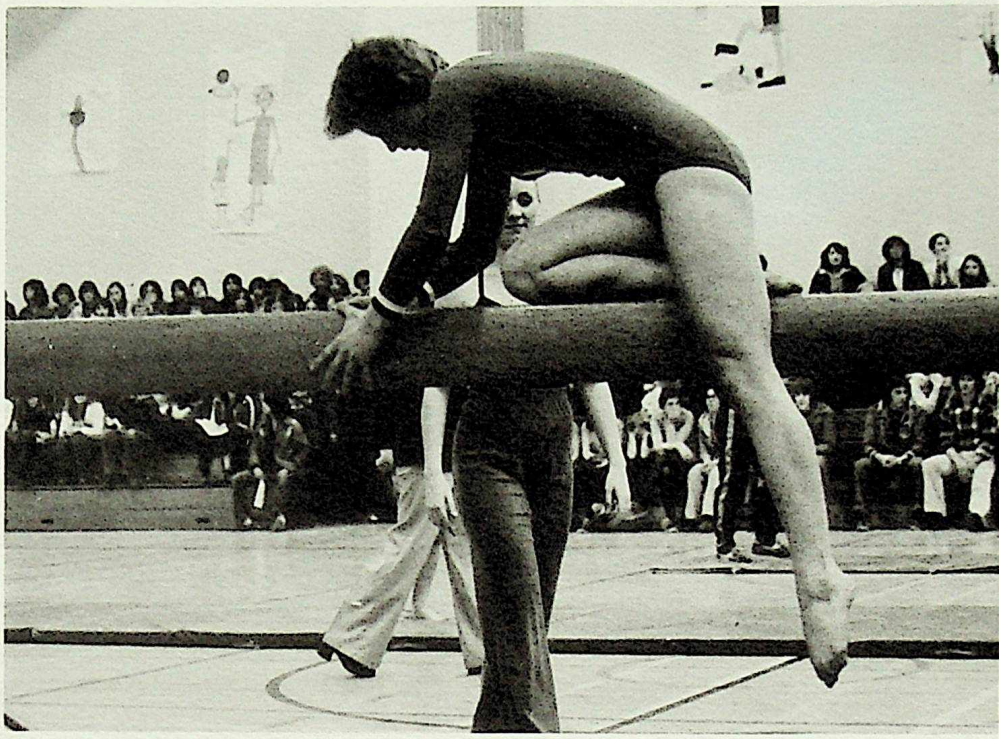




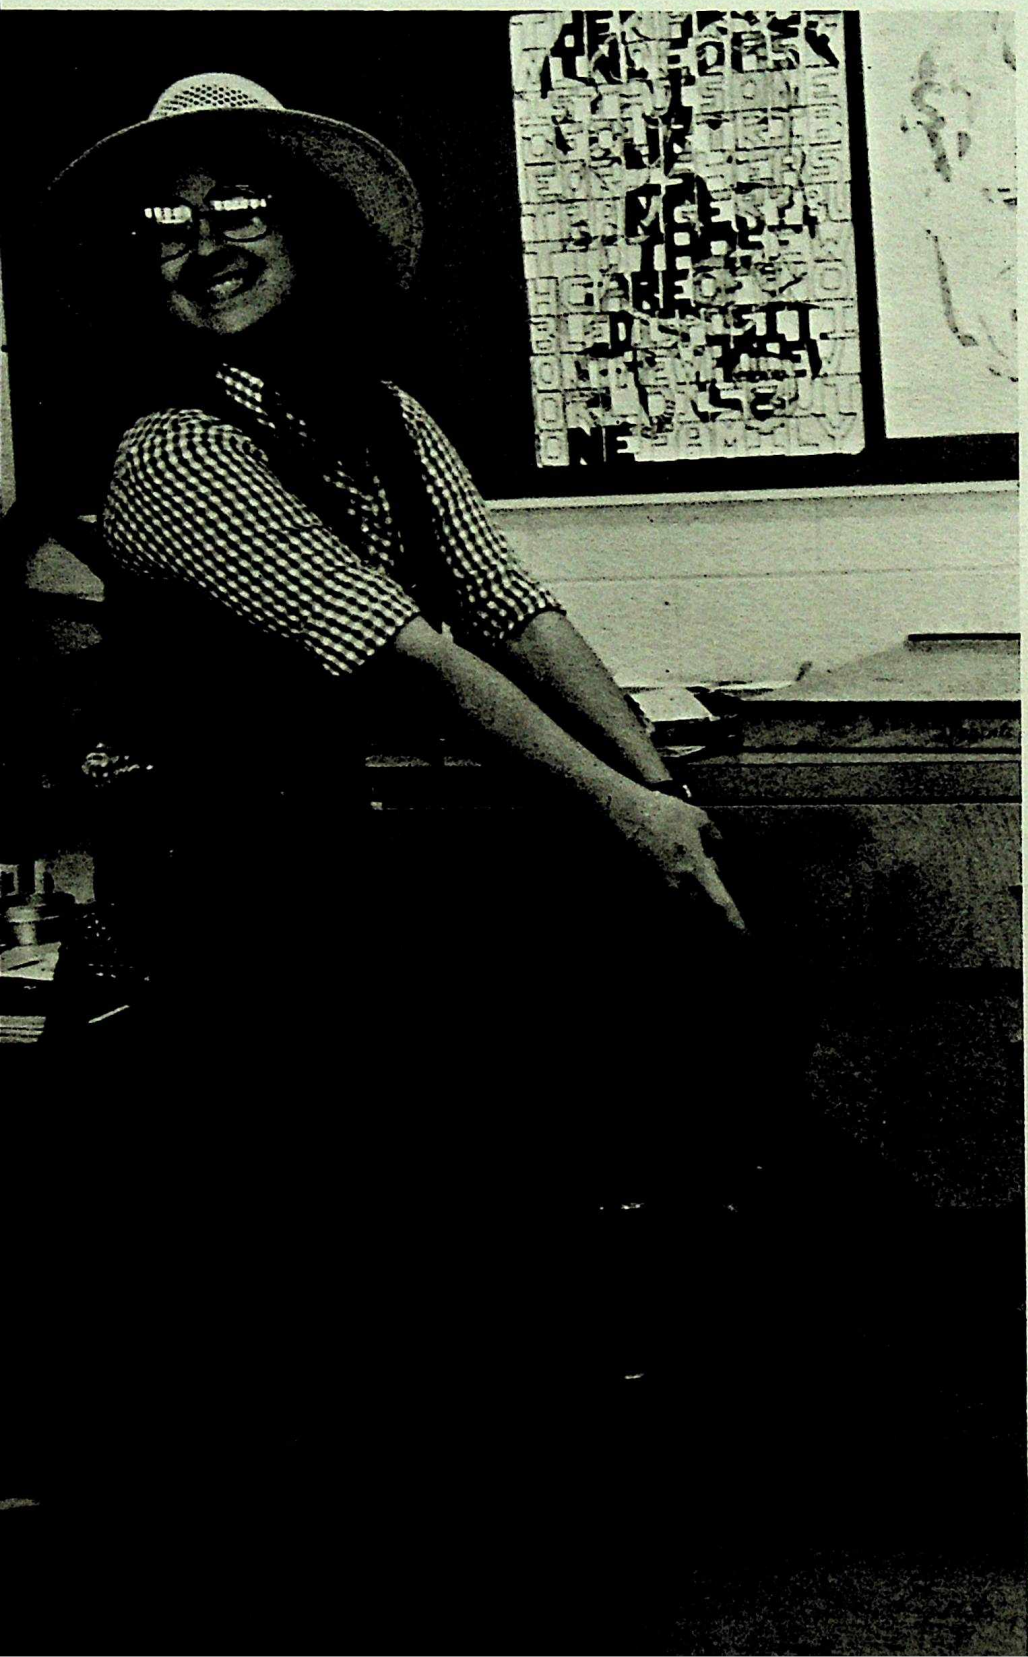


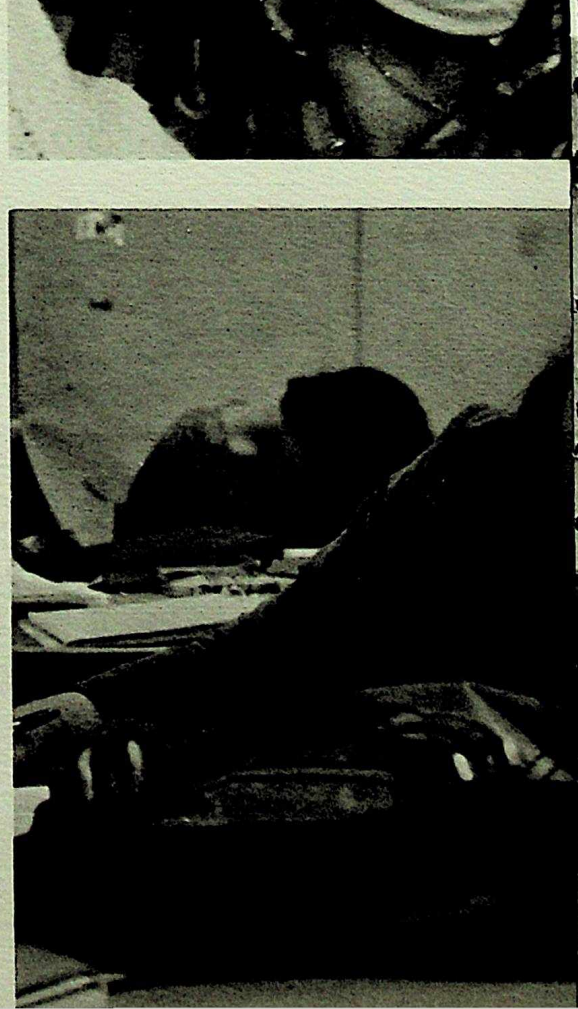


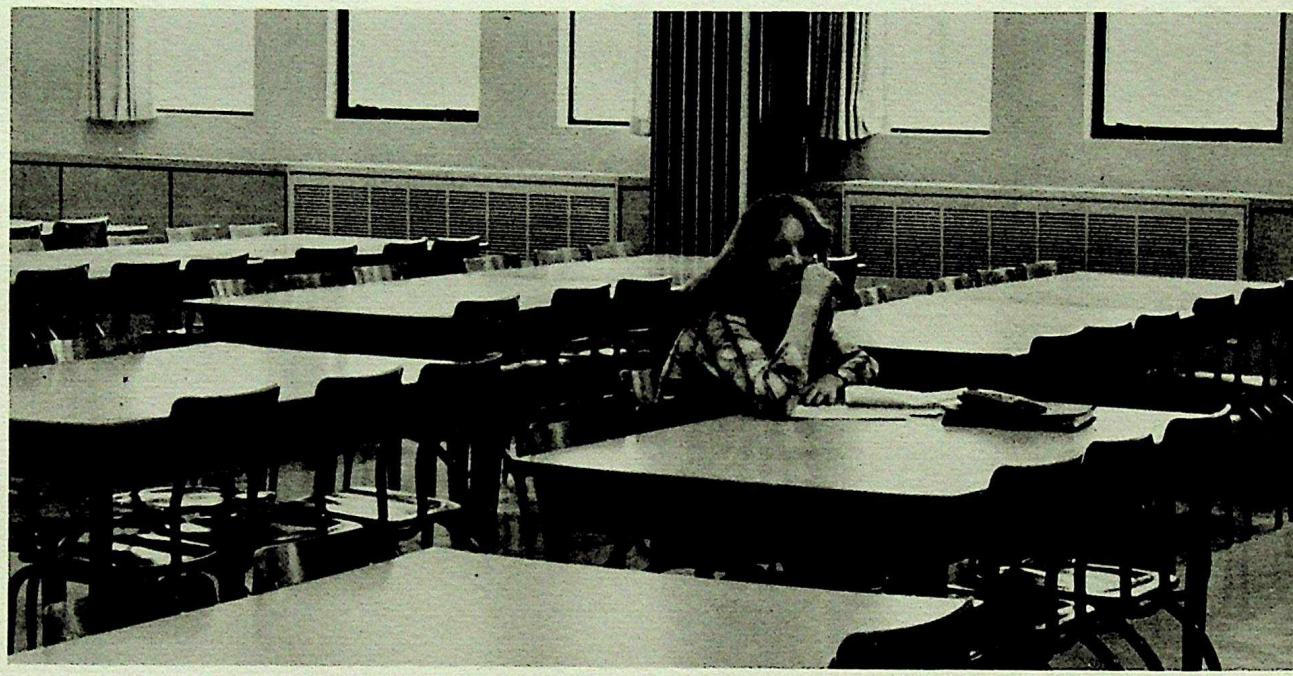


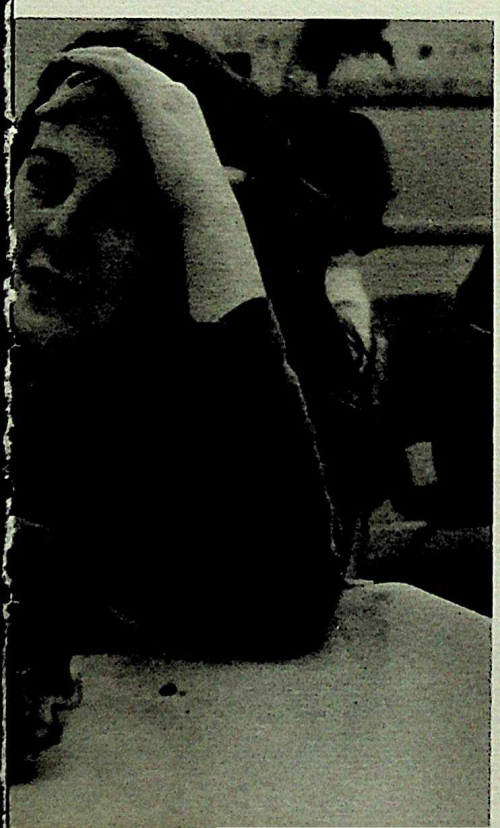


DRAMA &
LECTURE









Throughout our lives
we search.
Endlessly seeking
the fulfillment of our dreams.
The unceasing battle
to find ourselves.
To be content
with our lives.
Don't be discouraged in your quest
for the answers,
For I have found
that through the strength in friendship
and the warmth of love
we will find ourselves.
We will touch our dreams.

It has been a true challenge putting the '79 Trend together, a challenge I hope we have met. Another year of friends, good times, teachers, quiet moments, laughter and tears has been placed between these covers, to be looked back upon and fondly remembered. The past may belong to the pages of our minds, but tomorrow is ours — a challenge to be met!

Thank-you McNally for making the '79 Trend possible!

What is time?
It is the present and the past.
It is tomorrow contained in
our memories.
Time, a silly thing to fear.
